

—Attendance at local churches their families over the Easter Sunday was swelled by many former residents' home to visit with holiday.

## Workmen Finishing Racing Plant

THE GRANDSTAND at Mohawk Raceway near Campbellville nears completion, with the racing season due to start in eight days. Workmen are working rapidly in an effort to put all in readiness, with only interior work beneath the grandstand, lagging behind. Part of the grandstand is glass-enclosed, above.

FIVE HORSE STABLES with room to house 104 horses each, are located at the new Mohawk Raceway. All the stables are built exactly alike, for the mutual comfort of the horse and his trainer. All the stables have been completed and are set for the opening of the racing season on April 26.

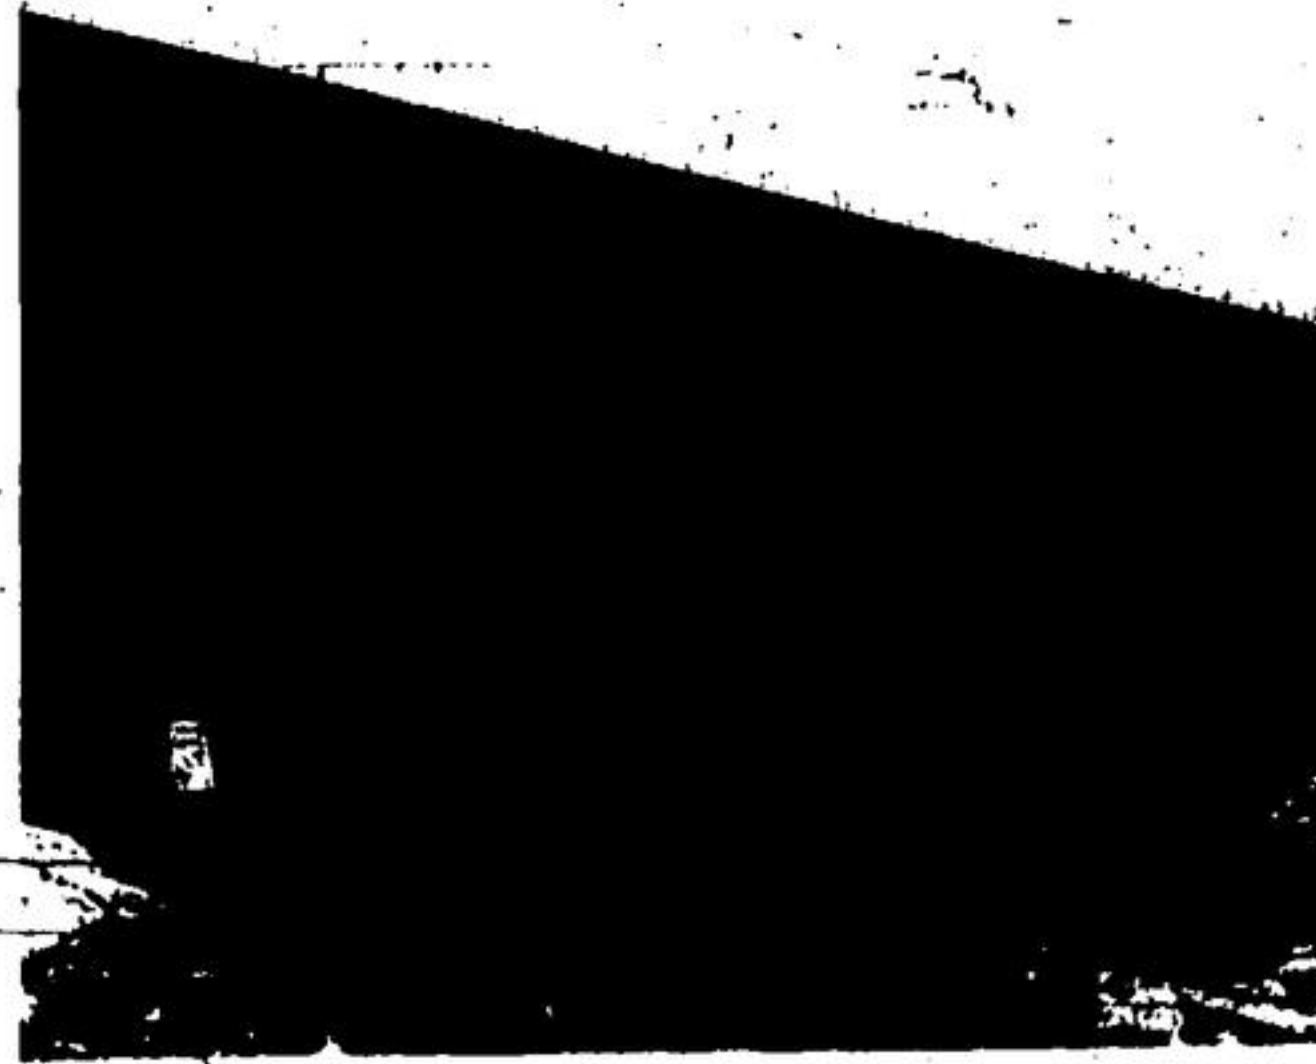

UNDERNEATH THE GRANDSTAND of the Mohawk Raceway is a hive of activity as workmen lay the last of the bricks in the construction of the \$1,400,000 dollar grandstand. Work is to be completed within the next week, with the first races scheduled for April 26.

ROWS OF TICKET BOOTHS are waiting for the patrons, at the new Mohawk Raceway near Campbellville. Within the next month, patrons from all over Ontario will be swarming to the track to follow the trotting circuit.

"TWO ON THE NOSE", says workman John Ozimek of Hamilton, as he poses in front of one of the many ticket seller's booths, located beneath the grandstand at the Mohawk Raceway. He just can't wait for the trotters to start.

THE PADDOCK at the Mohawk Raceway, located behind the grandstand, is one of the last projects to near completion. Horses will get a chance to take a last deep breath in the paddock, before they move on to the track.

### CHURCHILL

## Good Crowd Sunday Service

There was a good attendance of members and visitors at Churchill church on Sunday morning. The church looked very attractive with new drapes on the rear windows. On the communion table a miniature cross and open bible were banked with Easter lilies which fitted in with the sermon and music. Mr. Fleming spoke on Easter, The Empty Tomb and He Had Risen.

The Junior Choir assisted with a few regular members sang the hymn "He Arose", and Miss Linda Damm sang a solo, "This is Easter Sunday Morning."

Friends of this locality will be pleased to hear Mrs. Walter Coles' father, Mr. John Lambert Acton, who has had surgery in Toronto General Hospital, is doing nicely.

Mr. and Mrs. Harry Krockner and family visited over the weekend at the home of Mr. and Mrs. Leslie Swackhamer.

Mr. and Mrs. John Parkinson, Donna and Holley of Sarnia, are spending a few days at her brother's home, Mr. and Mrs. Norman Turner. Mr. Parkinson is attending the drafting round table at the O.C.E. in Toronto.

Mr. and Mrs. John Near, Glen and Earl visited Mrs. Near's mother, Mrs. Mabel Hattle, Shelbourne on Sunday.

Mrs. Clinton Swackhamer of Acton attended church here and visited with her son, Mr. and Mrs. W. Swackhamer and family.

Mrs. G. Malby and her mother Mrs. W. Dobie were in Toronto and visited the latter's sister, Mrs. D. Stevenson. They all attended the O'Keefe Centre program.

Miss Peggy Storey of Orillia is spending her Easter holiday at her grandparents' home, Mr. and Mrs. W. J. McDonald.

—Got your fishing rod dusted off yet? Trout season opens April 27 instead of the usual May 1.

## Halton Leads in FAME Sales Group Sells First Debenture

A meeting of the Halton County FAME Committee was held on April 3 with nine members present. Sixteen new shares and one \$3,000 debenture were turned into the provincial director, Archie Service. The sale of shares totals over \$36,000 with a membership of 343.

A news letter was received from FAME headquarters. It informed the group a few counties have gone well over their quota. The quota is an arbitrary figure established after a great deal of research.

The following have all exceeded their quota: Halton still on top percentage wise, followed by Brant, Victoria, Dundas and Peel. Perth County has subscribed over \$100,000 in shares with a quota of \$108,000.

Many others are rapidly approaching their objective.

Lloyd May, County Committee Chairman and top salesman for the county, reported he had now sold 104 shares and the first debenture sold in the county.

Archie Service explained that FAME debentures can now be sold to the public as well as share holders, also that the first plant

## Dave Manies Store Owner

Closed the first part of the week, Ledger's I.G.A. store opened this morning (Thursday) under the new ownership of Dave Manies, former store manager.

The popular new owner is no newcomer to the business. He has worked for Mr. Ledger during the past seven years, the last four as store manager.

Since Monday, behind blackened windows, workmen have added a new entranceway, taken out some partitions to increase the produce area, parcel pickup area and shopping area. New shelving has been installed in some sections and patrons will enjoy pushing brand-new buggies to make their shopping chores easier.

Bill Dawkins, former employee, has taken over the duties of grocery manager. Tom Dawkins still handles the duties of meat manager and Walter Wadawski still remains as produce manager. The former staff is on hand to serve the customers.

—The daffodils are starting to peep through the soil, and some residents report many of the pretty yellow flowers in bloom.

your telephone manager

OUR NEW OFFICE INTERCOM

At the Bell we're always on the lookout for new ways to serve you. For example, the Northern Electric Laboratories scientists developed Business Interphone which has been made available this spring. Business Interphone combines in one package both the regular telephone equipment and a complete office intercommunication system. It's easy to use too. Just by the touch of a button you control the intercom allowing two-way conversation between offices over speaker units. Regular calls can be made or taken using the familiar hand set. All calls can be held with the touch of a button while you speak over the intercom. We think you'll be pleased with the versatility of this equipment. Why not give us a call and we'll give you further details.

### CLEM, THE HAPLESS HAMSTER

This story comes from some telephone friends from another town where it seems there lives a most curious little hamster named Clem. One day Clem was taken shopping by his 16-year-old master and his pal. Feeling Clem might get lost when they went into a large store, the boys placed him in a phone booth for safekeeping while they shopped for a few minutes. When they returned, Clem was nowhere to be found. It was a little while before they spotted a tiny little wriggling familiarity in the coin return slot of the pay telephone. Poor Clem's curiosity had gotten the best of him and he was hopelessly stuck. When a telephone repairman arrived on the scene and completely dismantled the telephone, only then was Clem, the hapless hamster, finally set free.
