 April 24: The power of Lindsay Orfan's 1140-1983-1364 for a total three game pinfall of 3547 was too much for the Strikers Bar whose game of 771-991-834 for 2596 left them far behind and saw Orfan go into the finals favorite to win the league championship. While all players shared in the Orfan's win it remained for Jeff Fryer 853 (33), Al Roach 739 and "Tinkle" Mansler 659 to be the top tripping trio. A's could just not get going. The Lodge, I.G.A., G.I. Electric do provided the excitement for the railbirds. Ledger's who finished in first place scored 1130 in the first 1100 to 1074.

Both teams were slightly off in the second game but the "Lectricians" with a pinfall of 996 - 966 carried a 4 pin lead into the final game. It was here G.I. Electric came up with their best game in 1965 and this against the leading Ledger's 995 spotted out a win for the green-shirted G.I. G.I. total pinfall of 3175 against 3059 will see G.I. and Ledger's Orfan meet in the final. G.I. top trio were Joe "Boss" Nowak 712, Cy Ryan 481 and Neil Gatto 484. Ausy Piddon rates a mention for fireman's cheer of a 427 double. The reliable Frank Irvine turned in a 725 effort for I.G.A. and Jim "El Toro" Bullough after a slow start finished up with 670.

**Acton Ladies**  
 April 24: Maybe the Acton Ladies will be rubbing at night in the final game as how Masale Dairy and Acton Creamery survived the semi-final roll to meet each other in the final. Masale Dairy with Pat Frizell 228 in the first went into an early lead over Lovell Bros. They added to their lead in the second with Verna Arbic 232, Anne Moore 202 and Donna Means 212 making the roll. Lovell came to life with a rally in the third with Joan McPhail hitting a 227 but Verna Arbic's 248 for Masale kept the "Dairy Maid" clean enough to give them the

 April 24: In the final three game block, jumpers, paced by Jack Bullough's 828, Sophie Ochar's 877, Chris Jensen's 228, Joe Vossler's 204, and Fred Laidry's 243 piled up games of 1081, 1125, 941 to overtake and pass the Snow Birds first three game block lead and won the Champions crown by 83 pins. Snow Birds saw their lead fritter away when the best they could do was a 229 from Nancy Jensen. No-Goods with a hot 344 in a 736 triple from Ivy Martin plus Joe Lauwers 215, Verna Arbic 211 and Elmer White 220 put on a driving finish but their 2824 coupled with their previous 2586 left them well back. Hittins who were not too far back to start, faced badly and their final of 5420 left plenty of pins to be do-sired. Hittins' best in the final go was Ron Whitham 500 (242), Gord Wagner 606 (221), Gord Thompson 207, Clippers who waited until the sixth and final game before coming to life with a 1123 for a total of 5212 had George Maltby 708 (309), Pearl Jackson 682 (299), for individual honors. Riders who trailed the field all the way finished up with 4822 with Martin Oehrlich 254, Elsie Whitham 221, Tom Roach 218 and Gerry Funk 251 for tops. So, congratulations to No-Goods, winners of the regular schedule and congratulations to Jumpers for winning the playoff series.

**Winter Out of Your Car**

DOES YOUR car run like it needs a SPRING TONIC. Maybe it does. If the motor dies when you stop for a light, if your wheels wobble or bounce, if your motor is hard to start, or if any number of other things that are irritating are happening, then it is time to have "WINTER" taken out of your car.

BRING YOUR CAR to ACTON MOTORS GARAGE and we will give it a thorough check - ignition, spark plugs, carburetor, brakes, radiator-hose, steering - and the other things that need checking with the change of seasons.

**Teaching the teacher**

EXPERTS TELL US that about 90% of all automobile accidents are directly attributable to human failures of one kind or another.

Modern technology has succeeded in making today's cars and roads about as safe as can be. It is time for drivers to catch up - through driver safety training. (Only this type of training will teach young drivers the kind of "safety-thinking" so essential to safe driving.) But training requires teachers, and teachers themselves must first be taught.

That's why the automobile insurance industry, as a part of its national program of promoting safety education for the young driver, pays the cost of the national Driver Training Program. (Only this type of training will teach young drivers the kind of "safety-thinking" so essential to safe driving.)
