

# DON'T TAKE A CHANCE .. TAKE CARE!

## SAFETY MAKES SENSE!

Check Your Farm Now for Safety and Profit!

The twentieth annual National Farm Safety Week will be observed July 21-27. It should be observed every week of the year! Check your property now, point by point, and see how it rates. Then make your farm a safe place to live and work!

## FARM SAFETY WEEK — July 21 to 27th

# DON'T BE A STATISTIC — OBSERVE THESE SAFETY PRECAUTIONS

### MACHINERY OPERATION

#### DO

1. Attach P.T.O. shields EVEN FOR SHORT JOBS.
2. Shut off P.T.O. BEFORE LEAVING THE TRACTOR SEAT.
3. Be careful ON THE HIGHWAY with farm machinery.
4. Attach RED warning signals at the rear.
5. STOP the pulley BEFORE removing the belt.
6. Keep ALL guards in place.
7. Use common sense.

#### DON'T

1. Leave the P.T.O. shield IN THE DRIVESHEED.
2. Wear RAGGED OR SLOPPY CLOTHING around machinery.
3. Be a "ROAD-HOG" with slow moving equipment.
4. Leave on the WHITE working light for highway travel.
5. RIDE ON THE DRAW BAR to adjust levers.
6. Stand IN FRONT of a mower or combine cutterbar.
7. Take chances on YOUR life.

### TRACTOR OPERATION

1. A tractor has but one seat. NEVER carry passengers.
2. ALWAYS attach the P.T.O. shield.
3. Stop the P.T.O. BEFORE dismounting.
4. Never refuel while the engine is RUNNING or HOT.
5. Always operate at SAFE SPEEDS.
6. Keep the tractor in gear on down grades.
7. Be extra careful with a tractor on PUBLIC ROADS.
8. Remember. The OPERATOR, not the tractor, is the main cause of accidents.

### HIGHWAY SAFETY

SINCE HIGHWAY ACCIDENTS KILL MORE FARM PEOPLE THAN ON-THE-FARM ACCIDENTS

1. Consider the road and weather conditions.
2. COURTESY and COMMON SENSE can save your life.
3. Traffic laws are for YOUR protection.
4. Drive as if YOUR LIFE depended on it.

### BARN SAFETY

1. Never OVERFUSE or OVERLOAD your electrical circuits.
2. Insist on a "NO SMOKING" policy in your buildings.
3. Lightning rod systems must be PROPERLY GROUNDED to be effective.
4. Make heat lamps safe, with a CHAIN SUPPORT and a PROPER GUARD.
5. Never leave HAY CHUTES unprotected.
6. Don't take chances with ANY bull.
7. Be a "good housekeeper" — CARELESSNESS causes ACCIDENTS.
8. YOUR safety is up to YOU.

### HOME SAFETY

1. Stairs are for PEOPLE, not temporary STORAGE SPACE.
2. Use a STEP LADDER, not a chair and box makeshift.
3. Protect your lighting circuits with 15 amp. fuses NOT 20 or 30 amp.
4. Install extra outlets, NOT extra extension cords.
5. Don't let your cigarettes GO OUT ALONE.
6. Never use petroleum products for CLEANING clothes or STARTING a fire.
7. A dry chemical extinguisher IN THE KITCHEN is good insurance.
