

Pounding the SPORTS BEAT

IF YOU READ this space last week you know who picked Hamilton Ti-Cats to finish on top of the Eastern Football Conference. It wasn't a Rough-Rider but there's a similarity in the handle.

Each year when this fuzzy-checked scribe heads for the hinterlands on vacation the news editor of this journal takes over the reins. It gives him an opportunity to make his annual football forecast.

The annoying thing about it is he's been right twice in two tries. My score to this point is zero. Perhaps it's because he's consistent. He picked Hamilton to wind up in the Grey Cup the last two seasons — and they did. However, when he brushed off his crystal ball this year there must have been a particle of dust over the final picture.

Who would pick Ti-Cats to finish in the muck? Knowing Jungle Jim Trimble has left along with five veterans, unless he has stock in the corporation? I grant you Ralph Szabo is from the same school of rough, tough football as Trimble but it's unlikely he can keep those Fabbaist-snapping-like Jungle Jim.

SWIMMING LESSONS are popular with the kiddies this summer as attractive Pat Barrager, Red Cross instructor, teaches. These are the first formal lessons given in town. Lynn Nielsen, daughter of Mr. and Mrs. Paul Nielsen, is being held by the instructor during a lesson this week. Tuesday morning the second three-week course began.

Leader Hurls IGA to 10-6 Win Over Late Starting Legion

Third place IGA turned the tables on fourth place Legion last night (Wednesday) with a 10-6 town softball league victory. Legion edged IGA 4-2 in their last meeting.

IGA meanwhile tacked on one in the fourth, two in the sixth and two more in the seventh.

Howie Leader went all the way on the mound for the winners giving up eight hits, walking three and hitting two batters. He struck out two.

Pedagogue Keith Martin was the loser. He was relieved by John Salmon in the sixth. Between them they allowed 13 hits including two home runs, walked two and registered one strikeout, Martin bearing the brunt.

Harold Deforrest, Bruce Cargill, Andy Williams and Dick Willy paced IGA at the plate with two hits apiece. George Malby and Howie Leader each socked a home run. Gary Masales and Don Price were top Legionnaires with two hits apiece.

Everyone will be invited to attend and observe the youngsters during the closing exercises of the playground program as they take part in races, games and with children decked out in their skits. Mr. Casburn plans a parade of the four athletes.

Tepees will be erected in the park and an Indian fire dance is expected to thrill parents and friends.

Another Trophy For John Goy Jr.

John Goy Jr. copped another trophy when he vaulted 11 feet 6 inches Monday during the St. Catharines Civitan track and field meet. He was competing in the colors of the Guelph Legion Track and Field Club.

Previously the young Acton High School athlete cleared the bar at 11 foot 10 inches during the Ontario C.W.S.S.A. meet at Guelph to set a new record in the intermediate high school competition.

Also running under the Guelph Club colors were Keith Ramey who finished third in the quarter mile race. Allan Hall who finished seventh in one of the mile heats and Gary Murr who crossed the finish line seventh in his mile heat.

The four athletes have been training faithfully all summer at the high school playground and the O.A.C. training grounds.

I Spy No Pie

A pie-eating contest was wiped off the slate Tuesday afternoon during the playground program. The pie disappeared before the contest.

Hungry children eyed the delicious looking pie with envy in the early part of the afternoon and agreed along with playground leaders they looked too good to waste for a pie eating contest. Everyone enjoyed an early afternoon lunch.

Glendon Playground Began on Wednesday

Wednesday morning a playground program was started in Glendon by recreation director Jim Casburn and by 9:30 a.m. 20 youngsters had registered. Mr. Casburn is hopeful of continuing the program for the balance of the summer if the attendance keeps up.

Hermie Bessem, one of the playground leaders, was in charge of the group which played baseball and active games. It is hoped a bench will be moved to the area for the children to do their crafts work on.

This is the first park program there in the section of land designated as park area behind Mowbray Place.

Merchants Win

Campbellville took a 2-0 lead in their best of seven series with Georgetown when they defeated the Giants 10-4 in Campbellville, Sunday afternoon.

Jack Roberts chalked up his seventh win of the season and all though he went the route, he was not as effective as he has recently been giving up seven hits and walking three.

Milton Bants Oust Acton

Milton Bantons swept their Halton County baseball playoffs (this week with two wins over the Acton club. They scored a 3-1 victory in Milton Saturday and last night wrapped the best-of-three series up with a convincing 7-1 win in Acton.

The first game was a slow one when Milton got two runs in the first inning off three hits and added another in the fifth off a hit and two walks.

Acton scored their run in the third off two walks and a hit. A throw in from centre field started the second run at the plate. They threatened again in the seventh when the bases were loaded but a shortstop error by Trevor Houston retired the side.

Craig Brush was the winning pitcher striking out 14 Acton batters and allowing three Acton hits. D. Humenik batted for Acton giving up seven hits.

Bob Harrington with two triples, Doug Harris with a double and single, Richard Clements with two singles and Bob Lee with a single paced the winners at the plate.

Price collected two singles for Acton. Dave Byler was the first basing lead.

Milton went off to a first inning lead for the second time in the series Wednesday and were never headed. They added singles in the second and third and scored two more in the fifth off a total of nine hits.

Acton, with four hits scored their run in the second.

Trevor Houston was the winning pitcher. He yielded four hits and struck out seven. Dave Byler was the loser. He pitched six.

The Acton team left eight men stranded on the bases. They seemed unable to come up with a hit when they had men on.

Catcher Doug Harris with a triple and single led the Milton attack while Harrington collected two singles. Clements, M. Trach, Houston and Ferguson each had a single. Craig Brush produced a triple.

John Hadwin, Shults D. Allen and D. Humenik each had a hit for the Acton club.

AllStars' Test

Acton town league softball. All Stars face their first test of the season Saturday at 12:30 when they meet Brampton Northern Electric in the opening game of the Harrow softball tournament. Should they win their opener they play again at 4:15 with the winners of Milton and Glen Williams.

Fifteen teams are entered in the tourney.

Giants Topple Merchants

Right-hander Norm Duro won a seventh win of the Campbellville Merchants last night (Wednesday) to give the Georgetown Giants a 4-3 win in the third game of their best-of-seven series. Campbellville now leads the series three games to one.

The Giants' right-hander not pitched the previously scheduled four innings in a game played in Georgetown. The loss was the Villagers' second of the year.

Norm Duro earned the game with a single, which was the only hit yielded by Duro until the fourth, when Al Whigmore doubled. Both runners were stranded.

Lee Anderson expects to start Harry Johnston against the Giants Sunday in Campbellville, providing the weather is warm.

Young Huck Finns

A 15-foot muskellunge was the one attempted to land the fishing boys put off. The fish was taken by a group of boys from the Acton area who were participating in a fishing tournament.

In this Huck Finn's fishing contest, the boys were competing for a prize. The fish was caught in a pond near the town of Acton.
