Mrs. C. Allan and Mrs. Butler were conveners for this interesting historical program.

A social half hour was enjoyed when hostess, assisted by Mrs. Tryskenar and Mrs. Aitken served refreshments.

Club-leader, Nina Braids introduced the hosts and explained that the fine Holstein herd at Anthony Acres was on R.O.P. and classified under the herd type classification. He urged dairy members to follow this and classified under the herd which combines type and production.

President Russell Murray conducted the business portion and Murray Wallace handled the secretarial duties.
