RE

GARBAGE COLLECTION

This is to advise that Council have decided to carry on the program of one collection only of garbage commencing on and after Monday, September 30th, 1963.

One weekly collection shall be maintained for the period through to April 1st, 1964, without exception.

The daily collection shall be made on each Monday and Tuesday as at present unless a holiday falls on the Monday in which case the collection shall be made on the next regular working days.

No collection shall be made on Thursdays or Fridays.

For your information certain sections of the garbage by-law No. 903 quoted herewith:-

SECTION 4.

The workmen shall not be required to empty any container weighing more than 50 pounds and which is not placed on the boundery line between the street and assessed property as determined by surveyor's stakes by the occupant of the property.

SECTION 5.

The workmen shall collect all refuse set out for them providing it does not exceed more than five containers or bundles for the assessed propoperty and or each family and providing further that each container or bundle does not weigh in excess of 50 pounds, and providing further that the total refuse so set out does not weigh more than a total of two hundred pounds per assessed premises or family and providing further that it is in proper containers or securely tied for handling and the bundle does not exceed four feet in length and providing further that all empty cartons are broken down and securely tied for handling.

These two sections of the by-law will be strictly enforced, and in case of contravention, containers will not be picked up but left at the premises involved.

J. McGEACHIE,
Clerk-Administrator.
