Coal was first mined in Cape Breton Island in 1872 and in Atlantic Canada in 1872.

## FACT

The 15th president of the United States, James Buchanan, was the only chief executive to remain a bachelor throughout his term. True to the memory of his fiancée, who died when he was a young man, Buchanan never married. His niece, Harriet Lane, presided as mistress of the White House during the four years of his administration.

Here is the solid, silent Super Torque Ford for 1964  
The most beautiful Ford ever—hundreds of pounds stronger, smoother and steadier than any other car in its field. Open competition has bred into the '64 Fords the kind of total performance you just can't create on the test track alone. They're hard muscled, fast moving, sure-footed... with more steel in their frames, huskier bodies, more solid road-hugging strength than anything else in their field. A remarkable new suspension system gives them a ride as smooth as cars costing thousands more—and the '64 Fords offer you substantially more car than anything at their price. Don't take our word for it—take the wheel and see. Test drive the total performance of the '64 Fords... at your Ford Dealer!

The 1964 Super Torque Ford has the beauty, elegance and power of a car born to be a winner! Choose from 16 models in four series, including the Ford Custom, Custom 500, Galaxie 500 and Galaxie 500 XL.
