SUGGESTED MONUMENT

It was Earl Grey, donor of Football's Grey Cup, who suggested that the Plains of Abraham should be preserved as a national monument.

MRS. DON MATTHEWS, president of the ladies' division, took time out from her busy agenda at Acton fair to sniff a winning bouquet of glads. She and her committee members were praised by directors for their tremendous assistance during the fair.

4-H Clubs End

(Continued from Page B2)

Included in the show will be classes of senior heifer calves, junior heifer calves, and a class for steers. Each 4-H Club member will compete in showmanship, and will be finally placed on their overall participation during the club year.

The conclusion of the show will be the selection of a champion beef, dairy and overall livestock showman. The Junior Day will feature exhibits from each 4-H Agricultural and Junior Institute Club. The entire show will represent the work of over 400 young men and women from Halton's farms.

Aeschylus, born near Athens in 525, was the originator of the drama as we know it. Before his time there had only been choral songs and recitations by single persons. But Aeschylus wrote these recitations so that two people could speak them and gave them costumes, and the rudiments of drama were established.
