Clarkson Lions Visit Demand Missing Items

Ten members of the Clarkson Lions club accompanied Zone chairman Del Chappell to the regular dinner meeting of Acton Lions Monday night at the Station hotel and enjoyed a night of songs, films, auction and idea swapping.

The zone chairman had a brief message for Acton Lions, in which his special plea was more visitations to clubs outside of town where the real fellowship of the organization is felt. A return invitation to the Clarkson Club's meeting was tendered by Clarkson president, being Auld.

Zone Chairman Pete Papillon presented past-president Allan Launder with his past president's pin as well as a plaque suitably inscribed Lion Al whose term in office was one of the club's busiest.

At this point Constable Rupert of the Acton detachment O.P.P. was escorted in and presented a gift to zone chairman Del Chappell. It proved to be one of the missing Clarkson articles. Constable Rupert took the occasion to address the Lions on the anniversary of the Acton Safety Council. He was given assurance the Acton club would do all in their power to further the organization's aims.

Lions of his various trips to British Columbia, Ottawa and other parts of Canada were shown by Lions Club Pete at the close of the meeting.

MOBILE EXCHANGE

What connection could there be between the Bell Telephone Mobile Exchange Trailer shown above and the Golden Glow in the bottom photograph? Good question. At the World Plowing Match to be held in Caledon next week, twenty-five thousand spectators each day will be viewing the efforts of over five hundred contestants, as well as the products and services of two hundred fifty exhibitors. In order to provide telephone service for the event, operators will be on duty in the trailer twenty-four hours a day. They will handle the local and long distance calls from the many private and public telephones installed throughout the tented city.

We have been planning the communications for this event for over a year, and will be happy to serve you when you're visiting the Match.

40 Splash At Guelph Y

The Acton Water V's started their swimming program last Friday at the Guelph Y.M.C.A. pool. As in previous years, this part of the activities appears to be quite popular since just over 40 members went by Tyler's bus to Guelph and enjoyed a good workout in the pool.

After that everybody is, of course, ready to stop for a snack on the way home, and "Rocky" is kept hopping to fill all the orders for 12-inch hot dogs, french fries and other refreshments.

The Guelph pool has been made available to the Acton Water V's on a regular basis Friday nights from 8:00 to 9:00 p.m.

Band and Stretch

Ladies' gym group began their weekly gym period on Tuesday, September 24, and meet every Tuesday at the Acton Y.M.C.A. at 8:30 p.m. This year the qualified instructor for this group is Mrs. W. Dimmah who is well known in Acton. The ladies' gym group is looking for a few more members, and invites all those interested to join.

A letter from the Milton chapters announced two comedy plays to be staged in Milton this month by the famed Canadian Players, Empire and World Affairs can't remember. Mrs. Force read a special release published by the I.O.D.E. dealing with conscriptional community explaining how it works to force countries into their jurisdiction without a shooting war and going into detail to describe the pattern of slogans they work under.

Acton I.O.D.E. Commission meeting last Thursday night was cancelled due to lack of a quorum. Chairman Ted Tyler and Mayor Les Dohy were the only two members who appeared along with secretary Mrs. Audrey Thompson.
