Arctic Winter Like Toronto's In Many Parts—W.I. Speaker

Mrs. K. Eckerich and Mrs. Elwood Johnston, Education and Citizenship conveners, presented an excellent program on this subject at the regular meeting of the Greenock W.I. held at Mrs. Johnston's home. The Canadian Arctic and its inhabitants was her topic. About 500 Eskimos live within the Arctic Circle. The Eskimos have no history of warfare and have ideals which put the white man to shame. It is a social and family man who lives in a western and hill-billy music. No trees grow in the Arctic, and in many parts the snowfall is comparable to a winter in Toronto or Ottawa.

Mrs. Eckerich gave a well prepared motto "Life is like a grindstone, whether it polishes you or wears you down, depends on what you are made of. Let us enjoy our successes, be they large or small, and learn from our mistakes."

Vice-president Mrs. Wm. Butler presided over the opening exercises and the business. Eleven members responded to the roll call of "My favorite page of the newspaper, and why."

The report of the budget committee was approved. Mrs. T. Hensley and Mrs. C. Allan were commended for the fine prize-winning display featuring "Lagbes."

Teachers' Convention

Public school pupils get a half day tomorrow.

The teachers will be attending the fourth annual convention of teachers of Halton area No. 4 and Wentworth No. 2 at St. Catharines.

On the executive are president Keith Black, Acton, vice-president I. Hill Victoria, secretary Wesley Clow, Milton, treasurer Mrs. Kay Alger Acton with Miss J. Connell, Greensville and Mrs. M. Keast, Waterdown and Mrs. M. McEachern, Milton.

The teachers won't miss any service teaching of the three R's. On their program are Cursive arithmetic, Newcastle reading Unit arithmetic, directed silent reading, grouping in reading, experimental arithmetic, remedial reading classes for the gifted and oral French as well as other subjects.

EARTH MOVING at Fairview Cemetery is being done by Mervin Thompson of Moffat. The land purchased recently from the Coles estate is being levelled and will be used for cemetery land. It adjoins Cobble Hill Road and the present cemetery land.

\$450 Raised

With some returns still outstanding, the annual campaign for funds for the C.N.I.B. has reached about \$450 so far. Any further donations may be left at the Bank of Montreal, according to Mrs. Tom Shields.

Two Cars Hit In Heavy Fog

Two cars were involved in a rear-end collision on Highway 7 near 22 Sideroad corner early Friday morning, as a heavy fog blanketed the area.

Police reported a car driven by Marilyn Lorne Matthews, Churchill Rd., Acton, was following a car driven by Frank Paechler of Georgetown. The Paechler vehicle slowed down when the driver saw a car in the ditch at the side of the road and Mr. Matthews didn't see the vehicle slowing down. They collided as the second car attempted to pull out around the stopping car.

Damage totalled \$400. Const. Tom Penrice of North Halton O.P.P. investigated.

The wreck is the only bird found exclusively on the North American continent.

LEGION NOTES FOR BRANCH 197

By George Ware

Monday, November 4th—November general meeting! Has everyone set this evening aside and are going to make a special effort to attend? If not, you should have!

There are only two more general meetings this year and Monday is one of them. Have you even been to one meeting this year? Hope to see you all there!

Next week, November 4th to 9th has been designated as Poppy Week in Canada, and with everyone's help we can make this week the most successful ever in our own Branch.

Poppies perpetuate the memory of the war dead. They also help raised by Legion branches, share in the community in trust. From it veterans and their dependents in need get help fast.

Part of the money keeps Legion service bureaux at the disposal of all veterans. Sixty five per cent of this is for non-Legion veterans.

Remember to wear a Poppy in Remembrance!

A good toothhold has been set in Inter-County Dart League play. The Industrial Cribbage League got underway last Thursday.

and as of this date a League standing was not available. This will be remedied as soon as possible.

If you want to see some terrific play be sure to show up for some of the games. Hampton (1) is in Acton this Thursday night, October 31. We wonder if there will be any witches or ghosts present.

Tonight, (Thursday) is the Blood Drive Clinic in the auditorium. We are hoping for a good turnout for both the afternoon and evening sessions and even if you misplaced your return post card, we're sure they can find a spot for you in the line up.

Saturday night is the night for the big people's to get all dressed up in funny faces and crazy costumes, and come out to the annual Halloween dance at the Legion auditorium.

Costume is optional but let us remind you that there are prizes for the wisest of dress. Admission is the regular \$2.00 per couple.

Friday's evening was a dilly, with the play being close and last as everyone battled for the meat.

Ken Murray came out top dog with a 64 centing him to carry off the big stacks for a very filling meal. A cut of the cards decided second and third stack takers as—Bink, Holmes and Mel Shepherd tied with 64. "Bink" proved to be the lucky one leaving Mel with the small, but tasty baby bits.

Evening Bologna was the treat in store for New Year's as he came up with the only hidden story of 43.

Play resumes again tonight in the very crowded Legion club rooms.
