Delivered Mail for 40 Years Couple Recall Many Changes

Forty years in the rural mail delivery have been completed by Mr. and Mrs. Fred Edwards for Rockwood Post office who have seen some changes from horse and buggy days including cutting their mail route. Their times have varied in the winter seasons, when Mr. Edwards had two horses, to change from one to another at end of mail route before returning home. Mrs. Edwards on one occasion got into difficulty due to bad roads in winter, unhitched her horse, tied it to gate post, to go for help and a farmer's wife came out to assist in getting her on the road again.

Need Commissioner New Guide Captain

A meeting of the Scout and Guide Mothers' Association was held in the scout hall on October 29. Also present at the meeting was the retiring District Guide Commissioner, Mrs. George Wallis.

The meeting was opened by the president Mrs. Hugh Wilkinson with the Lord's Prayer.

After the reading and adoption of the minutes and treasurer's report there was discussion on the forthcoming election and Christmas cake draw. It was decided that the most suitable date was Friday, December 6 and tickets were distributed to the members for them to sell.

Once again the question of the suitability of the meeting day was brought up and it was felt by those present that the existing arrangement of the last Tuesday in each month was the most convenient.

90 Goblins Out But No Damage

Hallowe'en passed off quietly in the village, although there were over 90 junior goblins roaming early in the evening. We compliment our local children on their good behaviour.

We extend sympathy to Mrs. Kirkpatrick in the passing of her sister Sarah, (Mrs. Jas. McLennan) at her home at Milton on Saturday.

Prizes for Costumes At Hallowe'en Party

The W.I. sponsored a Hallowe'en party in the hall on Thursday night when a full house attended and everyone enjoyed a nice party. Prizes were given for the different costumes. Mr. and Mrs. Joe Matthews did the judging.

Mrs. Olive Hills and Miss Marie Hills of Toronto spent the weekend with the latter's parents, Mr. and Mrs. Henry Hills.

Miss Mary Elizabeth Reid of Niagara-on-the-Lake is assisting Dr. Reid in his dental work and staying with them.

The nice rain which fell last week was much appreciated.

Passes Road Test

In Woodbridge, Eng., a car built in 1938 passed a still compulsory road test for autos more than 10 years old. Robert Clark, owner of the 16-horsepower Panhard-Levaqueur, said he used the car regularly and that it could do 50 miles an hour "comfortably."

At 60 miles an hour, with good brakes and dry pavement, it is difficult to stop, allowing for reaction time, in much less than the length of a football field.

Guides Stop Lack Leader

Guiding activities ended last week with a Hallowe'en party for the girls in the scout hall. Although commissioner Mrs. George Wallis, guide captain Mrs. Tom Watson and leader Mrs. George Williams resigned a month ago, no substitutes could be found and so the meetings are temporarily halted. The Hallowe'en party was Wednesday of last week.

Two new girls had joined the company in the fall.

The leaders have been active for several years.
