'Assistant principal Michael Beven suggested the proposed afteration to accommodate a guldance room might be overlooked in view of the extra expenditure for the fire escape. He recommended a few minor changes in the present office area to accommodate a guidance room and was instructed to discuss the recommendation with the architect to find out if the -alterations were feasible.

Bourd members received a re port from Fire Chief Mick Holmes regarding the recent fire drill at the school and it was learned everything, including housekeeping and fire extinguishers, was in good condition.

Parents' Night Principal E. A. Hansen informed the board that interim reports had been sent out to parents early in October and wouldbe sent out again next week in cases where students were having difficulty or in danger of failing. He said a parents' night would be-held for parents, of these students Tuesday, November 12.

The principal also informed the board Christmas exams would run from November 25 until December 3.

It was also learned the R.C.A.F band; would give a concert for, the students in the gymnasium November 22 at 2 p.m. Accounts totalling \$14,957.06 were approved for payment.

When the War Between the States began in 1861, the state of Virginia voted to secode from the Union. The counties west of the Allegheny Mountains and their neighbors on the Potomic River refused to secede. On June 20, 1863, those counties remaining loyal to the Union were admitted as a separato state, West Virginia.
