Postpone Friday Game in Elora

Scheduled for Friday night in Elora, the Tanners-Rocks intermediate hockey has been postponed until the early part of next week. Artificial ice installation in the Elora arena has not yet been completed, making the postponement necessary.

The Elora arena expects the installation will be complete and everything in readiness for the weekend but Bob Young of the Rocks decided it was useless to take chances and he asked convener Bob Marshall for the postponement. The game likely will be played Monday or Tuesday.

Meanwhile the Tanners generally welcomed the chance to have a Friday night free. They have a three game commitment now for next week, however. Monday or Tuesday it's a trip to Elora, Thursday night they travel to Erin for a game with Cheltenham and Friday night Fergus Flyers pay their first visit of the season, here.

The Tanners are presently battling 500 with wins over Orangeville, Elora and Georgetown and losses to Milton (two) and Orangeville.

Date Set For Hearing On Annexation Bid

Georgetown's application to annex 45 acres of Esqueping Township will be made at an Ontario Municipal Board hearing in Georgetown, January 16.

Esqueping will oppose the bid for the land, with its high industrial assessment. The disputed area includes part of Smith and Stone Limited and Meadow Glen Mushroom Growers Limited.

Bilingual Lions Few—Twister

Lion Vic Bristow gave Acton Lions a rundown on what has been done in preparation for the annual minstrel show at the club's regular dinner meeting Monday night.

The show will be held early in April with Joyce and Jack Carpenter directing and writing.

Lion Chief Pete Papillon, presiding, read the rules of procedure submitted by past-presidents to facilitate club business. They were accepted unanimously.

Paul Twister Dave Hunter had the floor during dinner and including "The Times period" dull he made some unusual levies. Lion Ar Gordon was out of pocket for not being able to sing the first two lines of O Canada in French.

Since his attempt at bilingualism was unsuccessful Lion Ar had his sidekick Lion Andy Nolan request Lion Al Lauder sing the first two lines of O Canada in "Irish". His attempt sounded like Maurice Chevalier at a wake so he, too, had to dig for shillies.

A vote at a previous meeting on the length of time allotted each speaker prompted Lion Ar Gordon to bring an alarm clock to "time" the talker. He almost paid another fine himself.

Lion Morley Allan also narrowly escaped the dispensing of silver into the brass lion's yawning mouth. Charged with not having his Christmas lights up, Morley defended himself by saying he did. The trial resumes next week.

A letter of resignation from Barry Insoce was accepted with regret.

Lions will attend the Legion dance on Saturday, December 21 as part of one of their projects.

Lion Ray Arnie was presented with his key award pin by the Lion chief at an earlier meeting of the club.

Buffalo Drops Hornets 5-4

Buffalo Bisons pulled a win out of the Legion town league play page Saturday afternoon as they decisively Pittsburgh 5-4 in the circuit's American (bantam) section.

Scoring was well distributed for the winners with Cliff Snow, Mike Miller, Ken Jobb, Dave Scott and Allan McNabb each putting a goal. McNabb also collected an assist as did Roy Sault for Bisons.

Jim McGow registered two hits for Pittsburgh, the first assisted by Fred Bares and the second a solo effort. Fred Bares and Roy Hill bared counted the singletons with Brian Dunn assisting on Bares' effort.

Only three punters trouped to the donjon Mike Miller and Gary Kelly of Buffalo and Jim McGow of the losers.

Tri-County Honor Award Presented to J. O'Krafka

Joe O'Krafka, veteran hockey worker from Hespler, was presented with the Tri-County Hockey Association Honor Award for 1963, at the Association's annual president's dinner in the Legion Hall, Milton on Friday evening.

The award is annually presented to the person who has done the most in that year, towards the betterment of hockey on the Tri-County level. Mr. O'Krafka has served on the executive for several years and is presently the second vice-president.

Many minor hockey notables included O.M.H.A. president Albert Watkins and O.M.H.A. executive members Al Moore of Guelph, Jim Kinkley of Toronto and Bill Burrell of R.R. 1 Milton. Also present at the meeting was Art Smart, former Milton resident and original president of the Tri-County Hockey Association, when it was formed in 1957.

BELL LINES

by L. G. Denby your telephone manager

YEAR END CALLING

Anyone using the amount of parcels, letters and cards piled up in Post Offices this time of year can easily understand why the Post Office Department so strongly urges people to "mail early for Christmas."

The Bell has a similar problem at Christmas, but no graphic way to show it. From seeing a Long Distance cable, it's impossible to tell that all the circuits in it are being used, and that some customers are unfortunate to get their calls through. Yet, at Christmas, this can unfortunately happen.

The reason is not hard to understand. Long Distance Lines are fully adequate for any normal day, when, in fact, hundreds of thousands of calls (mostly of a business nature) are carried. But, at Christmas, a FAMILY pattern of calling emerges all at once, with the result that a huge number of calls are made between towns that call one another only infrequently throughout the rest of the year. Since Long Distance Lines are engineered to carry the regular flow of calls, rather than that for a single day in the year, they are overtaxed, and the congestion leads to delays. Constructing additional lines would be unjustifiably expensive, since they would remain idle from one Christmas to the next.

One way to avoid delays is to make a Year End call during the week between Christmas and New Year's — an excellent way to combine Christmas love and New Year hopes for those close to us. Because Year End calls are spread over a longer period, they do not involve the delays that can occur on Christmas itself. And because the spirit of Christmas is still with us, but the rush is over, we have more time to relax and reflect, and grasp again the full personality of those we love.

CHRISTMAS SUGGESTION

Even if you don't happen to have an extension telephone now, I'll bet you'll readily admit that one would be handy. Maybes you've even thought about it wishfully. Well now, suppose that this Christmas you find a specially wrapped extension under your tree. Would you make good use of it? You bet your life you would! Sure it would spoil you, but what a practical way to be spoiled! Now how about that special someone? Would their reaction be the same as yours? I mean would they really, honest-to-goodness appreciate your thoughtfulness, and would they remember you every time your extension saved them steps and trouble? Get what I'm getting at? Why not call our Business Office today and talk it over with us.

AND FROM ALL OF US HERE AT THE BELL TO ALL OF YOU AND YOURS A MERRY CHRISTMAS AND A HAPPY, HEALTHY AND PROSPEROUS NEW YEAR.
