

## New Year's Eve "Quiet" Say Patrolling Police

Maybe there was plenty of noise where YOU were New Year's Eve, but as far as the police are concerned, that annual night of prolonged partying was "quiet." There were no separable incidents or accidents as a result of the holiday.

### Many Parties

There were many house parties.

For the second year, limited sale of tickets to the New Year's Eve dance at the Legion ensured an enjoyable evening without the elbow-to-elbow jam of former years. There were 75 couples.

The coming event's turnout dropped drastically, the past two weeks will increase again now as everything gets back to normal.

Christmas card weather brought fresh sparkling snow for the holidays. More outdoor lights here than ever before created pools of many colors in the new-fallen snow.

"WOODSMAN, SPARE THAT TREE!" pupils may have thought as they saw workmen taking down the large elm tree halfway up the lane at the Robert Little school Friday. Shown at work are Bill McCann, Lorne Johnston and Murphy Asheke who were hired by the public school board to fell two elm trees which were diseased.

CHURCHILL

## Christmas Concert, Service Visitors at Holiday Season

The Churchill church Sunday school held their Christmas concert on Friday evening, December 20 in the church with most of the children taking part in the program making it a real happy gathering — especially when the chairman, Mr. Robert Kerr Jr., announced that Santa had arrived with a treat for all. There was a good crowd of parents and friends attending.

On Sunday, December 22, the church was at the usual hour. Then in the evening there was a candlelight carol service at Churchill church when Ballinafad and Melville charges joined. Mr. Fleming gave a special Christmas meditation. Mrs. T. Gibben sang a solo O Holy Night and a few from Ballinafad joined our senior choir leading in singing carols. The junior choir also sang two carols.

### Christmas Visitors

Mrs. Susie Denny and Mr. Elmer Denny of Acton spent Sunday with Mr. and Mrs. Ralph Den and Robert. Mr. and Mrs. G. Stephen, also Mr. and Mrs. Tony Dunn, Karen and Linda, spent Christmas Day with the former daughter-in-law, Mrs. Mary Stephen and grandchildren in Toronto.

### CURLERS ENJOY FRIENDLY BONSPIEL MONDAY

—1964 came in like a lion.  
—The heavy snowfall didn't hold up the trains much today (Thursday).

Globe and Mail arrived several hours late this morning (Thursday). The carrier boys were waiting.

—Inaugural council meeting Monday.

—Christmas lights burned late New Year's eve when there were many house parties.

—The streets were crowded with people prior to the store closing deadline of 6 p.m. Tues.

—The schools are getting their mid-winter housecleaning while the students are on holidays.

—Stores are all open today.

—Make it a New Year's resolution to notify the Free Press about your contests. It adds to our personal column.

—Now that the New Year has come, don't forget to keep the resolutions you made last year at this time.

—Driving conditions weren't bad New Year's Eve, they deteriorated fast on New Year's Day.

—Rotary meetings were cancelled for the past two weeks and start again next Tuesday.

—A special holiday feature ag-

ain this week is an expanded ag-

ain 20 years ago column with 10

years ago and 75 years ago as

well.

## Busy '63 for Building Permits \$309,700 Issue in Township

The Township of Navanawa saw \$309,700 worth of new construction started during 1963, clerk Don McMillan reported this week.

In December just one permit for a \$10,000 dwelling was taken out. Throughout the year, 16 new homes were erected, as well as extensive renovations to Birch Hills Golf Club and an addition to Campbell Lodge, Campbell.

February was the township's biggest building permit month, with \$85,000 worth of permits issued. There were no permits

## Ski at Glen Eden For Third Season

The Glen Eden Ski Area has officially opened for business for its third year.

The area is located just west of Highway 25 and south of Highway 401, in the Sixteen Mile Creek Conservation Area. This year officials announced the purchase of a modern, archimedean snowmaking machine which guarantees good skiing conditions.

George Davis, president of the Ski Development, had two tons of opposition for the opening and noted several important improvements have been made this year.

Included in the improvements is the fact that the spring that created so many headaches along the lower main tow line and ski hill in the past has been completely diverted through a buried pipe to the snow making reservoir on the far west side of the main hill. Also, the East Trail has been widened, making it much safer for intermediate skiers.

Don Smith, who served as Ski Patrol Leader last season is performing his Patrol duties again and in addition is operating the Ski School.

Mr. Davis also mentioned that a small chalet has been built just below the main club house so that injured skiers can be attended to.

If you find life is empty, try putting something into it.

There were 10 percent fewer cows in Canada in 1961 than there were in the 1930's but average production per cow increased more than 50 percent.
