Our Boys will Shine Again Minstrels Get Action Format

The Lions club Minstrels are going to get up off their chairs and move around this year. The new directors of the popular two-year old show, Mr. and Mrs. Jack Carpenter, have planned several production numbers that will be movable scenery and plenty of action.
There'll be a Dixieland band this year, too, composed of some of the swiftest members of Acton Citizens' Band.
The first half of the show will be in the tradition minstrel show format, and the second half will have plenty of variety.

First Practice
The first organization practice meeting was Tuesday evening in the parish hall. The Carpenters sketched their plans for the nucleus of the cast. More singers will be out for future practices.
The fitting "Our Boys Will Shine Tonight" which has practically become the show's theme song, will be included again.

Promote Mayor Duby To Beardmore Staff

Ed Duby has joined the payroll staff of Beardmore & Co. Limited, and his duties will require his close association with the company's supervisors and production personnel.
In making the announcement of Mr. Duby's appointment, W. J. Hearty, president and general manager, stated that this was in keeping with the Company's desire to offer, whenever possible, improved opportunities, first to its own employees, and secondly to the residents of the neighborhood. Mr. Duby has been with Beardmore & Co. for 24 years and has always been a very conscientious employee. The discharge of his responsibilities as committee and mayor has undoubtedly broadened Mr. Duby's experience, and this will be useful to him in carrying out his new duties.
The inaugural meetings of Acton Hydro Electric Commission and public school board are both tonight (Thursday).
