## Costly Underwear!

In a recent charge of impaired driving the driver told the magistrate that fallen underwear caused him to stagger when he left his car. He went on to explain that a button in his two-piece underwear suit broke, causing the pants to slip below his waist, hampering his walking.

After hearing police evidence that the driver staggered, smelt strongly of alcohol and was unable to complete some of the sobriety tests the Magistrate fined him \$100.

The oil painting classes which took a long winter recess the end of November, began again last night (Wednesday).

## Good Reason!

Authorities in Malaya were puzzled by the increase of hit-and-run accidents. They soon found out why! During the past two years, 60 drivers who had hit local residents and stopped to help, were promptly lynched by irate neighbors!
