OLDS-a sure feel for action -a solid sense of value!

Point an Oldsmobile toward the horizon and let her go. That's Rocket power you feel pushing you deeper into your seat. And every Olds has it in good measure. How good? Up to 345 hp with the Starfire V8.

Now, take Olds over back roads. Yes, those are bumps you see but don't feel. Oldsmobile's

balanced coil spring suspension takes care of that. Pilot an Oldsmobile into a crowded city can-

yon. Notice how smooth and relaxing downtown

driving just became. That's because Oldsmobile's famous Hydra-Matic Drive, Roto-Matic Power Steering and Pedal-Ease Power Brakes (optional at extra cost on some models) take on the effort, and leave you the fun.

Sooner or later, you'll get that Oldsmobile feeling. And when you do, your Olds dealer is the man to see. He has 21 variations on the Oldsmobile action and value theme. Buying any one makes very good sense.
