Cater to Convention
The regular monthly meeting of the W.M.S. and Ladies Aid was held on Thursday afternoon at the home of Mrs. M. Mullin. The program in the Glad Tidings was used for the W.M.S. meeting. Several letters were read. One of them from Miss Elsie Lavery, a missionary who will be returning to her work in May, and suggested several articles that would be helpful for her work such as remnants for children's clothing, Bible bags, games, picture books and many other small items. It was decided to bring donations to the April meeting and Mrs. Morris will see that she gets them.

The Ladies Aid devotions were read by Mrs. V. Norris and she occupied the chair for the business meeting. The trays that were purchased were on display and

some plans were made for the annual tea to be held in June, also to cater to the Diabetic convention which is being held in Toronto in July. They are to tour this part of the country and stop at the church for lunch. This is the first time this convention is to be held in Canada.

The Churchill U.C.W. thanksgiving meeting is to be held in the church on Wednesday evening, April 1 at eight o'clock. We are indeed honored and pleased to have the promise of pictures and descriptive talk on their own experience in Japan as missionaries of Mr. and Mrs. Len Keighley (nee Isabelle Stephenson) daughter of our old pastor, Rev. George Stephenson now of Toronto. This is especially for men and women and all are welcome.

Swackhamer, opened the meeting and called on Mrs. W. Thompson, who had devotions, opening with the hymn "What a friend we have in Jesus." The topic, "Where do you live?" was given and the scripture was read from St. John, chapter 3, verses 12-18. She closed with prayer. Mrs. A. Damm read a chapter of the study book and held a very good discussion.

In the absence of the secretary, Mrs. B. Leitch, Mrs. R. Denny took the minutes and also accepted the offering and Mrs. W. Swackhamer dedicated it. The roll call was answered by each telling where they do when they do as they please, which was quite varied. Several plans and business were dealt with. The meeting closed with the Mizpah benediction. A dainty lunch was served by the hostess, Mrs. Williamson and Mrs. Damm, Mrs. W. Swackhamer and Mrs. F. MacArthur. Mrs. L. Swackhamer thanked

Mrs. Williamson for her hospitality and the use of her home.

Maple Syrup to Maple Leaf Canadian Theme for Institute

Limehouse Women's Institute met at the home of Mrs. S. Glsby on Monday afternoon, March 2. The meeting followed a dessert lunch at 1 o'clock.

Mrs. Glsby, convener of agriculture, chose maple syrup for the theme of the meeting and different desserts with maple

syrup content were served by Mrs. Frank Brown, social convener, and Mrs. Glsby. There were nine members and four visitors present, the president Mrs. Roughley presiding.

The meeting opened with singing. Birds are singing. The roll call was my favorite maple syrup recipe. Mrs. Ted Brown, secretary-treasurer, gave her reports. Several items of business were discussed, arrangements made for a euchre at the home of Mrs. Karen on March 13, convener reports followed: citizenship and education, Mrs. Harry Brown, Friends made in pen and ink; Historical Research, Mrs. Kirkpatrick, "The old wood box".

The motto was given and well prepared by Mrs. Harry Brown. "The sluggard who does not plough in autumn, will seek at harvest and have nothing." At 3 p.m. a group of students from Limehouse school entertained by singing the "Maple Leaf", which was much enjoyed.

Mrs. Glsby read a paper on the making of maple syrup and the various ways it can be used. Mrs. Glsby served another cup of tea and also concluded a quiz on Ontario's driver tests. Most of the ladies showed they had quite a knowledge of good driving rules.

Plans are underway for a rummage sale in April at the parish hall, Acton. The annual campaign with Paul Armstrong of Georgetown in charge of this area, commences May 6. The Acton Auxiliary will contribute extra time and effort to make this a successful project.

Mrs. Jim Cashburn returned the travelling apron. On cutting the donations members found it a wonderful success. To conclude the meeting Mrs. Chester Anderson read an interesting article from the monthly newsletter, Who is to Blame? Lunch was served by the hostess.

Women would be easier to live with if their sense of humor was as keen as their sense of rumor.
