—Don't forget the new postal rates for printed matter went into effect yesterday. Greeting cards cost three cents now.

—The arena ice will likely be let out about the middle of April.

—Christmas holiday weather for the Easter holidays. The youngsters who had counted on bicycle trips and hikes for holiday fun are at a loss. It's too cold to play outside.

—Long distance operators at Guelph have begun briefing callers on giving numbers of area codes rather than the place names of cities or towns they're calling. Anybody else find remembering this next to impossible? And this comes the same week that we have to fill in our cards that will give us all numbers. It's a wonder there hasn't been a great deal more protest!

—The new post office has been open exactly a year now.

—Caretakers are polishing up the schools during the holidays.

—Dates for the curling club bonspiel were set weeks ago before those affected realized they conflicted with Easter holidays. However, the bonspiel is over and there's public skating the rest of this week.

—The interior of the Rumley-Shoemaker funeral home will be quite changed when alterations underway there now are completed. Funerals will be conducted in the new room on the right of the building extending back into the existing room and large funerals will be much more easily accommodated. A new basement room will also be constructed.

—An information sheet is being sent out to all who attended the Senior Citizens' meeting to find out interests, meeting date preferences, hobbies and suggestions for others who might join.

The evening following the general meeting, Tuesday, April 7, at 8.30 p.m., has been set aside for the Labatt-sponsored film of the Laston-Clay title fight.

Two boys, Tom Ginger and Jimmy Ware, received their first class scout badges two weeks ago. Two tenderfoot, Raymond Hawkins and Chris Norman, have just been invested.

One patrol is going out on an overnight hike this weekend with Roy Hawkins. All three patrols will be out for overnight hikes before long.

Employees Honor Deputy-Sheriff

Employees of the Halton County administration building, Milton, gathered to honor retiring Deputy Sheriff Clebert McDowell of Hornby, on Thursday afternoon of last week. Mr. McDowell retired at the end of the month, following over five years in the position.

Judge G. E. Elliott made the presentation on behalf of Mr. McDowell's fellow employees in the building, including two wall plaques and an engraved plaque in recognition of his years of service. Members of the Halton Social Club served cake and ice cream to the guests, who included Mrs. McDowell.

An Order in Council is set to be passed by the Ontario Cabinet, A. A. Russell, Assistant Deputy Attorney General of the Provincial Government, was contacted Wednesday by this newspaper but he could not say when the Order in Council would be approved, except it would "be very shortly".
