

Fergus Wins 5-4

(Continued from Page Four) They were awarded at the 9:51 mark when Rip Tippin combined with Harper and Wenzell to drill the equalizer. Again, it caught the blue line brigade out of position.

Both clubs had chances in the final 10 minutes and the netminders made some fine saves. A penalty to Tippin of Fergus in the last two minutes of play gave the Tanners a real opportunity but they failed to come through.

Overtime
Overtime found the two teams visibly tired but they went at it hammer and tong. The Tanners took the play into the Fergus end and were repeatedly victimized by Prickett. Townsley went right through at about the six minute mark, pulled Prickett out and let fly, but the Flyer goaltender's stick glanced the puck just off the post.

Finally at 7:55 of the overtime, Larmer's screened drive from directly in front bounced in off a leg to wrap it up for Fergus. The Tanners pulled their goalie in the last minute and Armelt broke into the clear but with nothing but an empty net to hit, his shot bounced off the post.

The Flyers were jubilant, the Tanners dejected. Both teams knew they had been in a hockey game.

Referees: McDougall of Harris-

ton and Woods of Listowel kept the game well in hand with 16 penalties, nine of which were served by the Tanners.
