## Real Estate Open Listings Can Have Disadvantages

Many people who have property to sell are confused when a real estate broker does not wish to take on the task of selling their property on an 'open listing' basis.

Why is it that most successful real estate organizations refuse to accept an 'open listing' to sell your property? Why should you give a realtor an exclusive listing to sell your property or list it for sale through the Multiple Listing Service of your local Real Estate Board?

### New Choir Gowns. On Easter Sunday

In spite of winter-like weather outside, Everton Christian Church (Disciples of Christ) was spring-like inside, with Easter lilies, spring flowers and ferns gracing the front of the sanctuary for the special Easter services.

The junior choir, in their new choir gowns, sang "The day of resurrection," accompanied by Marilyn Kingsbury at the organ.

**New Gowns**  
The gowns, of blue, with white collars, were the gift of the Christian Women's Fellowship and were dedicated by Rev. Byron F. Howlett, who stated the gowns were a symbol of love and devotion, to the glory of God and the church.

A very fitting sermon, "The resurrection message" — Matt. 28 — was given by Rev. Howlett, who stated that Jesus came to give life to the broken hearted, the man who has slipped, the bewildered and the skeptical. There is a growing need to study, and know God, that one may have a more abundant life.

A goodly number of members and visitors were present.
