## Farmers Fear Brampton Well May Drain From Milton Area

YOU ARE INVITED

tion? Did 300 go to the church of your choice during this

Easter season? Let this become a habit from Sunday to Sunday. The Lord Jesus has said He will be there, why not form the hable of meeting Him there. He will not disappoint any who

May we, the churches of this community, ask you a ques-

and pardeners are worried over farms. "A temporary restriction the town of Brampton's plans to could cause hardship and loss, develop a new well supply in and to be without water at all their area, for they fear the for even a short period would be Brampton well will seriously al- ruinous," their brief states. fect the present private wells in There has been a severe shortthe village and force many who age of water there recently, and depend on water to close their some people have even had to

In a brief presented to the their homes. Hon. William G. Davis, M.P. for Feel Co., the farmers committee suggests the new Brampton well could even rub hundreds of fertility -- even as far away as the Niagara Escarpment near bere, or the Caledon Hills.

Leo Butt of Huttonville is the chairman of the committee protesting the Brampton well, and a group of 200 interested area residents are backing the committee in their protest.

Brampton has received approval for a test well and test pump area much beyond the vicinity ing near Huttonville and the well is already dug and ready for tests. The committee points out stort rendents of Huttonville If you think the world owes area depend on their water wells you a living, hustle out and col for farms, truck gardens, green lest it.

The committee urges Bramp ton to examine possibilities of obtaining even more water from source miles of water needed for their present water source, work out an agreement with Metro Toronto for a new supply of city water, or investigate a pipeline to the lake.

This could dry up an area as far away as the Milton (Niagara) or Caledon escarpments," said Ed Collins, a committee member. This might adversely affect agriculture over a considerable of Huttonville."
