

Supper, Full Agenda For Dublin Institute

Nearly 30 members and friends gathered at the home of Mrs. Callan McInyre, 1100 Spring Road, Manassas, last Thursday night for the annual meeting of the Dublin Women's Institute. As usual, the meeting was preceded by a pot luck supper at 7 p.m. with a host of "goodies" to satisfy everyone.

Mrs. George Ironside of Georgetown and Mrs. McKenna of Woodbridge judged the fine class of muffins and cherry pies and these were served later as a dessert with ice cream. Mrs. Willard Britton was awarded first prize for her muffins and Mrs. Pearl Kennedy for her cherry pie. These ladies will enter the same competition at the Halton District Annual in May in Knox Church, Acton.

Mrs. Duncan Moffat, the president, conducted the meeting. Payment of dues and offer of homes was given for the roll call by Mrs. Norman Douglas, the secretary. Mention was made of the Local Leaders' Training School, the Girls' Achievement Day, the 75th dinner in Oakville, and the 40th anniversary of Mt. Union, W.I. as coming events of the near future.

A cushion designed by Mrs. Mansell Nellis and completed by Mrs. D. Moffat had been forwarded to Milton to be sent with articles from other branches to the convention in Nova Scotia in June. The preference for the Food Forum Course was signified by the members.

Members were urged to take their Handbook with them to this meeting. A donation was made in the interest of Pennies for Friendship.

Reports were given by the conveners of historical research and current events committees by Mrs. P. Kennedy and Mrs. J. O'Gorman respectively.

An interesting report of the year's work as well as the financial statement, was given by the secretary, Mrs. N. Douglas. The year has been a successful one with many activities. Mrs. G. Rogvaldson and Mrs. J. V. Dennis presented the auditors' statement.

Mrs. McKenna of Woodbridge, in a very entertaining manner, gave a short talk on "Culinary Capers", which was much enjoyed by the ladies. Mrs. William McInyre presented Mrs. Ironside and Mrs. McKenna with small gifts for their services in judging the baking competition. A former member of the branch who will be celebrating her golden wedding anniversary in the near future will be given a plant.

Be Truthful
In conclusion he urged students to be truthful at all times and if they made a mistake to admit it. "It is nice to have money but you can't take it with you," he said, as he stressed the importance of leading a good, clean, and honest life.

During the question and answer period questions varied from the fight business to the well-known rock 'n' roll "Beatles". Some of the queries included the following:

Q. "What do you think of Cassius Clay?" A. "He's clever and smart in one way — so smart he couldn't pass his exams to get into the army. He's a champion but I really don't know anything about his fighting ability."

Q. "Why did they call you the Manassas Mauler?" A. "I was born in Manassas and a very good friend, David Runyan, hung that name on me after I knocked out a few fighters."

Q. "What do you think of the Beatles?" A. "They are doing a good job. In fact I have even bought some of their records for my daughters."

Q. "When did you hit the peak of your career?" A. "In 1919 at the age of 24."

Q. "Who will win the Stanley Cup?" A. "I think Toronto, now has the edge."

Q. "Did you continue your education after quitting fighting?" A. "I read quite a lot but never went back to school."

Q. "Do you think there is much money in the fight game on TV?" A. "Gamblers want to get in on a sure thing but a few years back the fight commission weeded many out. There are still a few, however, and once these hoodlums have been gotten rid of, things will be better. Yes, some of it is phony on this account."

He was introduced by Principal E. A. Hansen and thanked by Michael Bevan, Mr. Dempsey and J. A. Nicholson of the DeVix Institute.

Randy Daly, president of the student council, informed the students that grade 11A had won the prize for selling the most magazine subscriptions during the recent contest. Top seller and winner of a transistor radio was Sandra Blyth who sold \$70.78 worth of subscriptions. Total sales for the school amounted to \$1,175 of which the student council hopes to receive \$468.50, much higher than last year.

Mac Sprowl Deputy - Sheriff Appointment Made Official

Although he began his duties April 1, Mac Sprowl just received word last Friday that he had been appointed deputy-sheriff of Halton county. He succeeds Clabert McDowell, working under sheriff Andrew Frank in the new administration building at Milton.

Delay in announcement of the appointment was due to changes in the Attorney-General's department because of the resignation of Fred Cass.

The letter Mr. Sprowl received reads: "His Honor the Lieutenant-Governor has approved the recommendation of the Hon. Attorney-General Arthur Wishart and the executive council that Robert M. (Mac) Sprowl be deputy sheriff of the county of Halton and an employee of the legal offices of the Attorney-General."

He has consequently resigned two political positions; he was president of the Esqueving Progressive Conservative Association and auditor of the Halton Progressive Conservative Association.

His duties include legal work and he appears in court in the traditional regalia of the office. He will be travelling all over the county serving legal documents.

Born in Esqueving, Mr. Sprowl was born at Lot 26 Concession 4, third line of Esqueving Township in 1927. He attended Brockburn Public School and Acton Continuation School. Some years later he studied Agriculture at Cambridge University, England and Farm Institutes in Wales, Scotland and Northern Ireland on a Laurd Nuffield Foundation Scholarship.

A Junior Farmer of long standing he served as Secretary and

In 1957 and 1961 he sought unsuccessfully the Halton Progressive Conservative Federal and provincial nominations.

GRAND PRIZE WINNER at the high school during the magazine subscription sale contest was Sandra Blyth. She chose a transistor radio as her prize and received it from president of the student council, Randy Daly. Grade 11A won the prize for selling the most subscriptions. A total of \$1,175 in subscriptions was sold by the students.
