

Leo Riemer Expands Business Include Showroom, Plumbing

Official opening of the A. L. Riemer Plumbing and Equipment Co. showroom takes place this weekend. The business is under the management of A. L. Riemer, an electrical, plumbing and heating contractor.

Mr. Riemer, who was born in Holland, came to Canada in 1951 and first settled in Hillsburgh where he started in the electrical contracting business. In 1956, he moved to Acton, gradually built up his business until his expansion into the plumbing and heating fields.

Done Many Jobs
Since coming to the Acton area, he has contracted many industrial, commercial and residential jobs including municipal pumping stations and schools.

Only through hard work and determination has Mr. Riemer been able to survive the frustrations of business. His good humor coupled with determination saw most of his contracts completed on schedule.

His current venture into the electrical supply business took months of careful study before the final decision was made. He saw an opening for a local showroom where patrons could actually see merchandise without being limited to a picture in a catalogue.

Big Choice
His modern showroom displays many varieties of lighting fixtures as well as bathroom units, showers and plumbing supplies. His up-to-date workshop at the rear of the showroom contains modern equipment for the plumbing trade and a large inventory of supplies.

Name Staff
On the staff is Mrs. Anne Thompson, who looks after re-

cords and greets customers with a cheery smile. John Oosterhof, who assists with electrical work and does repairs.

In charge of the plumbing department is long time Actonian, Frank Holmes. When he's not out on a job Frank can be found in the modern workshop making minor repairs and preparing materials.

Great Patrons
Mr. Riemer, known to his customers as Leo, is married, and

has three children, two girls and a boy. They attend the Christian Reformed Church.

This weekend Leo is holding a lucky draw for patrons who visit his modern showroom. He is looking forward to greeting many former customers and new friends.

Cats have highly developed vision and hunt by sight, while dogs rely on their keen sense of smell.

Spring Thankoffering For Mission Group

The Marion Rudd Mission of Acton Baptist Church met for the Spring Thankoffering meeting last Thursday evening at the church.

The meeting was opened with the reading of a poem by Mrs. J. Chapman and the singing in unison of the hymn "O Spirit of The Living God."

After a prayer, Mrs. G. Loft read a letter from the Baptist Mission Board concerning Dr. circle. It was decided to ask him to come May 19 and invite the Hillsburgh Mission Circle. Mrs. J. Chapman read from Acts, chapter three and gave a short devotional talk. Mrs. C. Landsborough gave a prayer for mission work.

Also present at the meeting was the B.H.F. (Baptist High Fellowship) group and a trio of their members sang "Praised Lord Jesus". Jean Bulmer, JoAnn and

The Acton Free Press, Thursday, April 23rd, 1964. B3
Donna Landsborough, Mrs. L. Bulmer accompanied them at the pictures. Bill Landsborough operated the projector.
