

At Queen's Park

By George Kerr, M.P.P.

The most welcome legislation presented to the Provincial Legislature this week was an act to amend the Retail Sales Tax Act. The Bill is to extend the exemption for sales tax to all bequests of personal property instead of just to bequests between certain close relatives.

Provision is also made whereby municipalities, school boards, hospitals, universities and certain similar institutions may buy materials for construction of buildings exempt from sales tax instead of paying the tax and later applying for rebate.

Effective June 1 This amendment will become effective June 1 next and will lessen the administrative burden of the organizations referred to above.

Business used to provide public transportation within the municipality, purchased on or after March 1, 1964, are now exempt from sales tax.

Department of Lands and Forests release that the trout season opens on May 1. Also that picture and pike seasons below the French River open May 9, and above the French on May 15. There is no closed season for blue pickerel except Lake Nipissing which opens on May 16.
