

Family Sunday Guest Speaker

Episcopal United Church was well filled on Sunday morning for the special Family Sunday service.

Horace Blyth, Sunday School superintendent, had charge of the service. Wayne Dunbar read the Scripture. Rev. W. Leeman introduced the special speaker, Rev. W. M. Blackmore, secretary of the committee recruiting from the head office, Toronto. He spoke on the church's mission to the world through the family, paying special tribute to womanhood.

Mr. Blackmore's text was (II) Corinthians 3:2. "Ye are our epistle written in our hearts known and read by all men."

The discovery of life and its meaning is made at home base. What happens to a person in formative years is very important. The Christian home is the place where persons are challenged to learn and grow. The clues come from God, but God speaks through the parents.

The capacity to let one another be themselves as real persons in their own right is important.

One Christian family has tremendous influence on a community. The home into which Jesus was born must have held love and understanding. "I am come that ye might have life, and that ye might have it more abundantly."

The importance of the Christian home today cannot be over-estimated. With God's help, we help to build the kingdom right where we are.

The young people sang "The Lord's My Shepherd".
