Carl Weir, high school student chosen for the Rotary's annual "Adventure in Citizenship" writes to his trip. He also spoke to the Rotarians at thely meeting Tuesday.

For me, the 1964 "Adventure in Citizenship" began with my arrival at Ottawa Airport on Sunday. There I was met by my host, Mr. Ronald C. Merriam, his three sons and a fellow adventurer, Harvey Hiller of Swan River, Manitoba, who had arrived earlier that day. At the Merriam home, I met Mrs. Merriam and was further acquainted with the program for the next four days On Monday, May 11, the adventure officially began with the adventurers assembling in the Convention Hall of the Chateau Laurier.
