Investigate, Seek Estimates For Service Road North of 401

Nassagaweya Council has decided to call in a firm of consulting engineers to investigate the possibility and price of constructing a service road running east of the Guelph Line to the Campbellville (No. 5) Sideroad north of Highway 401.

A committee meeting attended by all councillors Monday, members of council agreed to call in Proctor and Redfern for a preliminary study and cost estimate. Council recently received

a petition from Campbellville ratepayers, protesting the number of heavy trucks using the county roads through the village.

Councillors feel the service road would carry truck traffic away from the village and would give the county a chance to improve the Campbellville Sideroad. It was also felt it would open up

industrial development, close to Highway 401. The road has been under discussion since last December.

At Monday's meeting the township's insurance program was reviewed with a representative of the Frank Cowan agency, and was renewed with one added clause covering crop insurance.

LEGION NOTES FOR BRANCH 197

By George Ware

As the flag issue rages on parliament hill, Legions throughout the Dominion are promoting the Red Ensign as Canada's flag.

Many ways of promotion have been used, such as floats, donations of the flag to their towns to fly on municipal buildings and many, many more.

Branch 197's main promotion is the donation in the last few years, of Red Ensigns to the town to fly on Victoria Day and other special occasions.

Results so far, in the questionaire shows that Branch 197 is in favor of retaining the Red Ensign as Canada's national flag. The percentage runs about 90.95 per cent in favor.

This is your last chance to get your questionnaire answered and in to the branch. Our president, Jim Gunn, meets with other Halton Legion presidents and M.P. W. Henry Harley in Oakville this Saturday, May 30, to let the government know how Halton Legions stand on the flag issue.

The Red Ensign is Canada's Flag. Keep it Flying!

This Saturday, May 30, is the Acton Open Golf Tournament and this should be a good proving ground for Legion golfers for the Legion zone tournament to be held in Georgetown on June 20. Let's see some good golfers in our one tournament from Branch 197 this year!

June is a busy month on the sports calendar for the branch as Acton teams will journey to Mount Dennis on June 6 for the Provincial dart tournament, to Woodbridge on June 13 for the Provincial euchre tournament, zone golf in Georgetown on June 20 and zone horsechocs in Georgetown on June 27.

The Acton Legion Softball Team started off the season the same way they ended the 1963 season in winning form. John Salmon pitched a fine four-hitter as the boys downed the LGA, 5-1, by the overwhelming score of 13-2. Good start, lads!

Sound Truck Plugs Y's Men's Regatta

Acton Y's Men's Club members are enthusiastically advertising their annual regatta to be held at Fairy Lake, June 20.

Large signs have been placed on a truck along with a public address system and members take turns touring the town announcing the event. Club members are selling tickets door-to-door.

Last year the regatta was a huge success and interest was keen, not only among competitors but the large crowd which gathered to watch the races.

Firemen doused a small grass fire Sunday afternoon at the R. R. 4 home of Mr. and Mrs. Bob Armstrong.

In the practical side of newspaper and radio work, he has corresponded for several metropolitan and provincial dailies as reporter-photographer and feature writer. Many of his photos grace the pages of Milton High yearbooks.

With architect W. Haskett forecasting the completion of the additions to the Glen and Stewarttown Schools as Christ-

mas, driving on an expressway—especially at night—is like Russian roulette; you never know which driver is loaded.
