Police Check 80 Bicycles In School Safety Campaign

Rockwood — A Bicycle Safety Campaign was held at Rockwood School on May 22. Constables Crookill and Collins of the O.P.P. were present during the tests to examine approximately 80 bicycles brought to the school by the children. After careful examination of the bicycles, the children were taken into the school, where they were given a very informative talk on safety by Constable Crookill. Those whose bikes were not in good condition — and there was a large percentage — were told how to improve them. The ones who passed the safety test successfully were given a safety sticker. Good bikes were given a sticker with a star.

A letter was read inviting all members to participate in "Marian Day" to be held in the Hamilton Stadium on Sunday, May 31. The League members will have a booth at the auction sale of Mr. and Mrs. Charles Robertson on Monday, May 25. Mrs. William Gillfillan was named convener and will be assisted by Mrs. Paul Dicca, Mrs. V. Synott and Mrs. G. Wheeler.

Rev. Father A. S. Callaghan addressed the meeting briefly, commenting favorably on the recent Confirmation exercises held in the parish and urging all members to give their support to the auction sale in the Rockwood town hall.

"Talent Money" Theme
A draw for a free banquet ticket at the June C.W.L. Convention was won by Mrs. H. Coulson. The ladies of the C.W.L. decided to adopt a Talent Money theme in raising money for an improvement fund for the parish.

The first project will be a well and deep-well pump for the parish house. A eucharie is planned for Wednesday, June 3, to be held in the new home of Mr. and Mrs. Pat Dales, R. R. 1, Rockwood.

Many box tops etc., were returned at the meeting for the Golden Book for Charity campaign. More are needed before the first phase is completed. At the close of the meeting, lunch was served and the members were entertained with moving pictures of the recent Confirmation and various League activities.

Tely Carriers Tour Toronto

Dennis Death had a very enjoyable weekend in Toronto as one of the 2,000 carrier boys who were guests of the Toronto Telegram. Dennis delivers Tely in Rockwood and received his 15 points that qualified him for the Toronto trip. Two points for a daily subscription and one point for the Saturday edition were given to the carriers.

He left at noon on Friday and visited the stock car races. Saturday morning the boys were taken on a tour of the Telegram Building and saw the makings of their paper in its different stages. In the afternoon they were taken to a show.

Dennis arrived home Saturday evening very enthusiastic about his trip and an experience he will never forget.
