

BALLINAFAD

Two Presentations at U.C.W. Last Euchre of Season Held

The U.C.W. held a picnic meeting at the manse last Tuesday when the ladies of the church enjoyed a pleasant afternoon. During the afternoon, Mrs. Fleming was presented with a beautiful brooch and earrings before leaving for Lake of Bays the end of June, where Rev. Fleming has been stationed; also to Mrs. Tom Gibson, a lovely Coronet rose bowl. She, too, is moving to Georgetown next week.

Both will be missed from the church and community.

Final Euchre
The last euchre of the season was held on Tuesday night with 15 tables playing. High scores were Mrs. Snyder, Mrs. Sinclair, Basil Wastell and Alex Smith. Lucky draws went to Mrs. C. Vary, Mrs. R. McEnery, Mrs. H. Switzer and Mrs. Snyder.

Mr. and Mrs. Donald McLean spent a few days last week in Hamilton with Mr. and Mrs. Clayton Bewick.

Congratulations to Mr. and Mrs. John Hancock on the safe arrival of a baby son; also to Mr. and Mrs. Fred Spear on a young son.

Mr. and Mrs. Tom Van Darnen are enjoying a visit with the former's mother, who arrived in Milton last week from Holland.

Presentation Held
(Intended for last week)

A presentation was held in Ballinafad Hall for Mr. and Mrs. Tom Gibson, who have sold their farm and are moving to Georgetown. C. E. Snow, chairman, asked Mr. and Mrs. Gibson to come to the platform.

Mrs. F. J. Shortall read an address and they were presented with a lovely pair of stopper tables and a coffee table. Both thanked all for the gifts and after singing "For They are John's Good Fellows," all went to the manse for lunch.

The evening was spent in dancing to McInery's orchestra.

Mrs. Annie Vannatter and Mrs. Edith Starrett called on Mrs. Donald McLean on Sunday.

PEACE PERFECT PEACE
There are those who ask, "Is it possible to have this kind of peace in such a troubled, frightened and confused world? The answer is a definite affirmative, not because of anything that we can do, but because of what Christ has done. Before He went to the Cross He said to His followers, 'My peace I give to you. My peace I leave with you; let not your hearts be troubled, neither let them be afraid.' Have you found this peace. He so freely gives?"

Figures in Annual Report 631 Prisoners in County Jail

The Halton County Jail in Milton played host to 631 prisoners during the year ending March 31, 1964, according to a report on jail activities submitted last month to Halton County Council and the Deputy Minister of Reform Institutions.

Of these, 587 were committed during the year. They included 598 men and 33 women.

53 Cents a Day
Jail expenditures for the year totalled \$63,228.36, for an average per prisoner cost of \$100.20. Food cost per day per prisoner ran to 55.36 cents.

Food cost \$2,987.82; clothing, fuel and maintenance \$2,520.85; officers' salaries and surgeons' fees \$55,327.88; and alterations, additions and repairs to buildings \$2,391.81.

Figures show the jail has accommodations for 28 men and three women. The prisoner occupancy ranged from a low of two to a high of 26, with never more than four women in custody at the same time. Average daily population was 14.48 and there were 226 days with no female inmates.

Liquor Offences
The majority of prisoners were committed for liquor and traffic offences. In all, 270 were placed there on charges of drunk or impaired driving, intoxication or drunkenness, and other liquor offences (of which 250 were sentenced); and 74 were committed for careless driving, criminal negligence, driving while under suspension or without a licence.

Of the total, 341 admitted elementary education while 246 indicated advanced education (high school or better). Only eight were abstainers while 487 were listed as temperate and 92 intemperate. And 501 were Canadian-born compared to 19 English, Irish and Scotch, seven United States and 60 born in other countries.

The majority held laborer and transportation occupations. On the other hand, one prisoner was sentenced to penitentiary while seven ended up on industrial farms and 62 went to reformatory. Eleven were confined to the Ontario Hospital or other place of confinement.

4-H Members, Parents to Attend Three Meetings on Farm Safety

Farm fire prevention is the theme of three meetings that all Halton County 4-H members will attend June 22-25. These meetings are going to be held at farms in three areas of Halton County. Locations for these safety meetings are the farms of W. H. Merry, Mell McCullough and Brock Harris.

The 4-H meetings are sponsored by the Halton Fire Prevention Council. Members of the Safety Council who will be chairman of one of these meetings are Mac Sprout, John Willmott and Mrs. A. R. Coulter.

Hazard Hunt
When the 4-H members arrive at the farms, they will be divided into teams for a "hazard hunt" through the busy farm. Later, demonstrations will be given by the agricultural engineers on methods of extinguishing farm fires, and on recognizing farm fire hazards.

The Halton Fire Prevention Council is donating prizes for lucky draws and is also providing lunch for everyone present.

Since this is a meeting which concerns both 4-H members and their parents, the 4-H members have been asked to invite their parents to attend.

25% of our customers save a lot of money.

The other 75% save an awful lot of money.

All of our customers use natural gas and save. But 75% of them are using natural gas for home heating too—and saving an awful lot more money in the process! We have over 1/4 of a million satisfied gas customers here in Southwestern Ontario, who have discovered—you just can't beat natural gas for dependability and economy.

The truth is: *The trend today is to modern gas heating.* Consider the fact that in the past year, the Natural Gas Industry supplied more energy to the Province of Ontario than all other power utilities combined! And when you look at the many advantages of natural gas, you'll see why so many people prefer gas heating to any other system.

You never have to order natural gas—it's always there, ready to heat your home. Stormy weather can't stop it, ever. No other fuel is so dependable.

Initial installation costs for gas equipment are lower than for liquid fuel equipment. And whether your home has extra-thick or normal insulation, fuel costs for gas heating are consistently lower than for other systems. You never have to worry about service, either... it's free. (Natural gas originated free service.) In fact, gas saves you money in every aspect of home heating.

These are just a few of the reasons that give gas heating the lead in every way. No wonder more and more smart home-owners are making an early switch to gas heating!

Better look into natural gas heating for yourself right now. Isn't it time you found out what all the saving's about?
