

Rockwood NEWS and SHOPPING GUIDE

IN THE AIR with a running broad jump is Eddie Gooyers at Rockwood school field day last week. Competition was keen with many contestants vying for championships.

From Parade to Dance, Carnival Success; Proceeds for Training

Rockwood: What is so rare as a day in June? Nothing when it includes the Rockwood Fun Fair Carnival.

The activities officially began with the parade up Main Street to the fair grounds, led by the fire truck and the Guelph Sea Cadet Band. Then came dozens of gaily decorated bicycles, horses, the Boy Scout and Cub float, the Grade 8 graduating class float and the home-made steam engine driven by its owner, Walter Hunt.

There were fun booths where one could throw rings and win prizes, or throw balls and knock over rabbits. Then there were the hopefuls who spent a great deal of time at the penny toss and pistol shoot. Pils of homemade baking dispersed into many different homes to be enjoyed over the weekend.

Handcrafts of every description — from jewelry to barbeque aprons — were very attractively arranged.

Won Lace Cloth
The Attic Treasures had a great deal of appeal, and a lot of good reading changed hands at the book stand. Tickets were sold on a beautiful lace tablecloth, which was won by Mrs. Wilma Langdon.

Have you ever seen a child who didn't want to try the fish pond? These fish are a little tricky to catch, but it's fun trying. Those who tried the Cake Walk were rewarded with some

beautifully decorated cakes for weekend eating. The ice cream and poppicles were in great demand on such a hot day and created a buzz of activity.

Hot dogs, pop and candy bars.

OBITUARY

Life-Long Resident Of Rockwood Area

Rockwood: The sympathy of the community is extended to the relatives and friends of the late Mrs. Harry Oakes, R. R. 1, Rockwood. Mrs. Oakes was a life-long resident of the Rockwood area and passed away after a lengthy illness. She is survived by three daughters, Agnes (Mrs. F. Ostrander), Rockwood; Emma (Mrs. Ed Cox), Guelph; Jean (Mrs. R. Martin), Guelph; and three sons, James of Guelph, and Charles and William of Rockwood.

The funeral service was held from the George Wall Funeral Home, Guelph, and was in charge of G. H. Williams of Missions United Church.

The pallbearers were Hunter Coulson, Robert Major, Lorne Allan, Bernie Harper, Elmer Duffield and Harold Cox. The flower bearers were all grandsons, Gordon Ostrander, Donald Martin, Ronald Cox and Lloyd Oakes. Interment was in John Con Cemetery, Eramosa.

with coffee for the adults, kept the refreshment booth a popular place. When a rest was needed, the Butter Tart Bar offered chairs for relaxation while you enjoyed your tea or coffee with tart and ice cream.

The field day during the afternoon kept the children busy and those who wanted fringe benefits could go for a pony ride or jig along in a colorful cart pulled by a cute gray donkey.

Ball Game, Dance
At 7 p.m., the Centre Inn ball club played the Acton Firefighters, the game ending in a 4-4 tie. The activities then moved from the fair grounds to Rockwood school, where Howie's orchestra provided the music for the Starlight Dance.

The lucky ticket draws were won by Mrs. Pat Dales of Rockwood, for the motor driven barbeque; Pat Mault of Guelph got the electric hair dryer; June Thomson of Rockwood won the Cuddly Cathy doll and wardrobe. Ten other prizes were given during the evening. Mr. and Mrs. Pete Fisher of Oupring took the prize for the longest married couple present.

Sincere thanks are extended to all who worked so hard to make the event a success, especially Mrs. Monty Root and her most cooperative committee. With the proceeds from the carnival, Joan Hills, Mary Coulson and Garry Bowen have been sent for one week's recreational training to Camp Nayfeldt near Brampton. This will benefit all children in the area who need supervised recreation so badly. It is hoped that a Recreational Board can be set up in the near future.

We live and learn, and next year's Rockwood Fun Fair Carnival, we are sure, will be even bigger and better than this, the first attempt.

Teacher Given Wedding Gifts

Rockwood: Mrs. Lapp, the former Miss Nell, the P.T. and auxiliary teacher at Rockwood school, was presented with several appropriate gifts by pupils and teachers recently on the occasion of her marriage. The wedding ceremony took place in Snyder, Ont., on Jun. 13. The newlyweds will make their home in Montreal.

Parents and children are greatly indebted to Mr. Lapp for the physical training she has taught at the school. This enables the pupils to enter collegiate prepared and ready for future instruction.

Answers Complaints On Terra Cotta Pool

"We have never had a bad report on the water in the swimming pool here at Terra Cotta in the seven years we have operated the area," R. K. Parker emphasized at an executive meeting of the Credit Valley Conservation Authority recently. Mr. Parker, an engineer with Beardmore and Co., is Chairman of the Flood Control and Pollution Advisory Board of the Authority.

Mr. Parker was answering questions of the executive committee following rumors in the local press about the swimming pool being dirty.

Test Samples
General superintendent N. J. McMahon said that following spring break-up, the pool is drained and cleaned, then flushed with the fire hose to make sure that no silt remains on the shale rock bottom. Samples of the water are sent to the Ontario Department of Health Laboratory at least once a week during the swimming season and extra checks are made on holiday weekends.

The spring-fed pool sometimes looks murky but this is caused by beach sand being stirred up in the shallow water by swimmers and small children playing at the water's edge. Mr. McMahon said that the only way to stop this murkiness is to cement the pool and install a filter system. The filter alone would cost \$75,000 and cement installed in a natural stream would become extremely slippery and dangerous.

JEALOUSY
How do you stop your husband from staying out late at night? When he came in late, I called out, "Is that you, Jim?" And how did that stop him? Harry is the jealous sort.
