Bus Trip Sponsored By Dublin Institute

A most enjoyable bus trip was taken last Thursday. Dublin Wo- men's Institute sponsored the trip and 43 members and friends left at 8 a.m. for Oshawa. They toured the General Motors plant which was most interesting, had lunch and after shopped for a short time at the Plaza there.

Early in the afternoon, the party came to the Yorkdale Mall at Toronto. Some busked over the stores and others enjoyed shows. At 5:30 dinner was served at Eatons to all the ladies.

The evening was spent touring the new International Airport at Malton which was interesting to all, and all were amazed to hear that 4,000,000 passengers had come and gone from Malton Airport last year. The annual bus trip is anticipated each year, not only by the members but guests.

This year the convener, in charge of completing the plans were Mrs. Norman Douglas and Mrs. Frank McCarron.

St. Alban's annual congrega- tional picnic was held Sunday following services at Statley Park, Fern. A bus was provided.

The pick-your-own-strawber- ries ad in the Free Press took plenty of customers to Pinebrook Farm on No. 25 Highway. The pickers said the berries were "beautiful."
