

IN A CANDLELIGHT service at St. Alban's Church, Diane Shultis and Dora Leonard Matheson were married. The reception was in the Legion Hall.

Matheson-Shultis Wedding Solemnized by Candlelight

White chrysanthemums decorated St. Alban's Anglican Church at the evening candlelight service for the wedding of Diane Fern Shultis and Dora Leonard Matheson.

The bride is the daughter of Mr. and Mrs. Charles Shultis of Acton and the groom is the son of Mr. and Mrs. Joseph Matheson of Acton. The double ring ceremony was performed by the Rev. D. H. West.

Given in marriage by her father, the bride wore a Provincial wedding gown with shirred bodice of silk peau de soie. The back had a plume of French lace and tulle and the jewelled neckline was trimmed in French lace and tulle.

The gown was full length with full length sleeves. Her tiara of seed pearls and rhinestones held a brilliant illusion shoulder-length veil and she carried a white Bible with red roses and white streamers.

The bridesmaid, Miss Deanna West of Acton, wore yellow nylon over tulle with a yellow pillbox hat and matching accessories. She carried a bouquet of bronze chrysanthemums.

The best man was Jack Coleman of Acton.

For the reception held in the Legion Hall, the bride's mother received her guests wearing a three-piece jacket dress of yellow boucle with white accessories and a bronze orchid. The groom's mother wore a malt shantung dress with beige and malt accessories and wore a corsage of white roses.

For a wedding trip to Niagara Falls and points south, the bride donned a matching coat and dress of flamingo pink with white accessories and a corsage of white carnations.

Honored guests at the wedding were the bride's grandparents, Mr. and Mrs. George Fryer of Acton and Mr. and Mrs. A. Shultis of Rockwood.

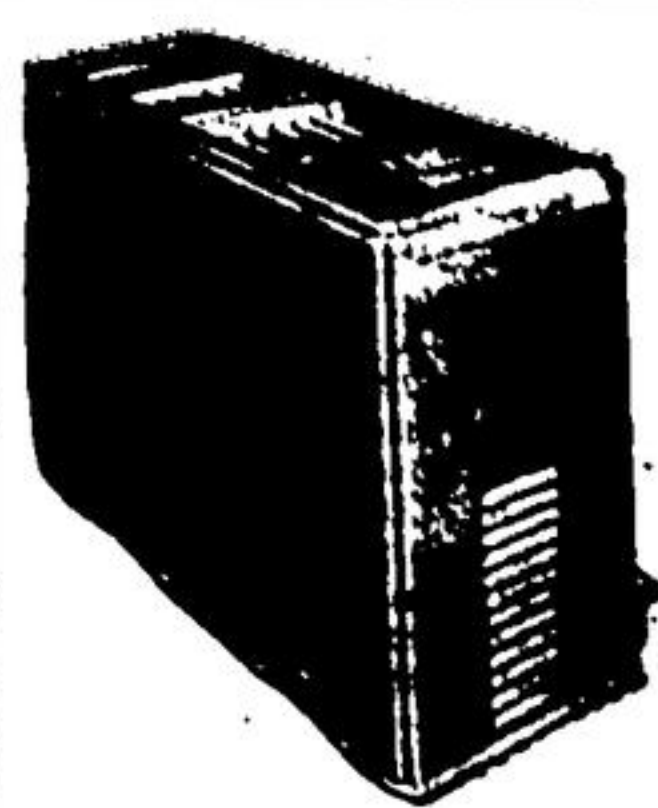

Several Showers Prior to her marriage, the bride was guest of honor at three showers given by Mrs. George Fryer, Mrs. Robert Cannon, Mrs. Henry Wedge and Mrs. Alvy Gordon; also one by Mrs. Norman Fryer; a third by Miss Deanna West and Miss Diane Matheson.

September, October Dates Set For 4-H, County Plow Matches

The directors of the Halton Plowmen's Association met in the Agricultural Office, Milton Plans were made for the Junior Plowing Match for 4-H and Junior Farmer members to be held on Saturday, September 12.

The local day is scheduled for Saturday, October 31, in Burlington. This year, no one under the age of 12 will be permitted to compete in the plowing match. This rule was passed in an attempt to prevent accidents.

A "Queen of the Furrow" competition will be conducted again this year. Under the committee of Ed Segsworth, Mrs. Spencer Wilson, Mrs. James C. Reid and Jack H. Taylor. Nominations must be between the ages of 16 and 25 before November 1, 1964.

Soviet, French Representatives Field Questions from U.N. Seminar Delegates

By Axel Niesseid
Well, I was supposed to report on this newspaper as well as our six-man delegation, consisting of Gay White, Margie Mackenzie, Carol Swackhamer, Tommy McKeown, Don Long and Axel Niesseid, returned from the University of Waterloo, so here goes.

We arrived there on Sunday, June 21, and the delegates were registered and shown to their rooms and residences. We then attended a reception given by the Students' Council.

Many Meetings
On Monday and Tuesday, we heard speeches by various people and went to our first General Assembly and committee meetings. The committee meetings lasted till Thursday, at which time we had the final session of the General Assembly. There, the resolutions were debated once again and either passed or

defeated. Among the various resolutions discussed were one praising the U.S.A. for passing their Civil Rights Bill, one regarding the Cyprus problem, one discussing the possibility of the People's Republic of China (which, by the way, was defeated by a narrow margin of six or seven votes), one dealing with the attitude of the Republic of South Africa towards all colored people, one dealing with the problems of multi-lateral trade agreements among the nations of the U.N., one dealing with the Palestinian refugee problem, and one dealing with the Indonesian-Malaysian problem. There were also four others of lesser importance.

Debate U.N.
Among the highlights of the week were an address on the General Assembly and its com-

mittees by Mr. Thibault from the Department of External Affairs at Ottawa and on Monday night, a debate on "The Uses and Abuses of U.N. Peace-Keeping Forces."

The active participants were A. Ivanov, first secretary, Soviet Embassy, Ottawa, and Monsieur P. Morizot, French Consul General, Toronto. These distinguished gentlemen answered and practically all questions put to them. The Soviet delegate was especially busy and courteous in holding the questions put to him.

We also heard an address on "Problems of Technical Assistance" by Mr. Z. Santiago, a Brazilian, who now works for the Quebec Hydro-Electric Commission.

On Wednesday night, we had International Night, where delegates from different countries

sang and danced and put on skits. Much fun was had by everyone.

On Thursday, we had a Grand Ball, which ended at midnight. We then had an hour to walk our dates (if we had one) about 50 feet to their residences.

It seems it was a tradition that everyone was to stay up all night on the last night. So stay up we did. We had a free hand as long as we did no damage, as we would then have to pay for it. Needless to say, no damage was done.

146 Delegates
Among the various delegates there, we had seven Indians, four blind delegates, one American and several delegates from Quebec. There were about 140 delegates there, representing some 57 countries. By the way, it lasted from June 21 to June 26.

On the whole, we had a very exciting and interesting week. We learned a lot about the world in which we live, why the U.N. seems to move so slowly at times, and just how the fate of the world is determined.

We will be reporting to our six sponsors, but I don't know when exactly. The sponsors are Beardmore and Co., Legion Branch 197, the two chapters of the I.O.D.E., the Rotary Club, and the Students' Council of the High School.

I feel, and I am sure my fellow delegates feel, that this has been one of the most fruitful weeks of our lives, and hope that we will get the chance to go again next year.

4-H, Junior Farmers Enter Land Judging Competition

What crop will this soil grow best, is a question that those entering the Halton County Land Judging Competition will be asking themselves.

This competition, to be held on Wednesday, July 8, is open to all farm residents of Halton County under 26 years old. It is sponsored by the Halton Region Conservation Authority and the Credit Valley Conservation Authority, in co-operation with the Ontario Department of Agriculture.

From 10:00 to 12:00 a.m. the contestants will be given a talk on soil profiles, and then be taken on a tour around the Milton area. This area has many different soil types and profiles, and five different profiles will be examined. In the afternoon the contestants will move to a local farm. Here they will look at four areas and examine the profile in each area. From this they will be able to judge as to what is the best crop for each area.

Contestants will score the physical features, deciding the land class, and place the area as to which crop grows best there. After this they will give their reasons orally to a judge.

The 4-H Forestry Club results will be announced at the end of the Land Judging Competition by the Zone Forester, Jack Brown.

NEW HOSPITAL INSURANCE PREMIUMS

More people in Ontario receive better and more costly hospital care than ever before

On the average day some 56,000 patients - enough people to populate a city - are under care in hospitals of all types in Ontario. These patients are receiving skilled treatment which has never been equalled in the history of the province. Furthermore, the cost of medically-necessary hospital care is no longer a problem for over 98% of Ontario's residents who participate in their government-sponsored hospital plan . . . the plan that ended hospital-expense worries in Ontario.

BETTER CARE - HIGHER COST

For many years the cost of hospital care has been going up steadily, not only in Ontario but also in the rest of Canada and in other countries. Though costly, the advanced scientific facilities and special skills available in hospitals are essential in treating the sick. The quality of necessary hospital care cannot be sacrificed. Since 1959 the average cost to the Commission for one day of patient care has increased by approximately 50%.

WHY COSTS CONTINUE TO RISE

PRICES ARE UP

Hospitals, like everyone else, are paying more for salaries and wages, food, drugs, equipment, supplies and services.

About 70% of every \$1.00 in hospital costs is used to pay hospital employees. Hospitals, today, have more and better-paid employees to serve more patients and provide essential round-the-clock care.

HOSPITALS ARE USED MORE

Greater use is being made of hospitals as medical science now provides many new, costly types of treatment which require admission to hospital. These procedures require more skilled staff, more facilities, drugs and other expensive supplies. Furthermore, there is no longer a financial barrier

to necessary care, so more people obtain the care they need without being burdened by the cost. Also, there are increasing numbers of elderly citizens many of whom require prolonged treatment in hospital.

MORE BEDS AVAILABLE

In 1947, Ontario had only 1,473 active treatment, chronic and convalescent hospital beds; in 1958 there were 31,000. Today there are over 40,000 such beds available to insured persons and, by 1970, it is anticipated there will be 47,000. More beds mean more patients, more cost.

In addition, insured patients are entitled to care, without charge, in provincial mental hospitals (23,000 beds) and tuberculosis sanatoria (1,825 beds).

ADDITIONAL OUT-PATIENT SERVICES

Beginning July 1st, 1964 the following services will be included as out-patient benefits:

- Hospital visits to complete treatment of fractures which were originally treated on an in-patient basis. (Previously, this benefit was only for fractures originally treated on an out-patient basis within 24 hours of an accident.)
- Radiotherapy hospital services for the treatment of cancer in clinics of the Ontario Cancer Foundation and hospitals approved by the Commission for these services.
- When prescribed by a licensed physician as a medically-necessary course of treatment and provided by hospitals approved by the Commission:
 - Use of physiotherapy and occupational therapy facilities where available. *Note: Consideration is being given to approval of other physiotherapy facilities at an early date. A further announcement will be made.*
 - Speech therapy where available and provided by qualified therapists for the treatment of an organic illness or injury.

Note: The above summary is for your convenience only. For detailed information please refer to the provisions of the Provincial and Federal Acts and Regulations respecting these matters.

NEW PREMIUM RATES (Standard Ward Care)

Because of continued rising costs, the Provincial Government has announced increased premium rates for Ontario Hospital Insurance beginning with the regular advance payment to cover the benefit month of October, 1964. In 1961, 1962 and 1963 the Provincial Government prevented, by subsidy, a rise in premiums. In those years the Government contributed \$125.8 million to the plan from general revenues. It

also paid an additional \$157.8 million for the care of patients in mental hospitals and tuberculosis sanatoria. Even with the higher premiums the Provincial Government must continue to subsidize the cost of hospital care, and the Federal Government's contributions to the plan will also increase as the cost rises. (The cost of the plan does not include the Government grants which are paid to assist communities build their hospitals).

Single (no eligible dependants) - - - - - \$3.25 monthly
Family (one or more eligible dependants) - - - \$6.50 monthly

ONTARIO HOSPITAL SERVICES COMMISSION

"You in Your World" Homemaking Club Theme

"You In Your World" was the theme of the 4-H Homemaking Club Girls' Conference attended by three delegates from Halton County. They were: Beverly Hovey of Hornby South Club, Linda Linham of Bunnockburn, and Mary Moffat of the Dublin Club. Mary acted as councillor for the girls from Peel and Halton.

The conference was held at the Federated Colleges, Guelph from June 23 to 26. Two hundred senior club girls attended as representatives of each County and district in the Province. The girls were selected by their Home Economics on the basis of their active participation in Club work, community and school activities. The program featured a variety of stimulating talks as well as opportunities for the girls to express themselves on the subject of their role in home, school, club, community and country.

It is hoped that all of the girls returned from the Conference with a broader view of the 4-H Club program and the part that they as senior members can play in their club and family life.
