June, July Meetings Of Ladies of Church

Rockwood — Mrs. M. Milne was hostess for the June meeting of Rockwood Presbyterian W.M.S. and W.A. The president, Mrs. J. Freeman, opened the meeting with a hymn, followed with the Glad Tidings prayer by Mrs. Daby.

Mrs. M. Nickell gave a very fine report of the 100th Anniversary of the W.M.S. held at the Church of St. Andrew and St. Paul in Montreal recently. The church minister, Rev. R. J. Berlioz, is known in the community, having served the Rockwood congregation as a student minister on occasion. Rev. Berlioz gave a very fine talk on "What's in a Church?" The speaker pointed out the value of memories in a Church and quoted "Thou shalt remember all the way that the Lord thy God led thee." He stated the need of earnest consecration in a Church and concluded, "We discover not only something but Someone who says, Come and enlist in my cause and share my battle, that one day you may also know my victory."

Mrs. G. Aiken showed slides of the beautiful St. Andrew's and St. Paul's Church and other places of interest in Montreal. Mrs. Freeman closed the meeting with prayer.

was in the chair and opened the meeting with a hymn. The scripture was read by Mrs. W. Fisher with prayer by Mrs. D. D. Gray.

Mrs. G. Deaham gave a paper on God's work on earth. She stated the many miracles of God given to us for our existence, among them the miracle of sunshine and rain, without which all nations would perish. The minutes of the last meeting were read by Mrs. P. Sim, who was appointed secretary of the W.M.S. for the remaining portion of the year. A hymn and prayer closed the meeting. The W.A. president Mrs. Young was in the chair for the business session. Materials donated for sewing for the bazaar in November were handed out to the members. A salad maker was donated by Mrs. P. Sim for use in the church kitchen.

There will be no meeting in August of the W.M.S. and W.A. Mrs. Swanston and her daughter, Mrs. Fisher, served a dainty lunch and a social half hour was enjoyed.

Trip to Michigan Proves Informative

The employees of Harris Farm Machinery and other interested persons, chartered a bus recently and took a trip to the Edison Institute at Dearborn, Michigan. Approximately 35 men left in the wee hours of the morning and had their breakfast at Windsor. They visited the Ford Museum with its many interesting antiques such as cars, steam engines, machines etc. An old grist mill powered by steam was especially interesting. At Greenfield Village they could see the original pioneer houses, now restored to good condition. The laboratory where Thomas Edison invented the incandescent light was also on display. The day was not only interesting but held a wealth of knowledge long to be remembered.

A cup and saucer was presented to Mrs. Lowe, the W.M.S. secretary for the past three years. The Lowe family have moved to Chelvey, Ontario, and will be missed in the church and the community.

Mrs. T. Malby donated a hymn book to be used in the pulpit in memory of her late husband, F. Hutchinson.

The W.A. ladies were joint hostesses with the Twilight Group for a shower in honor of Mrs. McDonald, nee Shirley Dyer, a recent bride. The guest of honor received many lovely and useful gifts. Contests were enjoyed and a dainty lunch served.

CHURCHILL S. S. Picnic Held on Sunday

The Churchill Church and Sunday School picnic was held on Sunday July 7 at Mr. and Mrs. W. J. McDonald's picnic grounds with a good attendance. All report a lovely afternoon.

The service on Sunday at Churchill church was conducted by Mr. Forgrave of Georgetown and was much enjoyed. His text was on the Ten Commandments. His son Tom Forgrave is on a very heavy mission field at Thorsby, Alberta and his salary is only \$10 a week. The collection on Sunday was being sent to help his son's worthy cause.

1,500 Cars Visit Kelso Last Week

The weather wasn't perfect, but Kelso Conservation Area still proved a very popular spot last week, as 1,050 cars travelled through the main gate. Several picnics were held on Wednesday and Sunday as groups from Georgetown, Brampton and Burlington made use of the area's excellent picnic facilities. The 200 picnic tables were in constant use on the busier days and some picnickers started as early as 8:30 in the morning.

During the past two weeks there has been several changes made at the swimming area. Sand has been added to form a fine beach on the lake where the buoyed off areas are and also more signs have been erected.

The swimming pool is expected to be ready for use by the weekend of the 18th, after the installation of a new filter system. The saucer-shaped fountaining pool, now in use, is a favorite with toddlers.

H. H. Hinton Donates New 4-H Fair Trophy

Mrs. James A. Van Fleet, Park Ave., was hostess for the regular meeting last Thursday evening of the Lady Directors of Acton Fall Fair Board. Mrs. Donald C. Matthews, the president, was in the chair and Mrs. William MacDonal, assistant secretary, read the minutes in the absence of Mrs. Ralph Denny.

Several matters were confirmed by members in charge, such as judges for various classes obtaining badges ordered, and banners being completed shortly.

Members were pleased to accept an offer of a trophy from H. H. Hinton for 4-H Home-making Clubs. It will be passed on each year to the winning club. It is expected that it will create interest among different participants.

To have a good fair there has to be a good parade, and in order to have a good parade, there has to be a good showing of floats,

to members are hoping that organizations, businessmen and individuals will again give the fair support as they have the last few years.

Under the direction of Mrs. James McCulloch and Mrs. A. Damm, the Ladies' Board expects to have an entry.

There was some discussion about the exhibit of school work and judges; also about the classes showing decorated bicycles, doll buggies and tricycles, and final decisions made.

A dainty lunch was served by the hostess, Mrs. Van Fleet assisted by Mrs. McCulloch and Mrs. Damm, and a social time spent together. Mrs. Clifford Storey was courtesy convener.

The next meeting will be held on August 6 at the home of Mrs. W. MacDonal, 4th Line, when the annual picnic will be held with a pot luck supper.
