

SUMMER VACATION BIBLE SCHOOL was held at the Robert Little school with 130 enrolled. Using plasticine and Betty De Vries and Janet Vos as teacher Mrs. John Barnvold instructed. There were four groups from age six to age 12. Closing exercises were Friday.

Vacation Bible School Holds Closing Program

The Christian Reformed Church held their closing program for the annual Summer Vacation Bible School on Friday, July 10 in the upstairs of the Christian Reformed Church. The actual vacation school was held at the Robert Little School from June 30 to July 10.

The closing program began with everyone joining in singing "Stand Up, Stand Up for Jesus" and a prayer led by Rev. Van Dijk. Dick Kuiper read the Scripture and Linda Strandholt welcomed the guests. The helpers from the class of Mrs. J. Van Barseveld, Mrs. Venema, Miss Dorothy Kuitken and Miss Renée Lefersink put on a short program followed by the singing of another hymn, "Abide With Me".

Musical instruments, recitations, the primary class under the leadership of Mrs. Kral and Miss Bas Dautler gave a demonstration using musical instruments which they had made during the sessions of the Vacation Bible School. The intermediate class with Mrs. Kremer and Miss Heny Stulp as leaders recited stories and made their stories all the more interesting by pointing out on maps the places which they were talking about. The congregation then sang "Take My Life and Let It Be".

The intermediate class which Rev. Dijk and Mrs. Ensing had been in charge of, used an electric brain. They asked it questions and Eddie Kuiper explained the whole procedure.

Presentations, Ice Cream

The closing hymn was "Lead On, O King Eternal", Harry Ensing, the chairman of the Vacation Bible School Board, made the closing remarks to the assembly and presented the teachers of the various classes with gifts. The Thanksgiving was given by a member of the Consistory of Beth-El Christian Reformed Church, Marinus Traas.

After a program, the children all enjoyed a treat of ice cream.

Hartless

This week the Free Press has not had Hart. Sports editor Hartley Cole is away for the first week of his holidays now. There's nobody can take his place, especially since his relief man, Don Ryder, is away too. But regular sports coverage will resume next week.

Batters Up On Two Days

On Tuesday three girls' teams and three teams of boys from 11 to 14 began their nine week schedule of ball. Rained out, they resumed Wednesday. It was the second game Monday night for the four Legion novice teams.

TWIN LAKES

Yon recommendations from a Red Cross Water Safety Director should be implemented before public swimming is allowed at the Twin Lakes resort on Highway 25, a coroner's jury recommended Friday evening in Milton. The jury, called to investigate the circumstances surrounding the drowning of a five-year-old Toronto girl at the resort area on July 5, also recommended

Domtar Collects Win Ticket Bounces Grocers Before Rain

The rains came down in buckets Tuesday night, but not before winless Domtar buried the hapless IGA squad by a 20-1 count. Domtar, the league floor mats, walked all over the grocers as they banged out 15 hits and scored 20 runs before the game was called on account of rain in the sixth inning.

The winners relied on the hot hitting of nearly everyone in the lineup as they sowed up the lopsided win. Jim Golden belted the long blasts in the game, with two round trippers and Dave Cunningham had a perfect night at the plate with two walks, two singles and a double. Mike George walked once, doubled and singled. Hal Short singled twice and walked twice. Jamie Cunningham knocked two single base safeties. C. Holmes reached base on two bingles, Roy Ward singled twice and Bill Somerville doubled and singled, to round out the 17 hit Domtar offensive.

Legion Wins

Unearned runs and the solid pitching of John Salomon paved the way for a Legion win over the Firemen last night at the park. Salomon and hook and ladder ace Frank Daley hurled solid baseball, but Daley's major committed boy errors and that was the difference in the game. The Firemen started the game with only eight players but in the third inning brought in Jim Cushman to fill the vacancy.

Parents Shown How Easily Children Can Learn French

Not long ago Mrs. Robert Buckner read of two ladies in Oakville who are teaching French to a group of mothers and children in their homes. Mrs. Buckner wrote to these ladies and was invited to see for herself.

Amazed at the facility with which these pre-school to Grade 1 children were learning another language Mrs. Buckner invited Mrs. Grieve and Mrs. Taylor to visit her in her own home where a group of Acton mothers and children were also present.

The two Oakville ladies gave an exhibition lesson to some of the Acton children to give as many details as possible on their ways of teaching.

The children sang songs and played games, learning a number of French words with none of the difficulty experienced by older children when learning another language. It was fascinating to see their absorbed faces and even more fascinating several weeks later to hear from them the words they remembered.

These governesses

Mrs. Buckner learned too that Mrs. Taylor had arranged for three girls from Quebec to spend the summer with Oakville families as governesses, speaking French with both parents and children.
