Executive's Home
One of the better homes in Acton, this well appointed split-level has many, many extras. The present owner wishes to move nearer his work, although the lady of the house assures me that only the greatest affection for her husband will make her leave this home. The 22-ft living room and 14-ft. bathroom with beautiful built-in vanity will make you realize this is indeed exceptional. If you have \$2,200 you can certainly carry the easy one mortgage payments, and possession is yours to arrange.
