ACTON SOFTBALL Association booth was popular until the rains came. Two visiting members of the Orange family, Mrs. J. W. Steed of Oakville and J. M. Hoey of R.R. 1, Hornby, buy refreshments from pretty Caroline Williamson. Celebration here was July 11.

HFE AND DRUM BANDS from many communities through five counties were in town to celebrate the "glorious Twelfth". Two members of Arthur Band, Jack McDougall and Ray Shaw, practice a little for the parade.

HARLEY...to HALTON By DR. HARRY HARLEY, M.P.

The third item on the priority which he wishes to obtain his list of legislation, the Fiscal Ar- loan. The rate of interest on the rangements with the Provinces, loan is unknown at present but has been debated for several will be lower than the usual days with little progress. The bank loan interest and in additfourth item, the Twelve Mile ion, there will be no service Fishing Limit Bill, has passed charge added. the House of Commons.

Loan Fund, is now before Par purpose, which would provide liament. It is obvious that apart for a loan exceeding \$50 to one from the Creditistes, this meadout of every three students ensure will receive the full support rolled in university. The outof all Parties. The Creditistes standing loans at the end of five object to it on the grounds that years could be \$200 million. it invades Provincial rights in the field of education, I do not plan. For those students who are accept this criticism as it does minors under the age of 21 years. not interfere with education but neither endorsers nor parents merely help that individual stur are required to sign the loan. It dent to obtain financial help. A will be the student's sole responprovince also may "opt out" of sibility, guaranteed by the tederparticipate.

week and money be made avail- quota is used, would be approxiable for this year's studies. Dur match two million dollars the ing the years of study, a studiest year of operation. dent will have the interest paid I know that post secondary to be repaid.

insures it so there will be no by a scholarship program. charge against his estate if the student should die alter taking out the loan.

The student may borrow up to \$1,000 per year for a maximum | New get greater of tove years. To be eligible, a student must have a satisfactory academic standard, the decision to be made by the educational authorities, not the government. He must prove he actually needs the loan, as the government is going to expend federal funds to pay his loan interest as he stud-

He must be a Canadian citizen, or have resided in Canada! for at least a year and intend to continue to reside here. The loans are for full time students. as one of its main purposes is to encourage students who would otherwise take many years to finish their education on a part time basis.

Both graduate and undergraduate studies are included. It can include any form of post - secon dary school education such as university or technical institutions as may be designated by

the provinces. The student will receive approval from a provincially designated educational body or its agent and at the present time, I cannot say who this body will be for Ontario. The student will take a certificate of approval

For the first year, parliament The fifth item, the Student will provide \$40 million for this

There is no age limit in the the plan if it does not wish to al government. The cost of the program to the federal govern-This Bill should pass this ment in actual cost, it all the

by the government and for the school students and in fact, all first six months after gradua students and their parents in tion. This interest does not have Halton will be interested in this legislation. It is designed to help After this time, he will begin those students who for financial to pay the further interest and reasons, could not continue principal, over a period of five their studies. It is another step to ten years. The government torward in legislation encouragguarantees his loan from any ing education and I hope it will bank of his choice and as well, be followed in the near future
