

### Lawrence-Carton Vows Given At Rockwood United Church

Rockwood United Church was the setting for the three o'clock ceremony uniting Charlotte Myrtle Carton and Harold Lawrence in marriage. The bride is the daughter of Mr. and Mrs. Elmer E. Carton, R. R. 1, Rockwood and the groom is the son of Mrs. George Lawrence and the late George Lawrence, Main Street, Rockwood.

The Rev. R. Cannon officiated at the ceremony and Dave Benjamin, Guelph, was the organist. Mrs. Charles Petty, Rockwood, sang "The Wedding Prayer" and "God Walk Not Proud."

Given in marriage by her father, the bride wore a gown of white organza over tulle with fitted long-sleeved and a bell-shaped skirt which flowed into a train. Appliques of sequin and embroidery in white lace enhanced the bodice and front panel of the skirt. A petal-like hoodpiece held her bouffant veil of silk illusion. She carried red carnations with ivy on a prayer book.

Miss Donna Small, R. R. 2, Campbellville, was maid of honor and the bridesmaid was Miss Helen Carton, sister of the bride. Both attendants were dressed alike in mint green organza over tulle sleeveless gowns with bell-shaped skirts and matching lace jackets. Their headpieces were matching organza roses with black veils.

Kathy McMenemy was the junior bridesmaid. She wore a dress of mint green, styled similarly to the dress worn by the maid of honor. All three carried a cascade of pink carnations with hazy red fern.

Sharon Carton, a cousin of the bride from Oakville, was the flower girl. She wore a white dress styled identically to the junior bridesmaid's with a mint green cummerbund and bow.

The groom's mother was Clarence Fatt of Guelph and the ushers were Roy Carton, brother of the bride from Saskatchewan, and William Oost, Grand Rapids, Michigan, brother-in-law of the groom.

The afternoon reception was held in the United Church Hall, Rockwood, which was decorated with pink carnations. Sixty-two guests were present. The bride's mother received in a two-piece bone colored suit and a corsage of yellow carnations with green trim. The groom's mother assisted, wearing a blue silk dress with a lace top and a corsage of pink carnations and green trim.

For their honeymoon trip through northern Ontario, the bride chose a turquoise three-piece double knit suit with an orchid corsage. On their return, the bride and groom will live on Main Street, Rockwood.

A special guest at the wedding was the bride's grandfather, Mr. M. J. Carton of Milton. Other guests attended from Milton, Grand Rapids, Hornby, Toronto, Niagara Falls, Saskatchewan, Guelph, Campbellville, Oakville, Battle Creek, Acton, Norval, Oustic, Omagh and Rockwood.

Several Showers  
Before her marriage, the bride was honored at a miscellaneous shower given by Lois Bachelor assisted by Mrs. Emily Norton, both of Rockwood, a linen shower at the home of the bride's parents with neighbors Mrs. R. Landoni and Mrs. Smeltzer assisting, a miscellaneous shower given by Miss Donna Small at the home of her parents, a miscellaneous shower given by the bride's aunt, Mrs. Marie Peacock.

### 401 Strip Map 34 Inches Long

The Department of Highways has issued a new strip map of Highway 401. Like the original map produced last year, all the interchange numbers between Windsor and the Quebec border are plotted along the route.

The 510 miles of 401 are shown in two strips, each 34 inches long. Tourist reception centres, St. John Ambulance first aid posts, the Highway 401 service centres and accredited hospitals are marked by appropriate symbols.

A new feature on the 1964 map is a section devoted to 10 Ontario vacation regions adjacent to the highway.

The new map may be obtained free of charge from the head office of the Department of Highways, Ontario, (Downsview P.O.) the Department of Tourism and Information, Parliament Bldg., Toronto, at highway service and tourist reception centres, and O. P.P. Detachments.

MR. AND MRS. ROBERT HAVELOCK LAWRENCE are pictured signing the register after their recent marriage at Rockwood United Church.

### Afternoon Tea Held In Bride's New Home

Yellow gladioli made a splash of color in the corner of the living room while a centrepiece of pastel shaded sweet peas adorned the tea table in the next room on Saturday, August 15, at an afternoon tea in honor of the bride, Miss Elizabeth Jane, given by Miss Margaret Nettle, Smooth Rock Falls.

Also receiving the guests were the groom's mother, Mrs. Susan McCafferty, and one of the bridesmaids, a sister of the groom, Mrs. Gilbert Legault. To open the door for the guests were Misses Filson and Patricia Legault.

Mrs. Wilfred Wild, an aunt of the groom, poured tea from three to six o'clock and the guests were served by Miss Linda Sward, Miss Marlene Gagnon and Miss Cheryl West. Mrs. Patrick McCafferty and Mrs. Lawrence Clark received guests in the rooms where the trousseau and wedding gifts were displayed.

This home where the bride will live after her marriage on August 22 to Mr. Michael McFidelity is beautifully furnished and decorated in the modern trend, blending tastefully with pieces of furniture she has from her parents' former home in Acton, coming originally from Hampton.

25% of our customers save a lot of money.

The other 75% save an awful lot of money.

All of our customers use natural gas and save. But 75% of them are using natural gas for home heating too—and saving an awful lot more money in the process! We have over 1/4 of a million satisfied gas customers here in Southwestern Ontario, who have discovered—you just can't beat natural gas for dependability and economy.

The truth is: The trend today is to modern gas heating. Consider the fact that in the past year, the Natural Gas Industry supplied more energy to the Province of Ontario than all other power utilities combined! And when you look at the many advantages of natural gas, you'll see why so many people prefer gas heating to any other system.

You never have to order natural gas—it's always there, ready to heat your home. Stormy weather can't stop it, ever. No other fuel is so dependable.

Initial installation costs for gas equipment are lower than for liquid fuel equipment. And whether your home has extra-thick or normal insulation, fuel costs for gas heating are consistently lower than for other systems. You never have to worry about lower gas prices, either...it's free. (Natural gas originated free service.) In fact, gas saves you money in every aspect of home heating.

These are just a few of the reasons that give gas heating the lead in every way. No wonder more and more smart home-owners are making an early switch to gas heating!

Better look into natural gas heating for yourself right now. Isn't it time you found out what all the saving's about?
