

Personal Notes . . .

Of Actonians Visiting Out-of-Town Points and of Visitors in Acton Homes

Paul and Steven Wolfe of Guilph bicycled down Tuesday to visit friends.

Mrs. Harry Burns is a patient in Alliston General Hospital. Friends wish for her a speedy recovery.

A large crowd attended the annual reunion and closing exercises at the Uxanton camp west of town Sunday.

Misses Judy Gordon and Donna and Joanne Landsborough are attending Baptist Y.Y.P.U. camp at Goderich this week.

Dave Manes and Bruce Carill are spending a few days at the world's softball tournament which is being held near Chicago.

Friends hope Mrs. Don Timmons may be patient in St. Joseph's Hospital, Guilph, will soon be recuperating at home again.

Mr. and Mrs. J. H. Taylor and Miss Suzanne of London spent the weekend at the home of Mr. and Mrs. Fred Anderson and attended the Hall reunion on Sunday afternoon.

Mr. and Mrs. Doug Mason Lakes Ave. celebrated their 25th wedding anniversary Wednesday evening. A large gathering of friends and relatives enjoyed a dinner and luncheon at Brookville Hall.

Both public school principals had a complete change of scene during the summer. E. J. Smith was working on the family farm near Orangeville and G. W. McKenzie was working in a store at Wasaga Beach.

Visitors during the weekend were Mr. and Mrs. Harry Murray and family, Mr. and Mrs. George Howe and Mr. Milton McCormick of Niagara Falls and Mr. Charles Howe of Kentville Nova Scotia. Also visiting at the same home on Sunday were Mr. and Mrs. Wes Howe and son Terry returning from the World's Fair to their home at South River.

There were 42 counting driver Lloyd Robinson on the bus to the Exhibition last Thursday arranged by Acton Women's Institute. Two men and two boys went with the ladies. All thoroughly enjoyed the day's events concluding with the grandstand show. Quite a few heard Acton band compete and one of them declared afterwards, "They should have asked US to judge those bands. Then the marks would have been different!"

The Rev. Gordon Adams, Mrs. Adams and family of Sudbury met Acton friends last Thursday at the C.N.E. where they learned Acton was playing in the band competition and came to the north band shell. He is a former minister of the United Church here. They chatted with bandmen, some of those who had come on the W.I. bus and Mrs. C. I. Poole, another former minister's widow, who had come by car with Miss Jane Elliott to hear the band conducted by her neighbor, George Elliott.

Local shoe repair man Frank Toth Sr., his son and daughter-in-law, Mr. and Mrs. Frank Toth Jr., arrived at Milton Wednesday afternoon by plane after a visit to England and Hungary. Mr. and Mrs. Toth Jr. left Acton on August 15 for England to visit Mrs. Toth's relatives. While there, they were joined by Mr. Toth Sr. and the father and son left for a visit to their homeland in Hungary. Both men returned to England, where they visited for a while before the three left for home.

Someone who always asks for Acton and particularly Miss M. Z. Bennett at weekly newspaper conventions is Miss Gerry Crahan, wife of the editor of the Ridgeway Dominion. She lived here as a girl when her father, the Rev. Howard, was minister of Acton Baptist Church and one of her first teachers was Miss Bennett. She is now a high school teacher and has one son, Howard. Last week, she and her husband were extremely busy, she as co-chairman of the ladies' committee at the convention and he as convention chairman. And they just arrived back from Russia 10 days before!

Five Generations In Turner Family

Five generations in one family is the proud boast of James Turner of Acton. He was 80 years old on March 2, 1964. He has two children living, while two predeceased him. He has 24 grandchildren, 83 great-grandchildren, four great-great-grandsons, and two great-great-granddaughters. One great-great-granddaughter is going to school!

This record, Mr. Turner explains is on the female side of the family. There are 11 on the male side. The youngest one is a granddaughter who has just given birth to a daughter.

One of Mr. Turner's daughters, (Dora) Mrs. Chauncey May, Port Credit, died August 8.

Lorraine Gordon, Robert Piers Take Honeymoon Trip to Regina

In a double-ring ceremony in Trinity United Church, Acton, on Saturday afternoon, August 29, Lorraine Joan Gordon became the bride of Robert Eldon Piers. The bride is the daughter of Mr. and Mrs. Harold Gordon, 92 Mill St. W., Acton. The groom, who has been living in Oakville, is the son of Mr. and Mrs. Leonard Piers of Hampton, N.B.

The couple will be living in Bronte on their return from a trip to Regina.

Coral and white gladioli decorated the church with white satin bows and roses on the pews. The Rev. Dwight Engel performed the ceremony and Ted Hansen played the organ.

Bride Pined
The bride was honored and showered with gifts at several gatherings before her marriage. A miscellaneous shower was held August 18 at the home of Mrs. Douglas Piers, Oakville. A miscellaneous shower was held on August 24 in Acton by Mrs. Alva Gordon and Mrs. George Graham. On August 27, another miscellaneous shower was held by the bride's neighbors at the home of Mrs. June Crokin.

Merchants Deserve Shoppers' Support
This week's issue of the Acton Free Press is packed with special shopping hints for the home owner, housewives and scholars as well as news items.

Sponsoring merchants who supported the Back to School Sale had an interesting one. Work of businessmen who deserve the support of buyers for their products.

Other advertisements through out the paper offer as good bargains as can be purchased anywhere and local merchants should have the support of the local buying public. Let's keep our money at home! Shop in Acton.

Reception
The reception was held in the Legion Hall.

Guests were received from Oakville, Streetsville, Hamilton, Guilph, Hespeler, Milton and New Brunswick. All the groom's family came from New Brunswick and his mother made the wedding cake. The bride's grand-

parents were also among the guests.

The bride's mother received wearing a beige dress with lace bodice and nylon skirt, matching cluster, black accessories and corsage of yellow and coral carnations. The groom's mother wore a blue crepe dress with lace top and matching jacket, rose accessories and coral carnation corsage.

For the honeymoon trip, the bride wore a blue, two-piece suit of wool boucle, yellow accessories and a corsage of yellow carnations.

Regular meetings have begun already, with a flood of them in the next few weeks as many activities resume. Make sure your groups have good and faithful press reporters!

The Georgetown Arts and Crafts group held at the C.N.E. is an interesting one. Work of two Actonians, Mrs. H. Bosson and Mrs. W. J. Beatty, is included in the attractive display. The group was asked to exhibit and not charged rent for the space, as the F.A. is hoping to build up a good hobby section. They didn't sell articles, but took orders and handed out folders advertising their annual sale at the Riviera, Norval, in October.

Most of those returning to school are looking forward to it, unless we miss our guess. The summer holiday is long enough, and children and teenagers are glad to get back to the challenges and activity of the classroom.

In town, we think a lot about urbanization, overlooking the value of agricultural production. A recent report shows that Halton's agricultural industry is a \$11,000,000 business which ranks it among the county's top 10 facts like this do much to maintain our perspective.

August has been a bad holiday month with some coming home early from cottages. But July and grey August have given way to September and all its new beginnings.

Entries are being sought for the Mrs. Acton Fair contest. Some girls have entered already but the more the better!

Rotarians worked on the scout hall again Tuesday. They expect to have several more work meetings.

Men of the United Church worked at spreading topsoil on the maine lawn Tuesday.

The last holiday weekend of the summer. Many from here will be down to Milton for the Steam Era and Old Fashioned Days.

On Monday, grades 12 and 13 students received their timetables in the mail.

Acton St. John Ambulance Brigade will be on duty at Milton fair grounds during the Steam Era this weekend. Stan Callard of Milton, a member of the Acton brigade, hopes to form a brigade in Milton and there are 11 trained men there already to form a nucleus.

The fair prize lists are favorite reading for exhibitors these days.

The rain has caused trouble to farmers bringing in harvest.

New recreation director Harris Rose may be here next week. He and his family will be living in one of the new homes in Lakewood.
