

Halton Crops, Produce Worth \$13,000,000 Says '63 Farm Report

Halton County's \$13,163,342 worth of farm crops, livestock and produce set a new all-time high production record for the County in 1963, it was revealed this week.

Authoritative figures on Halton's farm value were released by the Ontario Department of Agriculture, in a special agricultural statistics evaluation. The survey revealed hundreds of interesting facts and figures on Halton's rural wealth. Figures were compiled by the Farm Economics and Statistics Branch, in co-operation with 60,000 Ontario farmers, manufacturers, processors, marketing boards and district agricultural representatives.

Altogether, the county had 628,570 head of livestock during 1963, worth a total value of \$6,676,032. This was an increase of 8,000 animals and \$184,000 in value over 1962.

There were 72,740 acres of field crops, which produced 2,093,540 bushels valued at \$3,508,000 up \$568,000 from the 1962 figures.

And the county produced \$2,979,310 worth of fruits and vegetables on 6,257 acres in use for this commodity—an increase of \$430,000 over the previous year. (For the Department's purposes, the fruit and vegetable figure includes all of Halton and the north section of Wentworth County.)

Halton also produced 534,865 pounds of creamery butter during 1963, a slight decrease from the 651,740 pounds produced in 1962.

And the county's 14,700 dairy cattle were credited with a large share of the 39,529,428 pounds (valued at \$1,853,129) that was purchased from farmers in the counties of Halton, Peel and Dufferin. No separate figures were listed for Halton County.

The following is a statistical analysis on Halton, gleaned from the 132-page booklet:

LEGION NOTES FOR BRANCH 197

By George Ware

Monday, September 14, is our first general meeting following a two month vacation from most of the heavy duties the Legion commands us. Now, more than ever we must buckle down and help our branch in its many duties to our members and all veterans and their dependents in general.

To paraphrase a statement by the late President John F. Kennedy, "Ask not what your Legion can do for you, ask what you can do for your Legion". And also remember the words of the presiding officer following your initiation, "Service, not for self, but for those of our comrades or their dependents who are in need or in distress."

So, for this general meeting and all general meetings, let's not make a statement of "I am too busy", etc. Let's all get out and help our branch help others.

Approximately eight new members will join our ranks at the meeting, and any other members who know of veterans wanting to join the organization are asked to bring them forth on or before Monday evening at 8:30. We can help our branch be a "six per center".

The band on tap for this Saturday evening is the ever popular Johnny Tocher orchestra. Make it a date for this Saturday to take part in the dance with your own group.

The branch corn roast is over for another year and all who attended on Friday evening enjoyed themselves at a night of dancing to Merv Tolton and his orchestra.

Dates to Remember:

District 'B' World War I vets dinner in Brantford on Saturday, September 14.

Red Cross Blood Clinic on Thursday, September 24.

Zone B7 corn roast at Burlington Park on Saturday, September 26.

Zone B7 church parade in Erin on October 4.

HALTON MANOR

Seven Lady Residents Win High C.N.E. Marks

By Miss Muriel Thompson

Word was received at the Manor on about August 21 of the marks obtained by those women residents who had entered the handicraft competitions at the C.N.E. this year. Although no actual prizes were won, the high marks awarded proved the excellence of the work.

The highest mark, 90, was obtained as an honorable mention in the baby socks section by Mrs. A. Cummings. Two ladies received marks of over 80, these being Mrs. Elizabeth Moore with a mark of 83 for a plastic knitting bag in the novelty section and Mrs. A. Collier with a mark of 82 for a hand sewn apron. The other ladies, who also won creditable marks were Mrs. W. Larkin with a mark of 80 for stuffed rabbit in the toy section; Mrs. M. Simony and Mrs. William McMillan with 80 each for work socks and Mrs. Forbes with 78 for baby socks.

Church Service

The Church service on Sunday afternoon, August 23 was conducted under the auspices of the Christian Business Men's Committee of Oakville. G. McAllister was the leader, Mrs. McAllister the organist and D. Braemer the speaker.

During the service the congregation learned one stanza of a new hymn "Jesus Is The Sweetest Name I Know" and also sang a verse of "How Great Thou Art" in addition to singing several familiar hymns.

Mr. McAllister read Psalm 19 and offered prayer.

Mr. Braemer chose as the text for his fine sermon, "Praise Ye The Lord" from Psalm 117. He first described Christ's coming to earth as the coming of One intended as a sacrifice for all sinners. The Psalmist laid great stress on the words "Praise Ye The Lord" and this is what every individual should do. When Jesus comes into our hearts we become new creatures and praise to God till our souls.

LOANS FOR STUDENTS

Guaranteed by the Government of Canada

Purpose: The purpose of the Canada Student Loans Act is to facilitate bank loans for students who need financial help to continue full-time studies beyond secondary school level at Universities and other educational institutions.

Who can apply: Any Canadian citizen, or anyone resident in Canada for one year who intends to live in Canada after completion of studies, may apply for a loan under the Act. An applicant must be enrolled or intend to enroll as a full-time student at an educational institution approved by provincial authorities, and must meet the standards of academic qualification and financial need established by the student loan authority in the Province in which he applies.

Amount of loans: Depending upon individual circumstances and financial need, loans up to \$1,000 a year may be made, with a maximum of \$5,000 during a student's academic career. The Provincial Authority receiving applications and determining eligibility will issue a certificate to each eligible student stating the maximum amount the student may borrow. This Certificate of Eligibility is required before a student can arrange a Government Guaranteed Student Loan with the bank
