### LEGION NOTES FOR BRANCH 197

By George Ware

Monday evening's general meeting drew the usual crowd (small) as it has been doing in all previous meetings this year. To swell the ranks of a monthly general meeting with new faces is something but to have to depend on newly initiated members and the "regular" crowd, is another. It must mean that most of our members have no conscience, or they don't seem to care.

Seven new members were initiated into the branch Monday in the persons of Robert Rogers, William Taylor, Arthur Turnbull, Henry Hawkins, Edward Pratt, Charles J. Thomson and Fred Weyman.

A cordial welcome is extended to these new members and we hope their association with the Legion is a long and happy one.

Again, this year, we received a letter from the Ontario Jockey Club, inviting us to make a return trip to Mohawk Raceway and enjoy an evening of fine racing, courtesy of the Club.

A tentative date of Thursday, October 1 has been set aside and a list is provided in the branch for those interested in attending the races and making (or losing) a little scratch.

The Canada at War films have been secured and dates for their showing have been set with the probable starting date of October 12 and not any later than October 28, with the nights of November 9, 23 and 30 and December 14 the other nights.

When these dates are made more positive it will be announced in this column with, we hope, a short resume of the films to be shown each night.

All men registered for, and any others interested in the dart league are requested to attend an organization meeting on Tuesday evening, September 22 at 8:00 p.m. There has been a good registration and it looks like another fine year of darts in the branch.

Comrade George Musselle calls on all those interested in Glee Club singing to attend the practice of the Georgetown Glee Club in the Acton Legion auditorium on Sunday, September 20 from 2:00 to 4:00 p.m.

Approximately 13 from Acton have committed themselves and more are hoped for. Milton branch has also shown an interest in the Glee Club and Comrade Musselle hopes for a 50-voice group as his end result.

The Blood Donor canvass is to be held this Monday evening with the Lions club assisting the Legion in distributing brochures, etc. The Firemen will aid in the canvass also with their sound equipment and it is hoped as many canvassers as possible will be on hand. All those willing to help, get in touch with the president, Jim Gunn, at 833-2166.

The Acton Industrial Cribbage League will commence the '64-'65 season on Thursday, October 8. There are still openings for teams and players in the league and anyone wishing to enter a team must hand it in to the steward at the branch, along with the list of team members names and the captain.

Any individual wanting to play may still enter his name on the list provided on the bulletin board with the closing date for all entries being September 26.

There will be a meeting of team captains on September 30 to draw up the rules and schedule.

**Dates to Remember:**

Zone B7 World War I vets dinner in Brampton on September 19 with the transportation leaving the branch at approximately 2:45 p.m.

Branch Blood Clinic on Thursday, September 24.

Zone B7 corn roast at Huttonville Park on September 26.

runs. Legion scored only singles in the first and second frames but exploded for seven runs in the third to put the game beyond the reach of Dominion. The lovers got another in the bottom of the sixth while Legion nukes bunched three in fourth and sixth and added singles in the fifth and eighth.

**Perfect Day**  
Danny Arbie's perfect day at the plate, a six for six, including a home run, a pair of doubles and three singles, sparked the Legion campaign. He was followed closely by Terry Waterhouse who slammed two round trippers and a pair of singles in five trips and Al Hayward who hit a homer and three singles in five appearances.

Freddy Thompson cracked four hits in six trips including a triple and double. Gary Masales helped his own win with a two bagger and a single while

Jim Bullough hit a rifty triple. For Dominion, veteran Don Green led the hit parade with four for six, one a double, while Ben Bayliss and Bruce Shultis each unlimbered the lumber thrice.

### Siren Interrupts Firemen's Picnic

Acton firefighters' annual family picnic was interrupted Sunday afternoon when firefighters were called to extinguish a stubborn boat fire at the home of Norm Humenuk, Alice St.

Mr. Humenuk had been repairing his boat during the summer months and although the craft was launched only on a trailer, spilled gasoline is blamed for the fire which resulted when the owner attempted to start the motor.

Water was poured on the stubborn blaze which crept to the bottom panelling and before the flames were out the boat was half filled with water.

### Clinic Canvass

Next Monday the door-to-door canvass for crucially needed blood donors will be held by Legionnaires. This year's blood donor clinic at the Legion is Thursday afternoon and evening, September 24. Lions club members have volunteered to help distribute brochures and signs. The firemen will use their public address system to assist. Donors must be 18 or over, men or women, in good health, who have not donated blood within the past three months.

### Projects Planned By Scout Mothers

The Scout and Guide Mothers held their first regular meeting of the fall and winter season Tuesday night at the scout hall with nine members present. The minutes of the last meeting were moved and adopted and the treasurer's report given. It was planned to serve early morning coffee and lunch on three Saturday mornings to a class of Guides taking training.

The Scout mothers were asked to cater for the weekly dinners of the Rotary club but as the active membership is so small it was felt this was impossible. Ways and means to get new members were discussed. Mrs. Erna Nesset was appointed the new badge convener for the guides and brownies.

A social evening is being planned for September 29 at the home of Mrs. Erna Nesset. A euchre and draw is to be held in the scout hall on October 16.

The meeting closed with the Mirpah benediction and lunch was served by Mrs. Gloria Fryer.

### Rangers Repair Toys For Christmas Gifts

The Rangers held their first meeting of the season at the home of leader Mrs. E. Franklin Monday, and Nancy Rogysaldson was elected president. They are accumulating used toys to repair and give away at Christmas. This project was very successful last year and much appreciated.

an announcement regarding

**EXTENSION OF PHYSIOTHERAPY SERVICE**

On and after Monday, September 14, 1964, residents of Ontario are entitled, without charge, to medically necessary physiotherapy services received in the offices of registered physiotherapists in private practice in Ontario who participate in the extension of physiotherapy service administered by the Ontario Hospital Services Commission. The services must be prescribed by a duly qualified physician and performed by, or under the direct supervision of, a registered physiotherapist. A course of treatment may be for a maximum of three weeks unless the physician prescribes a longer period.

**HOME TREATMENT**

If, in the opinion of the attending physician, a patient cannot attend the physiotherapist's office, treatment in the patient's place of residence will be covered, but in such cases the physiotherapist may charge the patient, or patients, a total of \$1.00 per visit, regardless of the number of patients treated during the visit.

The main purpose of this additional service to patients is to make the most efficient use of available physiotherapy facilities. It is to be financed by Federal Health Grants and by the Province of Ontario.

Certain physiotherapy services are not available under this program. These services may be obtained through private arrangement with the physiotherapist.
