Cole; hand painting scene, Lakeside IODE, Alex

Dublin W.I. Plan, Hear Reports

Mrs. Willard Britton, First Line, Esquering, was hostess for the monthly meeting of Dublin Women's Institute last Thursday evening. Following the opening exercises, with Mrs. George Robertson at the piano, Mrs. C. Britton, acting as secretary in the absence of Mrs. Norman Douglas, called the roll, which was answered by a health hint.

Mrs. Duncan Moffat, the president, chaired the meeting and announced the food forum in St. Paul's United Church, Milton, on October 15 at 8 p.m. The subject will be "Tricks with a Mix". In order that a number will be able to attend from the branch, the October meeting date has been changed to October 22 at the home of Mrs. C. McIntyre.

Delegates to the area convention in Guelph will be Mrs. George Robertson and Mrs. D. Moffat in late September and other members will attend the annual banquet at the Royal Hotel. Final details regarding the exhibits at the three neighboring Fall Fairs were completed and the usual cash donation forwarded to Acton Fair.

As the topic of the month was Health, Mrs. J. Bolton gave a very interesting talk on the advances that have been made in

the treatment of different diseases by research.

History of Peru

A fine history of the village of Peru in the Township of Esquering was given by Mrs. G. Robertson. In her interesting talk, she revealed that at one time, Peru was a very thriving village and it was proposed to be the county seat of the County of Halton. However, Milton was chosen as the county town.

Mrs. Charles Thomson delivered the bags to the members in the interests of the Mental

Health Association. Winners in a contest conducted by Mrs. Clark Armstrong were Mrs. F. Bolton and Mrs. Ross Britton.

A report from several members of the visiting committee revealed a healthy state of the Dublin district residents. Assisting Mrs. Britton serve a delicious lunch were Mrs. C. Armstrong, Mrs. Charles Davidson and Mrs. E. Norton. A cordial vote of thanks to the hostess and all taking part was expressed by Mrs. Duncan Moffat.

For 1965... the many Worlds of FORD.

'65 FORD
New World of Elegance

You'll find it the most delightfully new Ford in years: New ride, on coil springs all around. New silence, in a beautifully appointed interior. Outside and in, the 1965 Ford offers hundreds of innovations for your comfort and convenience. For power, there's a new "Big Six" and four great V-8's that offer more performance and economy. Test Drive the silent comfort of the '65 Ford.

'65 FAIRLANE
New World of Value

Here is the thrifty family car that offers sports car fun. Fairlane has a clean, crisp look, the luxury and finish of a big car interior and the smooth pleasure of a big car ride. And it offers all this at Fairlane's low initial price with proven operating economy. Choose your power from the smooth new Six or three powerful V-8's. Test Drive this New World of Value boon.

'65 FALCON
New World of Economy

This is the proven performer of the compact. This year Falcon offers important engineering refinements and smart new styling. New engines and transmissions give more power and acceleration, from the gas miserly Six to a host of hot new V-8's. Put one with a three-speed or four-speed manual shift or three-speed Cruise-O-Matic for the smoothest driving ever. Test drive the lively new Falcon for '65.

NOTICE

RE

GARBAGE COLLECTION

This is to advise that Council have decided to carry on the program of one collection only of garbage commencing on and after Monday, September 28th, 1964.

One weekly collection shall be maintained for the period through to April 1st, 1965, without exception.

The daily collection shall be made on each Monday and Tuesday as at present unless a holiday falls on the Monday in which case the collection shall be made on the next regular working days.

No collection shall be made on Thursdays or Fridays.

For your information certain sections of the garbage by-law No. 903 quoted herewith:-

SECTION 4.

The workmen shall not be required to empty any container weighing more than 50 pounds and which is not placed on the boundary line between the street and assessed property as determined by surveyor's stakes by the occupant of the property.

SECTION 5.

The workmen shall collect all refuse set out for them providing it does not exceed more than five containers or bundles for the assessed property and or each family and providing further that each container or bundle does not weigh in excess of 50 pounds, and providing further that the total refuse so set out does not weigh more than a total of two hundred pounds per assessed premises or family and providing further that it is in proper containers or securely tied for handling and the bundle does not exceed four feet in length and providing further that all empty cartons are broken down and securely tied for handling.

These two sections of the by-law will be strictly enforced, and in case of contravention, containers will not be picked up but left at the premises involved.

J. McGEACHIE,
Clerk-Administrator.
