Lovely Bride

Acton Mayor Les Dubs gave his niece in marriage. Miss Ware, a former choir girl at St. Alban's, made a lovely bride in a floor-length gown of white tulle with a long lily-point neckline and long lily-point sleeves. The fitted bodice was appliqued in Abencon lace and leaves of seed pearls, the trim forming a V from front waistline bow.

The bouffant skirt had an inverted pleat at the front accented by lace applique. From a French rose at the waistline, concealed back fullness formed a bustle ending in a chapel train.

A pearl-trimmed rose head-dress held the bride's elbow-length veil of double illusion tulle and she carried an ivory prayer book topped by a white orchid in a setting of Stephanotis and ivy.

Attendants

Miss Marion Burns, of Fergus, a classmate when Miss Ware trained at St. Joseph's School of Nursing, Guelph, attend as maid of honor. When's a Bargain Not a Bargain?

When is a bargain not a bargain? Well, not all so-called bargains offer real value to the consumer. If you haven't a use for a particular item, it isn't cheap at any price, and if it is a poorly designed and constructed article you could be buying trouble. This applies particularly to electrical appliances. If they are not "C.S.A. approved", cheap appliances are no bargain. They could cost you your home, or your life.

Groomsman was Robert Klid of Toronto, a friend of the groom; ushers were Mel Spence, Collingwood, Alfred Spence, Glen Williams and William Spence, Glen Williams, all brothers of the groom.

Many Guests

There were many guests at the reception in St. Alban's parish hall from London, Niagara Falls, Mitchell, Kitchener, Guelph, Markham, Stouffville, Newmarket, Toronto, Cooksville, Oakville, Brampton, Collingwood, Orangeville, Glen Williams, Georgetown and Acton.

The bride's mother chose for the occasion a peach blue satin brocade dress with a jacket, matching peau de soie shoes and purse, white accessories and a white orchid corsage. The groom's mother wore a mint green suit with white hat and black accessories and a white orchid corsage.

Special guests were the bride's grandparents, Mr. and Mrs. Alfred Yates, Newmarket and Mrs. Claire Goodwin, Mitchell.

The couple left on a trip to Lake Placid and the eastern States. For the honeymoon trip, the bride wore a teal blue bouffant suit with white hat and black accessories and a white orchid corsage.

The bride graduated from St. Joseph's Hospital, Guelph, in 1963 and has been working at Humber Memorial Hospital, Weston, for the past year. She will begin work at Peel Memorial Hospital in mid-October.

25% of our customers save a lot of money.

The other 75% save an awful lot of money.

All of our customers use natural gas and save. But 75% of them are using natural gas for home heating too—and saving an awful lot more money in the process! We have over 1 1/2 of a million satisfied gas customers here in Southwestern Ontario, who have discovered—you just can't beat natural gas for dependability and economy.

The truth is: The trend today is to modern gas heating. Consider the fact that in the past year, the Natural Gas Industry supplied more energy to the Province of Ontario than all other power utilities combined! And when you look at the many advantages of natural gas, you'll see why so many people prefer gas heating to any other system.

You never have to order natural gas—it's always there, ready to heat your home. Stormy weather can't stop it, ever. No other fuel is so dependable.

Initial installation costs for gas equipment are lower than for liquid fuel equipment. And whether your home has extra-thick or normal insulation, fuel costs for gas heating are consistently lower than for other systems. You never have to worry about service, either...it's free. (Natural gas originated free service.) In fact, gas saves you money in every aspect of home heating.

These are just a few of the reasons that give gas heating the lead in every way. No wonder more and more smart home-owners are making an early switch to gas heating!

Better look into natural gas heating for yourself right now. Isn't it time you found out what all the savings about?
