

OPINION

Accident at New Liskeard Hospitalized District Man

Mr. Earle Ray was involved in a truck accident near New Liskeard a week ago Saturday and received some severe cuts and lost a lot of blood. He was hospitalized for a few days in the north, but was brought to his home here this week, where he is much improved. There had been a fall of snow in the district and the roads were quite treacherous, with cars being stranded all over.

Sympathy is extended to the Mr. Albert McCutcheon in the passing of his brother, Stewart. Friends of Mr. William Wragg are pleased to learn his condition is much improved. He has been a patient at Guelph hospital, suffering from pneumonia, for some time.

Mr. and Mrs. R. A. Craig, Linda and Steven of London, were recent visitors with Mr. and Mrs. H. E. Howard.

Mr. and Mrs. Norman McKenzie spent Thanksgiving weekend on a motor trip to Peterborough, Ottawa and the Gatineau Hills. While in Ottawa, they were able to have some good views of the Queen during her visit to the city.

Mr. and Mrs. A. Bullock and Willy, Reg of Georgetown and Nancy of Guelph spent the week end at their cottage at Kearney.

Mr. and Mrs. Paul Pheasant and infant daughter from Terra Ceia have moved into Fred Archibald's apartment on the Second Line.

4th Meeting

The second meeting of the 4th Homemaking Club, "The Occasional Fashionettes" was held at the home of Laurel Stubbington with 13 girls and their leaders, Miss Doris Fines and Mrs. C. Hurven present.

The discussion included line, color and texture and their effect on the line of one's figure. Repeating of the 4th pledge concluded the meeting.

Home from Honeycomb

Mr. and Mrs. Ralph Sinclair (nee Mildred Watson) have returned from their honeymoon and are residing at the groom's home on the First Line. Mrs. Sinclair is a teacher at Brisbane school.

The condition of Ed Archibald, who was injured a couple of weeks ago in a tractor mishap, is improving. He is still confined to the Guelph hospital where it is expected he will have surgery on his knee which was injured.

MEMORIAL

Alcohol Problem During Ages Brewers Said "Brainwashing"

The choir rendered the anthem "The Fear of the Lord is the Beginning of Wisdom."

The temperance layman from Toronto gave a stirring message "The Difference Between Ministers and Laymen?" Ministers are paid to be good; laymen are good for nothing.

The alcohol problem has been with us since the Stone Age. As spiritual animals we thirst for a better way of life. Young people especially feel a great need to be identified with a group. They think (copying their elders, who should know better) that taking a drink will relieve tensions bring a moment of fulfillment. Later wanting a better way of life, they try to break the habit. Often it is an almost impossible struggle. Alcoholics Anonymous is doing a great work, but they reach only 7%. Jesus is the fountain of living water to slacken a personal thirst.

The teen-world is a sub-culture. The lack of communication between parents and their teenage children is a great tragedy.

Teen-agers have the light of honesty in their eyes until it becomes tarnished as they become adults. One lad who became an alcoholic before he reached 14, cried, "If only my old man had said, 'No!'"

Adults have lost their sense of proportion. There is great demand for tranquilizers and pep pills — "comfort chemicals". A thing is not a question of morality, but whether a person is "stupid enough to get caught".

It is up to the parents to say, "No." The belief of the United Church as expressed by Fraser Munro, "When we are guided in-

to the mind and spirit of Christ, voluntary abstinence is best."

Ebenezer Young People played the final game of the Guelph Presbyterian baseball tournament at Ferris on Saturday evening. After a closely-contested game, Alma Y.P.U. were declared 1964 champions. A social time followed.

Mr. Leon Duffield, assisted by Miss Susan Ward took charge of the Mission Band (Messengers) on Sunday morning.

Mrs. Duffield was in hospital with a brand-new baby daughter, a play mate for Karen. "Sunday's child is fair of face." Congratulations, Joans and Leon.

An invitation was received from Nassagaweya Presbyterian ladies to a luncheon and bake sale on Friday.

—Hotchen's bake shop was closed a few days for installation of a modern oven.

Mr. John Sim of Toronto was a weekend guest with Mr. and Mrs. D. Stewart. Visitors on Sunday included Mr. and Mrs. S. Baldwin and children of Ancaster.

W.I. Meeting
Mrs. M. Jackson was hostess for the Women's Institute, 15 ladies being present. Miss Doris Fines presided and Mrs. C. Storey read the minutes and presented the financial report, and several letters pertaining to future events.

An invitation was accepted to meet with the Erin Branch for a day's meeting when "Institute Procedure" will be discussed by a speaker.

Wellington County Historical Display in November was announced and membership in the society was renewed. A short course, "Caring for Crowds," was announced for the new year and February 25 was the date chosen.

The training school for block printing is at Guelph University on November 30 and December 1, and Mrs. R. Taylor is to be one leader to attend. Another leader is to be chosen later.

During the past year, the group has been divided into two sides, with Mrs. E. Archibald and Mrs. G. Grundy as captains. Marks were given for attendance, roll call etc. Mrs. E. Archibald's team were declared winners. The losing side will provide a luncheon at the November meeting.

A no-bake sale was also planned and each member will give cash instead of baking.

A lengthy discussion on the eukhies followed and it was finally decided to hold them once a month starting in November.

Mrs. George Grundy, convener for agriculture and Canadian industries, read an article on the Massey Harris plant at Bramford, where combines are manufactured, concluding with a poem "Friendship." A report of the recent area convention was given in detail by Mrs. E. Archibald.

The roll call, "Something I have made, grown or sewn" yielded a fine array of articles which were later auctioned by Mrs. H. R. Howard.

Mrs. Robertson and Mrs. D. G. Robertson were the hostesses; assistants, and cake and fruit bread were served to conclude the meeting.

The club's main objective this year will be to reach a total of at least 35 members.

Collection of used stamps gave Acton a place standing of 17th out of 750 clubs throughout the world. Harry Arbie is chairman of this project. The value of the stamps was approximately \$450.

Norman Turner acted as finesmaster. President Guy Ross presided and gave a resume of his visit to Estes Park, Colorado, where the international convention was held.

SILVERWOOD

Trips, Meeting Contest in News

Mr. Ben Case and Mr. Stuart Scott recently took a vacation trip to the Gaspé Peninsula. He reported the foliage brilliant but found many trees already bare in Vermont and New Hampshire of Lake Superior and on Case decided to go out west by himself. He followed the north shore of Lake Superior and on through Manitoba as far as Saskatchewan and back again, visiting in Espanola before coming home.

Mr. and Mrs. Gordon Smith on vacation also made the trip east around Gaspé peninsula to Hah Lo, Prince Edward Island and New Hampshire, Vermont and New York States and then to Ottawa and North Bay and from there back home.

Mrs. George Coyne of Toronto visited Mr. and Mrs. George Henderson and family on Thanksgiving weekend.

First Prize
Mr. Earl Burt entered a class of 11 amateurs in a singing and playing contest at Rock Hill Park on a recent Sunday evening and won first prize in cash and also a cup. His choice of songs, Molly Darling and Old Rocking Chair.

4th Club
The Silver Belles Homemaking Club met at Mrs. McKewen's Saturday morning, October 17 for their third meeting with 15 members present.

The discussion was wheat, whole, "hard" and "soft". The group divided as usual to make whole wheat or graham muffins, wheat germ muffins, bran muffins and when baked were all eaten by the girls. Next meeting at Sheila Campbell's on October 24.

UNICEF Project For Hallowe'en
The two public school principals, also active members of the Y's Men's clubs, are making arrangements for the UNICEF Hallowe'en collections again this year as part of the World Outlook program of the club. Boxes will be provided for children who wish to assist the less fortunate throughout the world. There will be a program of entertainment for the children when they return to the Y with their boxes.

This is the first project of the season for the Y's Men, who began their fall meetings with good attendance and three guests.

The club's main objective this year will be to reach a total of at least 35 members.

Collection of used stamps gave Acton a place standing of 17th out of 750 clubs throughout the world. Harry Arbie is chairman of this project. The value of the stamps was approximately \$450.

Norman Turner acted as finesmaster. President Guy Ross presided and gave a resume of his visit to Estes Park, Colorado, where the international convention was held.

District Teachers Meet Monday Mathematics Convention Theme

(Continued from Page One) equations. Grade seven and eight discussed the use of indices, the importance of a knowledge of subjects and the necessity of a knowledge of numbers using different bases.

Children's Needs
The noon luncheon was served in the Legion Hall by the Ladies' Auxiliary of the Canadian Legion. After a delicious repast, Dr. Finlay Stewart of Kitchener, a former moderator of the Presbyterian Church, addressed the teachers. He emphasized the

need for an appreciation of authority in the home, school and government. Children must be awakened to a sense of values, beliefs and concepts. Teachers, he stated, should be encouraged to kindle the rebirth of authority in society. Dr. Stewart was introduced by Miss Mary Harris of Waterdown and thanked by E. W. Foster, supervising principal of Milton Public Schools.

At the short business session, past president Keith Black as chairman of the nominating committee presented the following

New Officers
President, D. Waldie, Waterdown; vice-president, E. Smith, Milton; secretary, Miss P. Howe, Acton; treasurer, Mrs. K. Alger, Acton; executive members, R. Johnston, East Flamborough, Mrs. S. Keyes, Milton.

After a brief address by president-elect D. Waldie, the assembly adjourned to the Robert Little School for two demonstration lessons.

Demonstration Lessons
G. M. Evans, music supervisor, gave a demonstration as leader of the Oakville Public School Boys' Choir. Suggestions were made regarding methods of obtaining good tone and enunciation. Among the many renditions of the choir was the well known "Come Unto Me" from Handel's Messiah. Appreciation of Mr. Evans' work was expressed by E. Smith of Acton.

Miss Lillian Gordon, reading supervisor, Lakeshore District Board of Education, accompanied by 12 grade six students and two pupils of the primary division, illustrated what can be accomplished in the field of Creative English with emphasis on the writing of poetry. The speaker showed that the essence of creative work in English is daily practice in writing. Miss Gordon was thanked by R. Long of Milton.

In expressing, on behalf of the teachers, the appreciation of the work of the retiring members of the executive, president W. J. Clow, B.A., secretary Mrs. M. Glover and executive member Mrs. K. Reed, D. Waldie emphasized the amount of time and effort necessarily given by them in arranging such a varied and interesting program.

An unusual aspect of the landscaping will be the provision of a pond for nature study and an artificial hill prepared from the excavation around the area to be used by the junior school for tobogganing in winter. Parking lots will provide space for 80 staff and visitors' cars.

(Continued on Page Six)

Award \$4,543,000 Contract For the Deaf School Addition

Public Works Minister Ray Connell Tuesday announced the award of a \$4,543,000 general trades contract to Frid Construction Co., Hamilton, for the second stage of construction at the Ontario School for the Deaf, Milton.

The contract was the lowest of four bids submitted, and the contract price was almost half a million dollars under the earlier estimate of \$5,000,000.

The Frid firm is moving in equipment this week to begin work. The school is on Highway 25 on Milton's east boundary.

Mr. Connell said the project will consist of a senior academic school, vocational school, senior boys' and senior girls' residences, and a double gymnasium with a connecting swimming pool.

First stage of construction, comprising the junior school, staff residence, hospital, administration, laundry and boiler plant buildings was completed a year ago at a contract price of \$3,817,000.

Accommodate 540
The Works Minister said that when the second stage is completed, it will bring the school's total accommodation up to 540.

For instruction of pupils between 12 and 18 years old, the academic school will contain an auditorium and 30 classrooms in a two-story building. The vocational school will consist of 10 shops for teaching of automotive trades, woodworking, upholstery, metal working, welding etc., in a single-story, high ceiling structure.

The two residences which will house 190 senior boys and 140 senior girls, respectively, are three-story buildings, including partial ground level basements. In addition to the usual residence facilities, the girls' building will also feature a snack bar and a social room which will be used by the girls to entertain guests.

Clock Tower
A feature of the scheme will be a distinctive covered walkway which will run from the dormitories to the academic and vocational wings of the school.

LIMBHOUSE

History of Women's Work In Church at Thankoffering

The W.M.S. thankoffering meeting was held at the home of Mrs. Thomas Appleyard the evening of October 18 with 23 attending. Scripture was read by Mrs. G. Booth and Mesdames Roughley and Benton read prayers. Mrs. Francis Thompson, accompanied by Mrs. Frank Wilson sang two lovely solos, "Thanks Be To God", and "His Eye Is on the Sparrow".

Mrs. Bert Benton introduced the speakers, Mrs. Geggie and Mrs. Young, who were delegates to the W.M.S. anniversary in Montreal in May. Mrs. Geggie, by means of charts, traced the history of the women's work of the church to the founding of the W.M.S. and to the present in Canada. Mrs. Young told of the arrangements and meetings where some 1,200 women were in attendance. Mrs. Sanford expressed the thanks of the ladies to those who helped make the

meeting such a success. A social hour was enjoyed at the close.

The Bentons visited Mr. and Mrs. Gordon Quinton near Meaford on Sunday.

Mr. and Mrs. Clare Keith of Seaford, Mrs. Edward Hill and Mr. Percy Hill of Georgetown visited with Mrs. Emily McDonnell on Sunday.

Services at Limbhouse Presbyterian church were withdrawn last Sunday in favour of Knox Georgetown anniversary, which a number from here attended.

Mr. and Mrs. Paul Spitzer have returned from a six week trip to visit relatives and friends in Germany.

We regret that Mrs. W. Mitchell as in St. Michael's Hospital, Toronto, for eye surgery, but we wish her well.

Curles begin the fall season with a dance next week.

'65 Fairlane-Excitement in Style
(A New World of Value)

Fairlane is the car that's built a unique reputation for ruggedness, reliability, and value. And now, for '65, we've added new values.

Outside, this new Fairlane is crisp and clean, with a trimness that makes it easy to park, easy to handle in traffic. Inside Fairlane offers the room of many larger cars, with beautiful new upholstery and a new, smaller steering wheel that is easier to handle.

But Fairlane's combination of nimble handling with big car comfort is only part of the story. Low price makes everything about the Fairlane doubly appealing.

The new standard "Six" has 120 hp and the smoothness and durability of a 7-main-bearing crankshaft. There is a bigger standard V-8 of 200 hp, plus an optional 225 and 271 hp — with a choice of three transmissions (3 and 4-speed manual and Ford's 3-speed Cruise-O-Matic).

As you can see, the "Fabulous Fast-selling Fairlane" is even better for 1965 — because it offers all this new value at Fairlane's low price, plus excellent operating economy. Ask a Ford Dealer for a Test Drive soon, and bring the whole family — we build them for family fun.

Certain features illustrated or mentioned are optional at extra cost.
