

Our thanks to the rural correspondents and the reporters who DID remember to send their news earlier this week. It was a great help to the shop.

Milton night school begins next week and Georgetown is underway. Classes in Acton were suspended here a couple of years ago due to lack of interest in people willing to serve on the executive. Major Hal Newman, art teacher here, also will instruct in Milton, and Mrs. W. A. H. Heay will teach textile decorating.

Boardman and Co. have completed construction of an additional laggon for a runoff for the filter bed system.

Patrons at Ledger's I.G.A. store now have more parking space. Construction on the new parking area has been completed on property recently acquired from Jack Smith, Main St.

The Golden Age Club program has had wide acceptance and assistance. There were 35 at the last meeting in the Y.

High school students are excited about their girls' and boys' volleyball teams both winning championships this year.

Sodding and guard rails make the new bridges attractive.

Cons. Ron Rupert spoke to the Rotarians Tuesday at their meeting.

Chamber of Commerce executive met last Thursday at the home of Paul Nielsen to plan the next general meeting.

The United Church Women held a successful sale of baking in Simpson's Sears Friday.

There's a United Nations assembly at the high school tomorrow.

If anyone has been hesitant to install snow tires, Wednesday's snowfall possibly made their minds up in a hurry.

A new loading platform for lumber arriving by rail has been installed at Ajax Engineering.

Town workmen have been laying asphalt sidewalks in several areas the past few weeks.

Pumpkins will soon be in demand as youngsters prepare weird Halloween faces for next weekend.

High school students are writing a series of mid-term tests.

At the Robert Little school, where there's an informal competition among classes selling Christmas cards. Mr. Black's class and Mrs. Black's class find themselves at the top! Results have been very good. Supplies and books will be purchased with proceeds from the sale of cards. There's no competition at the M. Z. Bennett school and profits will be for school needs there, too.

Worn siding back of the station is being replaced by the CNR work crew this week.

### School for the Deaf...

Continued from Page Six  
When the School for the Deaf is completed, it is expected a staff of 200 will be required to operate the complex.

Stage one of construction was first planned about six years ago, when the Province's first school for deaf students at Belleville began to get filled up. The former Kingdom farm on Highway 25 was chosen as the site for the Province's second school, and in the summer of 1961 construction was started.

O.S.D. Milton first opened for classes on April 23, 1963, when the first 84 junior school students were transferred from Belleville to Milton, to fill 10 classes. In the 1963-64 school year, 19 classes were operating with 163 students.

**25 Classrooms**  
Approximately 40 of the staff members live on the property. The present buildings at O.S.D. include the 25 classroom junior school, seven dormitories housing 10 students each, a staff residence housing 40, three homes for senior officials, the large administration building, a 12-bed hospital, the laundry and boiler plant.

Stage Three at O.S.D. is a proposed kindergarten complex that has yet to be approved by the Department of Public Works. The kindergarten would be a self-contained unit with its own dining room, infirmary, dormitories and classrooms in one building, and would serve students from three and one-half to five years of age.

At present deaf students cannot begin school until they are five years and three months of age.

## Adams-Lambert Wedding In Acton United Church

DARLENE LAMBERT and Reginald Adams were married in Trinity United Church, Acton, in a candlelight ceremony October 9.

A candlelight wedding ceremony in Trinity United Church, Acton, the evening of Friday, October 9, united in marriage Darlene Marie Lambert and Reginald Edward Adams. Red carnations, white mums and glads decorated the church for the ceremony conducted by the Rev. Dwight Engel.

The bride is the daughter of Mr. and Mrs. Gordon Lambert, 20 Victoria Ave., Acton, and the wedding was on her father's birthday. She is employed at Force Electric, Acton. The groom, who works at Piquette and Chemical Company, Milton, is the son of Mr. and Mrs. Mel Adams, Blackwood Drive, Guelph. The couple are living on Cobble Hill Road, Acton.

George Elliott played the organ for the marriage and the soloist, Miss Dorothy Simmons, sang "The Lord's Prayer" and Wedding Prayer.

**Carried Roses**  
A full-skirted, long white gown of nylon over tulle was worn by the bride, who was given in marriage by her father. The fitted bodice in Alencon lace was trimmed with tridescant sequins. The long sleeves were lit-pointed. The bodice skirt was looped at front and back with French roses. A three-tiered, shoulder-length veil of silk illusion was held by a pearl-encrusted comb. She carried a cascade bouquet of red roses, stephanotis and fern.

**Attendants**  
Her matron of honor, Mrs. Wilford Halladay, Acton, a friend, wore a gold brocade sheath with round neckline, cap sleeves and a floating panel at the back of the full length of the dress. She wore a veil-trimmed rose headpiece and accessories to match. Her Colonial bouquet was of pink and white carnations.

Brenda Lambert, sister of the bride, and Patricia Adams, sister of the groom, were bridesmaids, wearing Ming blue brocade in similar style with matching accessories. Their Colonial bouquets were also of pink and white carnations.

A cousin of the groom, Renee Laine, Acton, was flower girl, wearing gold brocade with a rose headpiece and carrying pink and white carnations.

Willard Halladay was groom's man, ushers were Bruce Lambert, brother of the bride and Jack Adams, brother of the groom.

The reception was held in St. Albert's parish hall, decorated with mauve and white mums. Mrs. Lambert received wearing royal blue brocade with black accessories and a corsage of pink carnations.

A guest of honor was the bride's grandmother, Mrs. Nelson Lambert, Acton.

**Honeymoon Trip**  
The bride left in a brown suit with beige and brown accessories and a corsage of yellow mums for the honeymoon trip through the Southern States.

Guests attended from Guelph, Toronto, Huron, Rockwood, Milton and Acton.

**Shower**  
Before the wedding, Mrs. Wilford Halladay entertained for the bride at a miscellaneous shower on September 22, and Mrs. Wilford Elliott held a miscellaneous shower on September 24, both in Acton.

**TRAFFIC WARNING**  
The Police Chief in Cleveland has come up with a novel, but effective idea to prevent motorists ploughing into the rear of a stalled car. He has painted the inside of his trunk lid a fluorescent orange and when he has to stop on the side of the road, he merely raises the lid and the bright interior provides an excellent warning — easy to apply, cheap and effective.

## Thanks

This week Free Press readers received their copies half a day earlier. Instead of the Thursday afternoon delivery, papers were in the post office and dealers' outlets by noon.

An earlier publication has only been possible through the cooperation of advertisers and correspondents who have submitted copy early. Thanks!

Rudeness is a weak man's indication of strength.

## Rummage Sale Held by L.O.B.A.

A very successful rummage sale was held Saturday at the YMCA by the Acton L.O.B.A. and left over were sent to the Hallow Children's Aid Society for distribution.

Convincing the sale were Mrs. Ken McDonald and Mrs. Charles Griggs with Mrs. Alvey Gordon, Mrs. George Williamson and Mrs. George Holmes assisting.

**NEED A CAR?** Just phone your nearest Scotia branch or a Scotia Branch in town. The low rates are the same for new and used cars... your life insurance at no extra cost. Best of all you get that fast, friendly Scotiabank service. Get your Scotia Plan for Loan or a loan for any other worthwhile purpose—today.

Scotia BANK

**Wins Award**  
It was announced by the high school principal, E. A. Hansen, this week that Susan Heard is the winner of the Free Press award for top mark in grade 11 English composition. The award is one of many to be presented at commencement exercises Nov. 6.

**Gym Floor**  
The high school gym floor has been relaid and will be finished next week. It was weather-damaged during the building of the addition work. It is being done when it won't interfere with volleyball practices for the championship teams who go on to district finals.

"Why should I build my home this winter?"

Here's one good reason!

# \$500 CASH

You Get a \$500 Cash Incentive  
To help keep Canada's building trades busy and productive during the winter season, the Federal Government is again offering to pay a \$500 cash incentive to those who build or buy a winter-built home for their own occupancy.

What is a Winter-Built Home?  
A winter built home under this program is one that has not proceeded beyond the first floor joist stage by November 15th and is substantially completed by March 31st, 1965.

How Do You Proceed?  
It's easy. Pick up an Application for Certification form at your National Employment office or Central Mortgage and Housing Corporation office, fill it out and mail to your nearest CMHC office. If you wish, your builder can do this for you. Complete information on the program is included on the application form.

Act Now  
See your builder and arrange to have your home winter-built. Help yourself to that \$500 cash incentive and help Canadian industry stay busy throughout the winter. Last Winter more than 28,000 homes were built under this program.

DO IT NOW! Have Your Home Winter-Built!  
Issued by authority of Hon. Allan J. MacEwen, Minister of Labour, Canada. W-1-524
