On Saturday, the Rev. A. H. McKenzie, with Joanne and Allan McKenzie, attended the funeral of his sister-in-law, Mrs. Robert J. Mrs. Davidson had gone to Toronto to visit with her daughter and son-in-law, Mr. and Mrs. Charles Hudson, who had arrived from Victoria, B.C.

Rev. R. Henderson Speaker Baptist Church Anniversary

The Acton Baptist Church has passed another milestone in its long history as a witness in this community. The Rev. Stanley Gammon says "Over the years faithful men and women have carried on a work here, we trust to the glory of God and the good of its fellowman, souls have been saved, the faith of many strengthened, and the glory of God has been the object of its worship and proclamation in the gospel."

"On Sunday, October 18, the guest speaker was the Rev. Robert Henderson, of Belleville. Again the same glorious message was proclaimed in the morning and the evening services.

"The services were well attended, the church being filled with local and out of town visitors. Mr. Henderson's theme in the morning was, "The Church On High". This soul-searching message was introduced with a story of a very little boy who threw a very small stone through the stained glass window of a church, the stone made a small hole but it did take out the letter E in the word highest, of the message, "Glory to God in the Highest," leaving it to say, "Glory to God in the Highst." The challenge of the message was that we may sing lustily these words with in the four walls of any church, but unless we take their meaning out into the High St. Main St. or whatever it may be called, we are not carrying out the commission as Jesus gave it. The speaker went on to say while the so called saints sing it loudly in side, it must have a practical application in the lives of dedica-

— Oakville police had an auction of unclaimed items last Saturday. There were the usual 40 bicycles, but on top of that, there were two baby carriages. Doesn't it make you wonder how you could lose a baby carriage — and where was the baby?

— Grade 12 girls have all made toys for needy children. They are bringing them to school to wrap one day next week.

"Citizenship" Theme

Mrs. C. McIntyre Hostess To Dublin W.I. Meeting

A good attendance of members of Dublin Women's Institute gathered at the home of Mrs. Calvin McIntyre, Blue Springs Road, Nassagaweya, last Thursday evening for their regular monthly meeting. Presiding for the opening exercises was the president, Mrs. Duncan Moffat. Mrs. N. Douglas, secretary, called the roll which was responded to by naming a country that belongs to the Associated Country Women of the World, and from the response, it was confirmed that the Women's Institute is a worldwide organization with representation in a great many countries.

It was noted that 19 members of Dublin Branch had attended the Food Forum held recently in Milton, when the theme "Trucks with a Mix" had been demonstrated, and proved quite interesting and instructive.

Silver Dollars
Silver dollars have been given to four new babies, whose mothers are branch members.

Mrs. Ed Norton will make arrangements for a demonstration to be given later. Samples of the work were shown by Mrs. Norton.

An interesting summary of the Guelph Area Convention sessions held in late September in Guelph was given by Mrs. D. Moffat. Mrs. William McIntyre and Mrs. A. Near, who had also attended, added their comments.

A District Directors' meeting at Milton was held on October 5 and Mrs. C. McIntyre brought

back a report. Suggestions for the competition to be held at the District Annual next spring were requested from the members.

Review Value

A review of the three neighboring Fall Fairs, Acton, Milton and Georgetown, was made, and all felt that the fall exhibits were well displayed, and that the Women's Institute displays were very attractive this year.

The theme for the evening was "Citizenship," and a fine talk was given by Mrs. Alex. Near, who in a very interesting manner explained the duties of a citizen.

In closing Mrs. Moffat reminded the members of the auction sale at the next meeting.

Mrs. W. McIntyre was courtesy convenor.

A dainty lunch was served by the hostess, Mrs. McIntyre, assisted by Mrs. J. A. Van Fleet and Mrs. B. Kennick.
