

HALTON COUNCIL BRIEFS

At their regular meeting at the County Administrative Building and Court House in Milton on Thursday, Halton County Councilors:

- Approved a letter to the Deputy-Clerk of the Department of Lands and Forests asking why an "open deer season" could not be permitted for residents of Halton County, and agreed to have all pertinent information compiled.
- Learned that the Halton County E.M.O. had attended the Fall Fairs at Georgetown, Acton and Milton. The E.M.O. reported that next year it might be better to show films or slides of local disasters rather than to display equipment.
- Approved a motion asking the Board of Health for their opinion on the best method of providing convalescent care for persons discharged from hospital but still requiring care. A letter is to be sent to the Ontario Hospital Services Commission asking the possibility of legislation amendments which may assist in overcoming this problem.
- Learned that a statement on the final cost of construction of the Administration Building and Court House has been completed, showing the total cost including land, building and furnishings at \$1,009,215.42. The cost has all been provided for by debenture issue, tax refund and levies with the exception of \$1,047.49. A motion was approved that this balance be transferred from current surplus in order that the account may be closed out this year.
- Approved the setting up of payroll deduction facilities to permit employees of the County to purchase Dominion of Canada Saving Bonds by payroll deduction.

At Opening

- Authorized the Superintendent of Halton Centennial Manor and other board members to attend the official opening of Elgin Manor at St. Thomas.
- Approved a personal committee recommendation to the Finance Committee that Council adopt the Halton Co-Operative Medical Services health plan rather than the present P.S.I. plan.
- Learned that Warden Gordon Gallagher will place a wreath donated by the County to the Royal Canadian Legion, 136, Milton, at the Remembrance Day services in Milton.
- Accepted the tender of Cities Service for number two fuel oil. Cities Service was the lowest of several tenders received.

Coal Tender

- Accepted the tender of Canada Coal Corporation to supply coal for the Old Court House. It was the lowest of two tenders received.

Approved a recommendation

- from Burlington Police Chief R. Sierra that warning signs be placed on Number 2 Sideroad and the Cedar Springs Road warning the motorist of a stop ahead and a main intersection. The signs will be erected by the Road Department.

Accepted tenders for winter sand

- from Hayward and Pickett for Milton; from Campbellville Gravel Supply Ltd. for Waterdown and Brookville yards; and for the Stewarttown yard from Jack Ridley Carriage of Acton. Four tenders were received for the supply and delivery of granular "A" material and the tender of the low bidder, Campbellville Gravel Supply Ltd., was accepted.

Approved the sale of an old concrete mixer and a 1940 F.W.D. truck

- for the sum of \$200.

Noted that a copy of an offer to sell from J. C. Soulier of Milton Heights has been forwarded to the Department of Veterans' Land Act for their approval.

Council wishes to purchase the Soulier property and the farm County Road 28 leading to the Kelso Conservation Area and the County Museum.

Accepted the tender of the Fishburn Contractors from Norval for \$1,540 to repair the roof at the Halton Centennial Manor.

Approved the guest list of 318 persons for the Warden's Dinner to be held on November 12 at the Ryant Inn, Burlington.

Learned that the single side-band radio purchased for the E.M.O. has been installed. It was reported that the primary reason for the installation was to have direct contact between Halton headquarters and the field offices in Guelph. The radio is working well and is also provides direct contact with many locations throughout the province.

Appointed Burlington Police Chief K. Skerrett as director of

Police Services for the Halton County E.M.O.

E.M.O. Police

- Learned that the E.M.O. Auxiliary Police in Acton will be permitted to accompany O.P.P. Officers on duty in the course of training.
- Approved a grant of \$25 to the "Bill Todd Memorial Fund".
- Learned that attendance at the Halton County Museum was down this year. Museum curator Major H. Newman suggested the drop in attendance was caused by the admission charge at the Kelso Conservation area.

Learned that the Halton County Children's Aid Society had 45 requests for service during the month of August, a drop of 25 for the same period last year. There are presently 104 children in care.

Received Warden G. Gallagher's quarterly report and learned that he had attended 39 County Council committee meetings during the months of July, August and September. The Warden also attended 21 other functions as part of his duties.

H.S. Science Department Has J. R. Bray as Head

Acton district high school now has a science department as of Monday night, with staff member J. R. Bray named acting department head.

During the principal's report board members learned staff inpector of science, T. Boardman had recommended Mr. Bray be named acting department head. Principal Hansen added his approval of the recommendation and said Mr. Bray has done a good job of organizing and coordinating the work of the science department. Mr. Bray recently received his class "A" certificate.

Mr. Hansen also reported recent school visits by Mr. Boardman, staff inspector of science, J. E. Smallbridge, staff inspector of English and F. W. Vickers, district inspector.

He also noted that Mr. Boardman, Professor Tomlin and Professor Cassons of the Ontario College of Education had visited the school October 29 for the purpose of assessing the science departments of smaller district schools.

A request from Home Economics teacher Mrs. Alex Orr for rental of six portable sewing machines for one month in order to comply with requirements of the new course of study was granted.

Mr. Hansen reminded board members of the annual commencement exercises Friday evening and invited trustees and their wives to attend.

Business included plans for two dinners during the month of November. The first dinner will be for the church parlor. The president and Mrs. McEachern are to take care of this. A request for some quilts to be done was received. Mrs. W. McLeod offered to have one at her home after Christmas and also reminded the ladies to bring in their Canada Packers labels soon. The basement floor at the manse was discussed and members decided it should be left over for awhile.

Two terns had been purchased for the church and payments for these were approved as well as an expression of thanks to Mrs. Swift for her splendid work in preparing these. A committee of five ladies remained to consult with the managers regarding a future project. This concluded the business.

Mrs. D. Mason, convener for the month, presided for the program. The worship service included a hymn, Mrs. J. Dennis reading the 131st Psalm and Mrs. A. M. McPherson leading in prayer. The offering was received and dedicated by Mrs. Mason. Mrs. R. R. Parker in her usual manner contributed two fine readings "The Roving Eye" and "A Trip to Paris", a debut of a "prayer". The benediction was a favorite prayer of Mrs. Lottie Moore, an absent member of the committee.

A period of social fellowship was enjoyed at the close.

UNICEF PENNIES are being counted Hallowe'en night at the Y.M.C.A. after children returned with their boxes. Left to right are Y's Alan William Wilson, daughter Susan and high school teacher, Mrs. W. F. Rogers. Children returning to the Y enjoyed a movie and each was handed an apple by a member of the club. \$231.06 - largest amount ever - was collected.

\$231 Highest Ever Collected For UNICEF on Hallowe'en

The purpose for Hallowe'en - a night for the kiddies to collect bags of treats and pennies for UNICEF - was realized in Acton Saturday night. Only a few teenagers marred the night by throwing tomatoes, apples and eggs at passing motorists and store windows. Reported broken was one house window and a young maple tree which homeowners had nursed since planting.

Youngsters began early and house calls started shortly after dark. Most homeowners reported "shelling out" their goodies quite early in the night with even more than normal number of calls. Motorists heeded police warnings to be alert for kiddies darting across roads and several were seen to stop and wave youngsters on.

Acton Y's Men's Club sponsored its annual UNICEF penny collection and children taking part returned to the Y and had money counted, saw a movie and received a treat before departing for home. There were prizes for the best costumes. A total of \$231.06 was collected for UNICEF. Hallowe'en night children collected \$117.73, boxes from schools held \$83.54 when counted and high school students donated \$29.79 on United Nations Day.

This is the highest amount ever collected here.

Police were out in full patrol, preventing gangs from congregating on the streets and warned several teenagers for throwing articles. Acton's main business section was literally plastered with egg shells, tomatoes and apples. Some broken bottles were even swept up.

Merchants were busy after Hallowe'en cleaning soap off windows but not one seemed too angry. "Just a childish prank," remarked one merchant.

Regular church services will commence shortly after the 11 a.m. Remembrance Day ceremony this Sunday.

William R. Wilkins Native of Scotland

Funeral service was held Wednesday, October 21, at the Rumley - Shoemaker Funeral Home, conducted by the Rev. Dwight Engel, for William Edwin Wilkins, who had passed away October 18. He was born September 10, 1884.

Mr. Wilkins was a native of Scotland. He came to Canada as a young man with his mother and family and spent his first years here as a homesteader in Manitoba. Later moving to Ontario, he eventually settled in Acton and worked at the tannery for a short time.

Living at the home of Charles Allen, he began to work with him in the masonry business until his retirement.

Always enjoying excellent health, he spent a great deal of time travelling to visit his relatives who now survive him, one brother, Charles in California, two sisters, Mary and Annie (Mrs. G. Cowie) and a brother, Tom in Lunenburg, Manitoba. Two brothers predeceased him.

Among those at the funeral were a niece, Mrs. Allan Buckman of Winnipeg, brother Tom Wilkins from Lunenburg, Manitoba, and others from Winnipeg, Toronto, Boston, Orillia, Orangeville, Snelgrove and Milton.

There were guards posted at the school Hallowe'en night and no damage was reported there.

The Legion special "Poppy Day" flag is being at the cenotaph. It was raised Wednesday by Legion president Jim Gunn.

BACKACHE

When Backache fails to respond to other remedies, try DODD'S PILLS. DODD'S PILLS relieve Backache, Rheumatism, Headache, Migraine, Neuralgia, Sciatica, Gout, etc. DODD'S PILLS are available at all drug stores.

Curtains, Quilts Knox Ladies' Aid

"Enter into His Gates with thanksgiving, and into His courts with praise; Be thankful unto Him and bless His name." This was the opening thought at this Thanksgiving season when the Ladies' Aid of Knox Church held their monthly meeting. Presiding was the president Mrs. R. Spielvogel. The opening hymn "A Prayer for the Harvest" was sung by prayer by the president. In the absence of the secretary Mrs. A. J. Buchanan read the report and took the minutes of the meeting. Correspondence was read.

Business included plans for two dinners during the month of November. The first dinner will be for the church parlor. The president and Mrs. McEachern are to take care of this. A request for some quilts to be done was received. Mrs. W. McLeod offered to have one at her home after Christmas and also reminded the ladies to bring in their Canada Packers labels soon. The basement floor at the manse was discussed and members decided it should be left over for awhile.

Two terns had been purchased for the church and payments for these were approved as well as an expression of thanks to Mrs. Swift for her splendid work in preparing these. A committee of five ladies remained to consult with the managers regarding a future project. This concluded the business.

Mrs. D. Mason, convener for the month, presided for the program. The worship service included a hymn, Mrs. J. Dennis reading the 131st Psalm and Mrs. A. M. McPherson leading in prayer. The offering was received and dedicated by Mrs. Mason. Mrs. R. R. Parker in her usual manner contributed two fine readings "The Roving Eye" and "A Trip to Paris", a debut of a "prayer". The benediction was a favorite prayer of Mrs. Lottie Moore, an absent member of the committee.

A period of social fellowship was enjoyed at the close.

Light Bulb Sale Far New Flooder

District governor Phil Waite of Brampton will pay his annual visit to Acton Lions at their regular dinner meeting, Monday, at the Station Hotel. The district governor's visit is one of the highlights of the club's year. He frequently advises them on club problems and has been a help in fostering Lionism in Acton.

Acton Lions have been busy with their light bulb blitz, proceeds of which are slated for purchase of the new sweeper headquarters for the community centre. Project convener Lion Neil Miller was very pleased with the reception the Lions got from Acton householders.

The last meeting of the club was devoted to light bulb sales immediately after dinner. Three new prospective Lions attended. Larry Nolan, Harry Hawkins and M. Sheff.

Deputy Sheriff Describes Work

Rotarian Mac Sproul, deputy sheriff of Halton County in his classification talk to the club Tuesday night explained legal services conducted in his department.

His talk centred around the beginning of the office of sheriff in England and the start of the service in Ontario. He pointed out sheriffs in Canada are not law enforcement officers such as the United States, but peace officers serving civil offenses.

In his talk he explained the aspects of office, road and court work with witty anecdotes of some experiences encountered. On Monday evening Rotarians will stage what they hope to be their last work bee at the Scout Hall. Then Tuesday, they'll hold a dinner meeting at the scout hall with the Scout Mothers catering. Guest speaker will be vice-principal Michael Bevan.
