This Bob Lusk of Eramosa gets a face lifting. This new and wider road will join No. 7 Highway at Rockwood and No. 24 at Stratton's Corners. The equipment of Cox Construction, Guelph, is doing the work and the material is being taken from the gravel ridge of the farm of E. and H. Bonner and other places along the construction route. Traffic along the road must be carefully directed, not to interfere with the huge equipment. Clifford Duffield is the capable flag-man.

W.I. Learns About Diamonds Backs Sale of Old Academy

"Do you know your diamonds?" Most members of the Rockalong Women's Institute found themselves rather ignorant of the subject, but had many interesting facts explained to them at their meeting recently. The guest speaker for the evening was George Walker, a prominent Guelph jeweller, who illustrated and explained many aspects of diamond culture.

It is just since Napoleon's time, stated the speaker, that women have worn diamonds. Before that, men had the monopoly on these precious jewels. Mr. Walker showed a diamond in the rough and explained the three ways to split a rough diamond — by saw, cleave and polishing process.

Diamonds are very hard, he continued, in fact 85 times harder than the next hardest substance the sapphire. The four Cs of diamond grading were also described by Mr. Walker — color, cutting, clarity and carat weight. In color the diamond should be pure and colorless; if not cut properly, the gem loses some color effect. The clarity depends on proper formation, which it lacking causes some imperfection. Carat weight goes by size. The largest diamond known was 2,000 carats.

Mr. Walker closed with the advice to all women to have their diamonds checked once a year in case of setting defects resulting in the loss of the stone. Mrs. Duncan McPhedran thanked the speaker for his most interesting talk.

The meeting was held at the home of Mrs. Harvey Bayne with a good attendance. After the opening Institute Ode and Mary Stewart Collect, the president Mrs. George Mitchell announced that antique articles were to be taken from Rockalong to the Historical

David Schneider Top Kegler In Weekly Bowling Activity

Rockwood — One never knows triple for the week of 663 flat and 706 with handicap. That was the top bowler for the week in Rockwood and District bowling league.
