

# Nassagaweya Nominations Interesting At Least 10 Seeking Council Seats

Probably the most interesting nomination meeting in the history of Nassagaweya Township is being held for Monday evening, since 10 Township residents have already indicated that they will seek the five available positions on Township Council. After months of wrangling between council and the Nassagaweya Women's Centennial Committee, the Ontario Municipal Board recently approved requests by council to go ahead with the construction of a new Township Hall.

Called by the decision of the O.M.B. and stirred by the "many inadequacies of the present council," Township residents are expected to attend the nomination meeting at the Township Hall in Brookville and name a record number for Council positions. All present members of council have stated they will again seek positions and unanimously stated, "under the conditions there is nothing else we can do." Present council members are Reeve Bill Coulter, Deputy Reeve Dr. B. D. Young and councillors Allan Parsons, William Mahon and Ross Gordon.

**Russ for Reeve**  
Former Township Reeve J. Robertson who ran for reeve last year and was defeated by Mr. Coulter has stated, "I'm interested in the position and I think I'll run for it."

Sunday at St. Alban's church Melissa Veronica Bouwman was baptized by the Rev. Donald West. She is the daughter of Mr. and Mrs. Peter Bouwman.

spoken critic of the present council, reported, "I am going to seek a position on council because many of my fellow townsmen have expressed the hope that I would do so." Mrs. Newton was chairman of the Nassagaweya Women's Centennial Committee.

Campbellville resident Gordon Agnew who joined the Women's Centennial Committee in its plea for the renovation of St. K. K. School for use as Township offices, has also tossed his hat into the bidding election battle.

Any Position  
W. A. N. Hays R.R. 1 Moffat has stated that he is willing to run for any position that he is nominated for. Both Mrs. New-

ton and Mr. Agnew have said that they would seek positions on council rather than as Reeve or Deputy Reeve.

Floyd Hammond of R.R. 1 Campbellville has also said that he hopes to gain a position on the Township Council, as a councilor.

## 600 Bidders

Auctioneering for the past 50 years, well known Georgetown and district auctioneer Frank Petch was honored Saturday at Georgetown Sales Arena when he called for bids on articles for about 12 hours without any visible signs of tiring.

During the afternoon, fellow auctioneers Roy Hindley, Jack Elliott and Jack Holmes presented Mr. Petch with a special cake in honor of his 50 years in the business. Mrs. Petch was not forgotten, as the woman behind the scenes, she received a bouquet of red and white carnations from the three men.

## County Promises Change In Grants to Hospitals

Hilton's hospital grant structure, previously \$6,000 a bed, later \$4,000 a bed, will be reviewed again by the County Council, members agreed at their meeting on Tuesday.

The Board of Governors of the Joseph Brant Memorial Hospital have asked that the county grant be returned to the original \$6,000 a bed and that a planned 272 bed addition to their hospital be approved.

## Empty Beds

Reeve H. Hinton, Acton pointed out that Acton does not benefit at all from the hospital grants and would be in complete disagreement with increasing them.

He called for a review by the finance committee of the relationship of non-county to county patients in the Oakville and Burlington hospitals. He conceded the Ontario Hospital Commission might not be concerned about the municipal boundaries but suggested it would be interesting for county taxpayers.

Attracta Specialists  
Deputy Reeve Rogers stressed the importance of the Burlington hospital as a large unit at-

tracting top specialists.

Milton's Reeve C. A. Martin acknowledged he was glad to hear Burlington was interested in county participation in hospital construction. "I fought for four years to get the county to participate and Burlington was the stumbling block," he said.

Committee chairman Herb Merry agreed the committee would definitely study some changes in the county hospital grant by law as promised in the committee report. He expressed the hope it would be dealt with by the 1964 council rather than referring it to a new council.

Empty Beds  
Seven Brownies were enrolled into the 3rd Acton Brownie Pack on Wednesday, November 18. Patsy Jordan, Shirley Joque, Linda Savers, Dorothy Newton, Rene Laing, Joanne Hepburn and Dianne Charotte. Mrs. Newton was assisted by Mrs. K. Ross, and Paulette Cavell Marshall. Parents were in attendance and games played.

At the meeting of the 2nd Brownie Pack later Wednesday, three new members were enrolled, Pearl Harris, Valerie Mitchell and Susan Mills, and Golden Bars were presented to Nellie Van Der Kooy and Madeleine Rogers. Mrs. Bryan was assisted by Mrs. Jerome.

# Approve County Health Unit Salaries, Despite Protests

Despite expressed misgivings by M.O.H. Dr. A. Bull, of a salary schedule covering Board of Health employees, County Council officers Tuesday gave approval to an implementing by-law.

The schedule was one of two presented by the Personnel Committee after consultation with G. Hedges, the County's personnel consultant.

Dr. Bull told members of council he was concerned about the image of County Council after approving a resolution earlier this year setting salaries at one thing and altering it now below the year begins. "If you find that decision was an unwise one, changing it now will create an unfavorable image."

We would like to continue to operate a superior program. If we can't get staff, that will be impossible, Dr. Bull cautioned.

In the summer the County authorized advertising for public health nurses at a minimum salary of \$4,500. The new schedule sets the minimum at \$4,000.

Deputy Reeve Wood, Acton pointed out the Health Unit was supposed to have 25 nurses and presently only had 19. He also noted the Unit was without sanitary inspectors.

## 600 Bidders

Assisting Mr. Petch in the ring taking bids were Roy Hindley of Everton, Jack Elliott of Milton and Jack Holmes of Acton. During the presentation, Mr. Elliott introduced Mr. Petch to the crowd of 600 bidders and told of his enviable background in the business. Mr. Hindley made the presentation of the cake and Mr. Holmes presented the bouquet to Mrs. Petch.

Mr. Petch has been a resident of the district all his life, first as a farmer at Union and for many years a Georgetown. He has combined his auctioneering trade with a position at Bank of Montreal and a real estate business. He has served in such capacities as secretary and president of the Georgetown fall fair board and as member of the Georgetown and county councils.

Music Problems  
The Bill proposed two basic positions in the schedule. (1) There was to be a wide enough range between the minimum and maximum for public health nurses and (2) people in the service for a period of years have not been classified high enough to compensate them for their years of service.

Reeve C. A. Martin suggested adoption of one of the schedules was an effective setting basic salaries in other departments with which they had not been discussed.

Deputy Reeve F. Rogers pressed for adoption of this schedule covering the Board of Health and the County Administrative employees. He promised discussions would be held with other departments as schedules were prepared.

## Ridley Firm Gets Georgetown Contract

Sand for winter control on Georgetown roads will be purchased this year from Jack Ridley's Cartage Acton. Mr. Ridley's firm was the only one received by Georgetown council in answer to a tender call. Council placed an order for 1,000 tons at a price of \$1.03 per ton.

# 4-H Trip to Newfoundland Described to Dublin W.I.

Mrs. Alex Near, Public Line, Nassagaweya, was hostess for the monthly meeting of Dublin Women's Institute last Thursday evening. Despite the first snowfall of the season, there was a good attendance of members.

Mrs. Duncan Moffat, the president, chaired the meeting, the singing of the Institute Ode, and the recitation of the Mary Stewart Collier and The Lord's Prayer opened the meeting.

Following the minutes of the previous meeting read by Mrs. N. Douglas, the secretary the roll call was answered by "A new grocery product and any reaction to it." As a result, several new products and helpful suggestions were shared with the members.

Several items of business arising from the correspondence were discussed and dispensed with. Donations were voted toward the Muscular Dystrophy Association, Children's Aid Society and the Hamilton Y.M.C.A. A very satisfactory treasurer's report was given by Mrs. Douglas.

As a regular feature of the November meeting, the annual auction sale was held. A large and varied sale of articles was successfully auctioned off to the highest bidder by Mrs. Chris Britton, and a nice sum of money was added for the work of the Institute. Miss Norma Moffat was the winner of the lucky draw prize.

# NOTICE TO THE PUBLIC

Canada Packers Limited is requesting consumers to immediately return KLIK Luncheon Meat with any of the following codes indented in the tops of the tins:

EST 7 09144	EST 7 09214	EST 7 09284
EST 7 09164	EST 7 09234	EST 7 10034
EST 7 09174	EST 7 09254	EST 7 10224

NO TINS WITH ANY OTHER NUMBERS ARE AFFECTED

Consumers in Ontario, Quebec and the Atlantic provinces who have purchased KLIK since September 14th and who are in possession of any tins bearing these codes are asked to immediately return them to their retailers for replacement or refund.

Tins embossed with EST 7A, EST 7B, or EST 7D are not involved as they were produced at other plants and are in no way affected.

The recall of these tins is a precautionary measure which has been taken because spice units, supplied to the Company and used in the production of KLIK Luncheon Meat at one plant, contained less than the normal quantities of one of the curing ingredients.

The effect of a smaller than normal quantity of this curing ingredient has not been clearly established by food scientists. KLIK is cooked during the canning process, however, curing ingredients are added in the spice mixture to assure its long-term keeping qualities.

The best scientific opinion indicates that the risk of impaired keeping qualities is small, but may exist. Therefore, there is a small chance that the product could deteriorate and might then cause serious illness if eaten.

All KLIK presently on retailers' shelves has been carefully checked by company employees to ensure that it is not from the lots in question.

RETAILERS—Your cooperation in accepting return of this product is requested. A Company representative will be contacting you.

You wouldn't wear your summer clothes when the weather gets near freezin'... But have you changed your drivin' style to suit the changin' season?

Winter driving is dangerous... visibility is low during winter storms; stopping takes longer; and early darkness means more driving after dark.

TO AVOID WINTER ACCIDENTS: slow down... keep your windshield free of ice and snow... follow at a safe distance and remember to leave one window open a little at all times. If you have to stop in a hurry, pump your brakes, don't jam them and put your car into a slide. (Power brakes need gentle pumping.)
