

## Pounding the SPORTS BEAT

**PASSION A FELLA** from renegeing but you'll have to draw your own conclusions about the relative strength of the Tanners thus far.

The teams they're supposed to beat easily, get beaten by, the teams they're supposed to have a hard time with, they thrash. Of course they've only played two games which makes it a bit early to draw conclusions.

Friday night here the Tanners meet Elstra Polar Kings in their home opener. Tanners. The Kings lost a 6-5 decision to Orangeville last Friday night which should be a pretty good indication they'd be nobody's pants.

Coach Junior Beaumont is still experimenting with the Action lineup to see if he may have a few surprises for fans in the Friday fixture. There'll also be an extra bit of fun for spectators to officially usher in the season.

Big shooters for the Tanners in their first two fixtures have been Blake Inglis, the predominant contributor from the Guelph and strapping young Wayne Davison. Donny McKenzie and Dennis Baxter have also picked up pairs of goals.

Gullaneing is one of the club's products. Jack Marshall is the only returning signed. Norm Edwards is unsigned this season as he lives right in Guelph now. Neither the Snipes or the club want to depend on one young tender who's so new so at least two prospects have been trying out with the team as we have a couple of new forwards.

You'll be able to get a clearer picture of the new look at the opening Friday when playing coach Junior Beaumont will likely have made a few decisions on the player personnel.

**WAY BITS** — Last registration for Legion town lego jockeys will be on Saturday December 12th. No registrations will be accepted after that day.

**Ron McLean** — Last year with the Tanners is playing junior hockey in Georgetown this season. Orangeville Buffaloes have picked up another outstanding hockey player from Shelburne but first they must get an O.K. from the W.O.A. as he's under suspension.

**First hockey school session** last week brought out over 40 boys and it's expected many more will register this week. The Action Referees Association is sponsoring the school with Barry Insole coaching it.

**Dan's brother** with the

carving tools. Eve duet bowling over the Ottawa Rough Riders. Said last week I'd ignore it if the Roughies booked them 17 point eastern final margin and I intend to. One difficulty in the news editor of this journal keeps reminding me of the result.

**Industrial league**

Saw Wes Fontaine's nature film the other night at a service club meeting and it's one of the best efforts I've seen. Ninety per cent of the shots were made in the Action district. It's all in color and Wes has captured wildlife in this district in many models and poses. He has a sound track with the film which includes appropriate music. It's beautiful, instructive and entertaining. Wes says he lost count of the hours after 350 that he spent making the sequences and it's said not finished yet.

### Flyers Down Cards

## Andy Williams Stops Ridiculous'

Cardinals let Flyers swarm all over them in the second period of the Industrial Hockey League's first game Sunday and the result was a 9-4 verdict in favor of the front-running pilots.

In the second game of the twin bill it was a seesaw battle until the last 12 minutes when Raiders posted two insurance goals that stretched a one goal lead into a 7-4 win over the Ridiculous squad.

Andy Williams, one of the league's ace twine tenders, was a big stumbling block to the Ridiculous. He stopped Gary Masales

flat on three clean breakaways, handling most of the rest with Ridiculous ease.

The first game was even-steven for the first and last canots both Flyers and Cardinals scoring one and three goals respectively. In the sandwich session Flyers sank the post with plenty of hustle to earn their victory margin with out a reply from Cards.

Four Flyers plunked in a pair of goals to spearhead the league leaders attack with Gord Mason collecting three assists in addition to his pair while Wayne Sharp

and Ken Tuck each earned a bracket to go with their double. Harry Phillips got the other pair. Bob Bruce sang a singleton.

Herb Dodds helped on three goals in the winners' assist department. Ray Wallis and Dave Papillon each racking up two.

Cardinals got a two goal performance from Fred Andrews while Jim McDonald and Gerry Ritchie notched one apiece. Jim also earned a bracket along with Bruce Barber who assisted Andrews on his first two markers.

Referees Ed Owen and Doug Lockyer assessed nine penalties, six of which were served by the winners. One sentence was a misconduct to Gord Mason. The only major penalty of the lot.

### Early Lead

Raiders jumped into a 2-0 lead in the first period of the night cap. The Ridiculous part of the program started in the second chapter when they outscored the winners 21. They matched goals with Raiders until the dying minutes when the winners sewed it up with a couple of insurance markers.

Big Gun for the winners was Ron (Lucky) Sheppard who fired a hat trick into the rugging behind Ken (Buddha) McIsaac, and collected an assist. Barry Insole, Larry Poole, Doug Sheppard and Gary DeBruin sniped the remainder with Insole also chalking up three scoring points with assists. Fred Dunn collected a pair of brackets. Al Robertson gammed one.

Leon Dufield notched a pair for the losers as well as an assist and Grant Withers and Gary Mayale potted one apiece. Bruce Lamberti and Elmer Andrews were each credited with an assist.

On seven penalties referees Ed Owen and Danna Arbie laddled six went to the Raiders for minor infractions.

Next Sunday's doubleheader will see Ridiculous and Cardinals clash in the first game while Flyers take on Raiders in the second contest. The opener starts at 7 p.m. and the second game is slated to start at 8:30 p.m.

Team members are Martha Hock, Joanne Lansdowne, Gladys Calver, Sally Dick, Judy Duby, Betty Cook, Caroline Williamson, Lois Kirkwood, Nancy Launder, Jo Marie Marchant, Trude Morris and Joyce Murray. The manager is Sue Allan. Miss Moulton will coach both the senior and junior basketball teams.

The senior team won 42-36.

The team members are Coach Ron McCallum, Ron Holler, Don Arbie, Ralph Mathews, Alan Hall, Brian Sheridan, Gerald Dick, Dan Woodhouse, and Ron Hagen.

For anyone still wondering about the crosscountry results, the late flash is that Action came second to Paris in the senior and fifth in the junior division. Alan Hall placed third overall.

**Volleyball Season Over for Grade 10**

Action and District High School closed its doors on the girls' intra-mural volleyball program after the 10A-2s and 10A-1s played off to decide who should be No. 1 team in the grade ten league.

A match of best two out of three games was played with each team winning one game. In the third and final game, 10A-1 broke the tie.

The victors consisting of Brenda Aherne (captain), Lynne Johnston, Dorothy Sterritt, Anne Shorttill, Linda Gilmore, Jane Wong and Lynn Roy will travel to Guelph next Tuesday to compete against the grade ten top team at the Guelph Collegiate and Vocational Institute.

Always keep this thought in mind when carrying a loaded gun: "What would happen if my gun should accidentally discharge?"

## Tanners Trip Fergus 12-5 Spoil Flyers' Home Debut

Coach Junior Beaumont jugged his lines after losing a 9-7 decision to the upstart Cheltenham Harvesters Thursday night. It had a startling effect on the Tanners. They spoiled the home debut of Elstra Flyers by walloping them 12-5 in front of just over 100 fans Friday night in a W.O.A. A.A. senior contest which was never in doubt after the second period.

It was the second loss for the Flyers and evened Action's record at a win and a loss.

The Tanners, smarting from the previous night's inglorious defeat to the Harvesters, tapped no sweat from period goals to start the game off. Fergus got one in the initial canto but came back

strong midway through the second period to notch three straight markers, putting them to within two goals of the Tanners.

Two quick goals within a 17 second span put the Action club well ahead again and they coasted to the win with four more markers in the final stanza to Elstra one.

It was the second loss for the Flyers and evened Action's record at a win and a loss.
